Bill, I hope you're having a great summer. I hope you're having a great summer. I hope you're having a great summer.

Bill, a really nice guy who has helped me in Chem. this year. I hope you're having a great summer. I hope you're having a great summer. I hope you're having a great summer.

Bill,
Even though we argued and didn't get along too well in the beginning of the year, I am glad to be your friend now. You're not so bad after all. We have to get together and play some Baseball. Have a great summer.

Mike P.

William,
To a great guy I've known for a couple of years. Good luck in everything you do. Thanks for helping me in Chem Study. Have a great SUMMER

We are the New Generation!
We've developed our
own ideas and
characteristics.
We all possess
a strong lust for life.

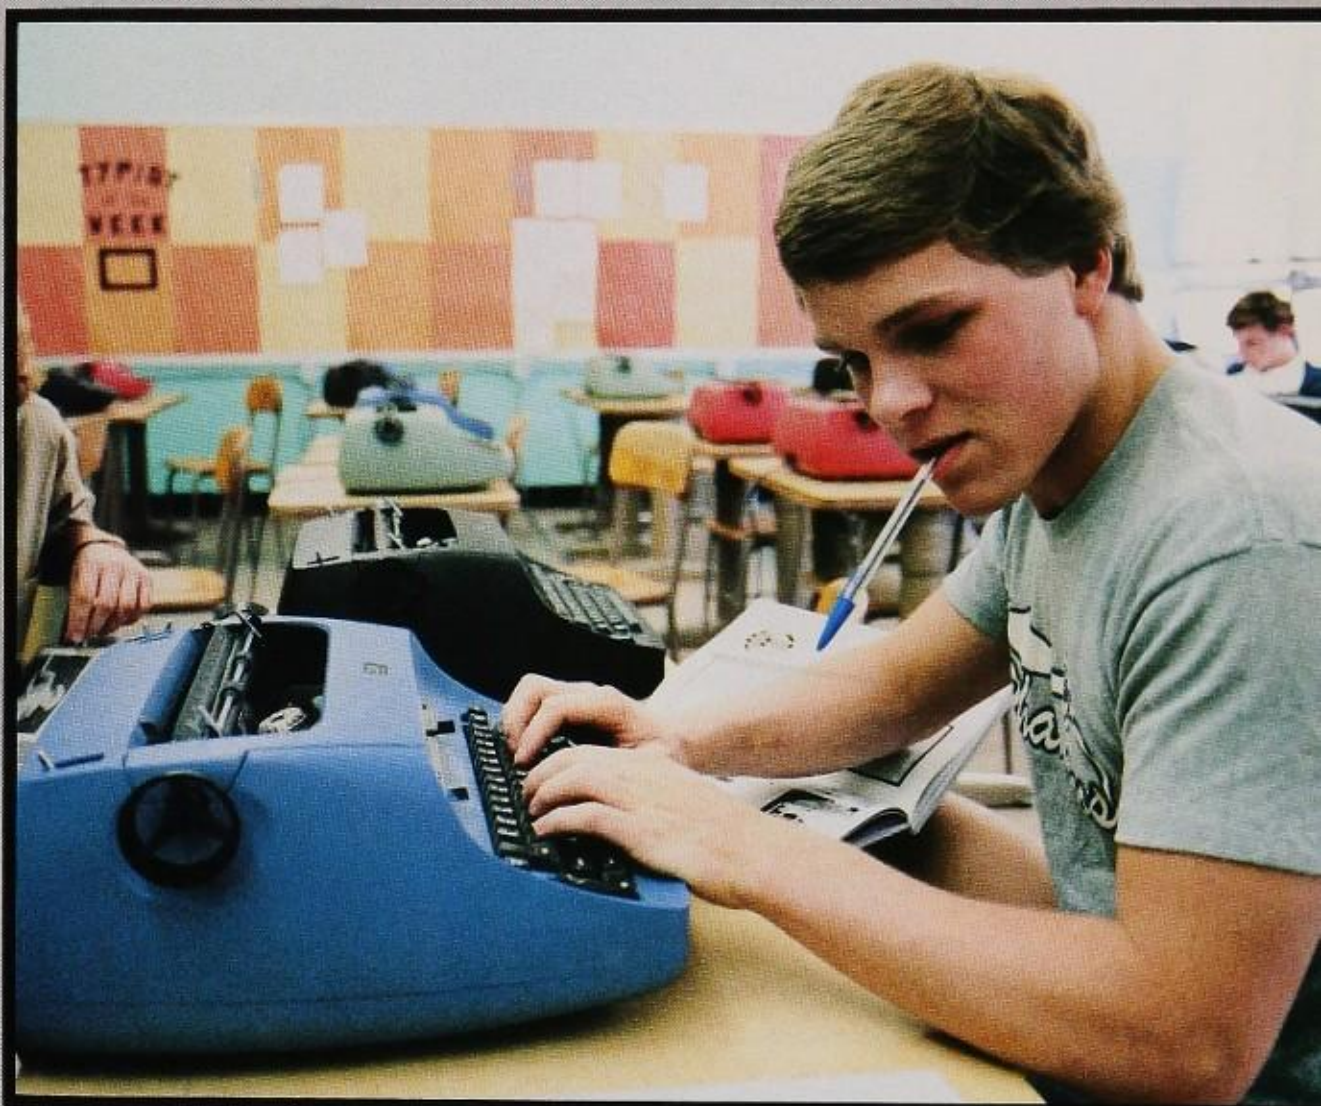

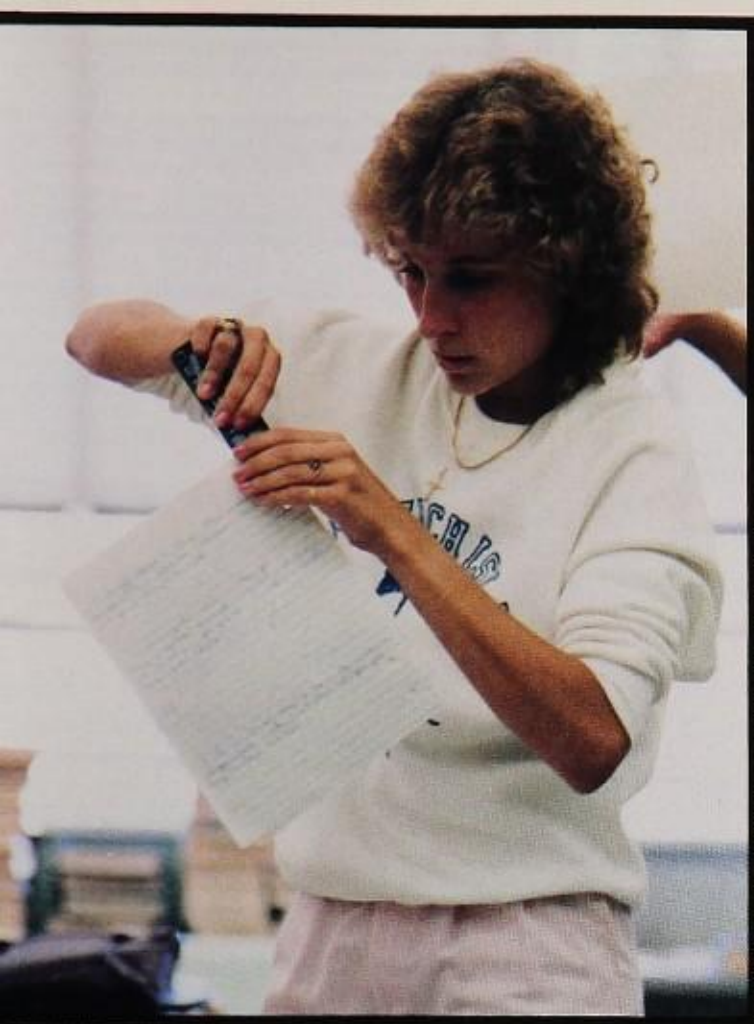

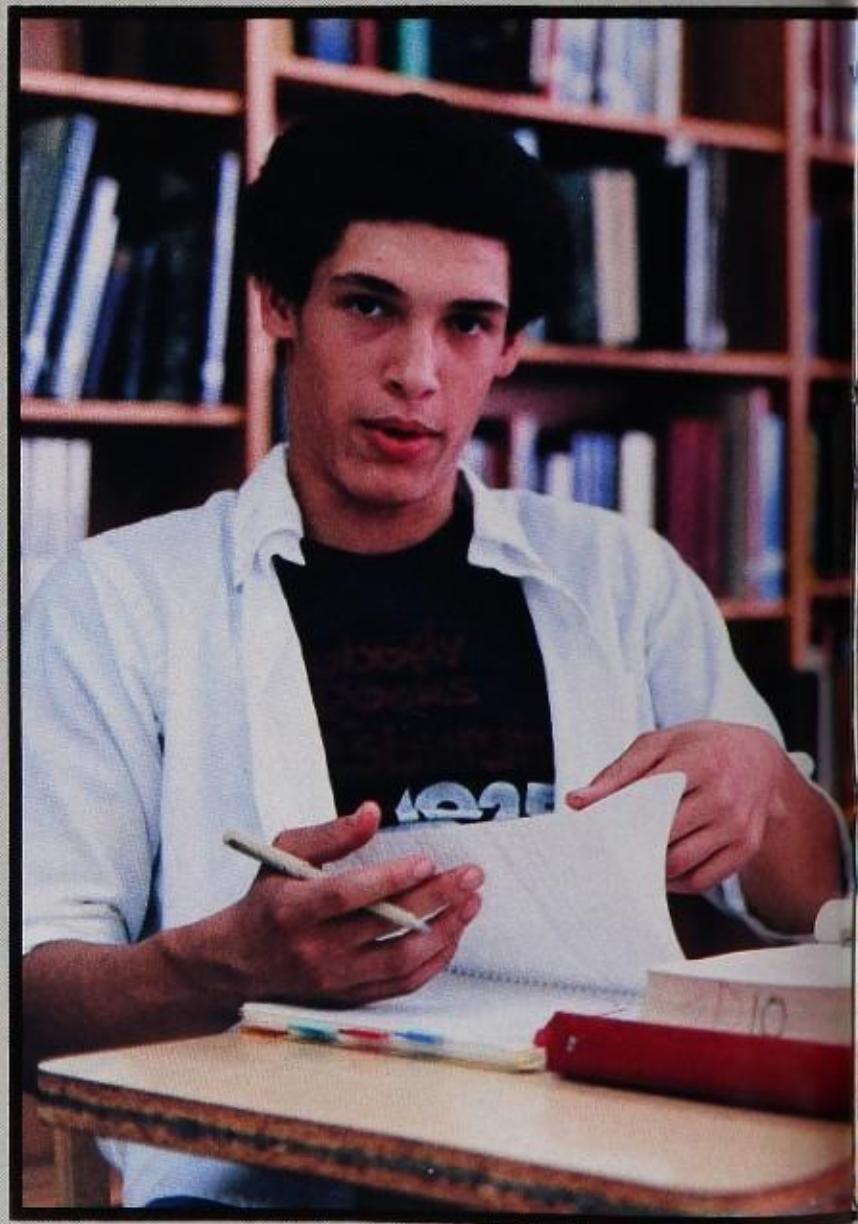

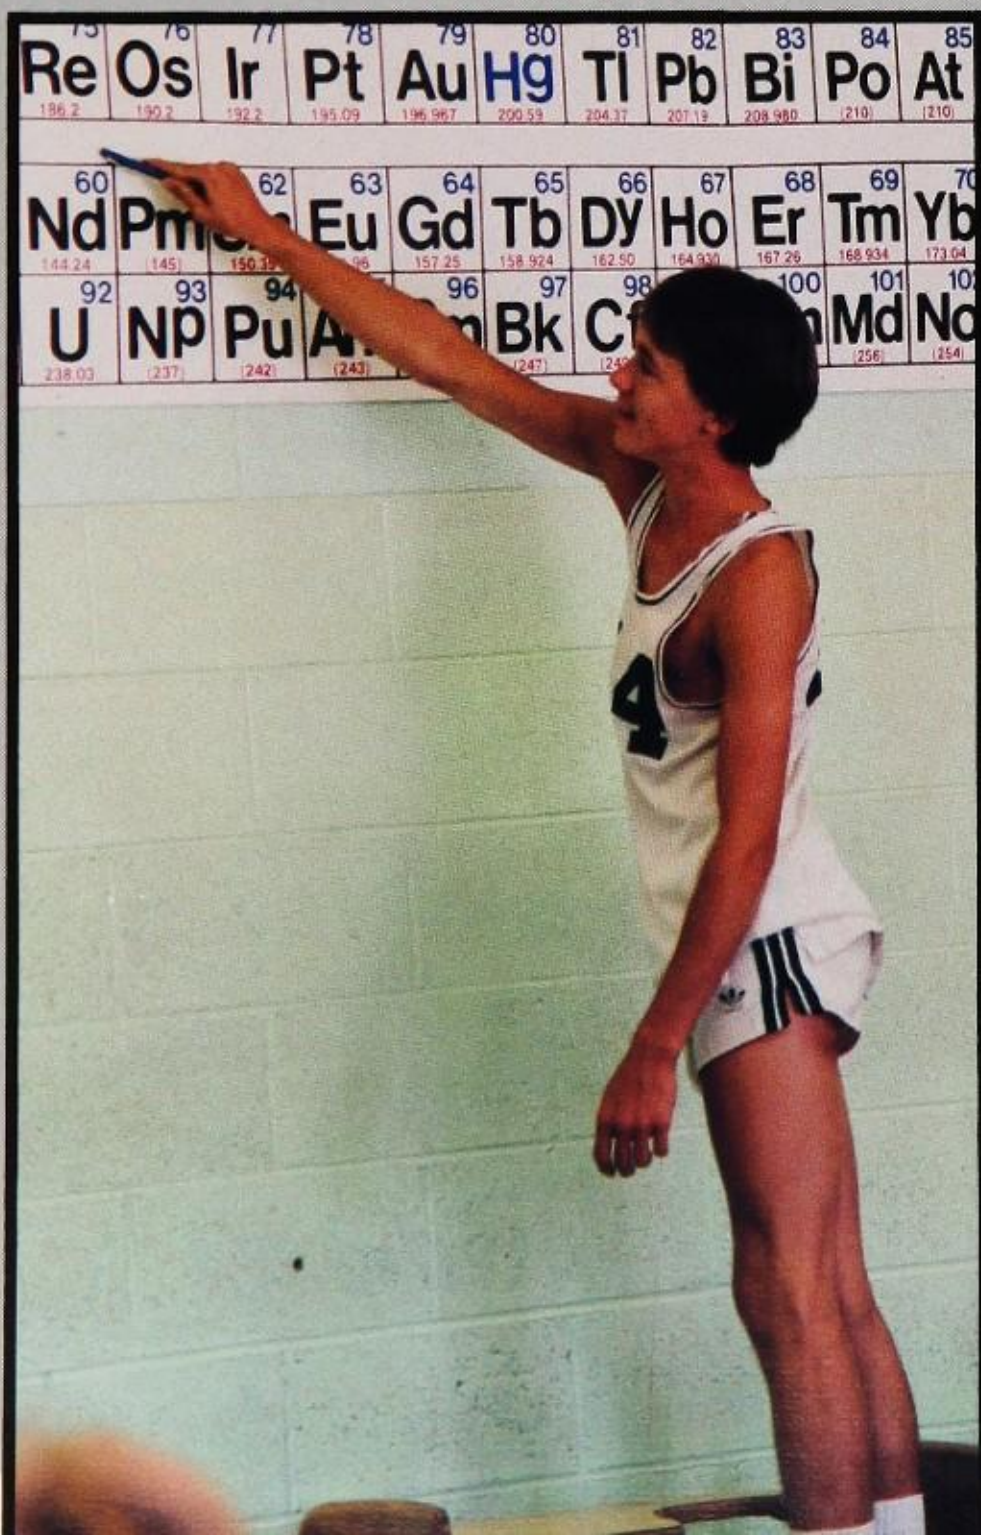

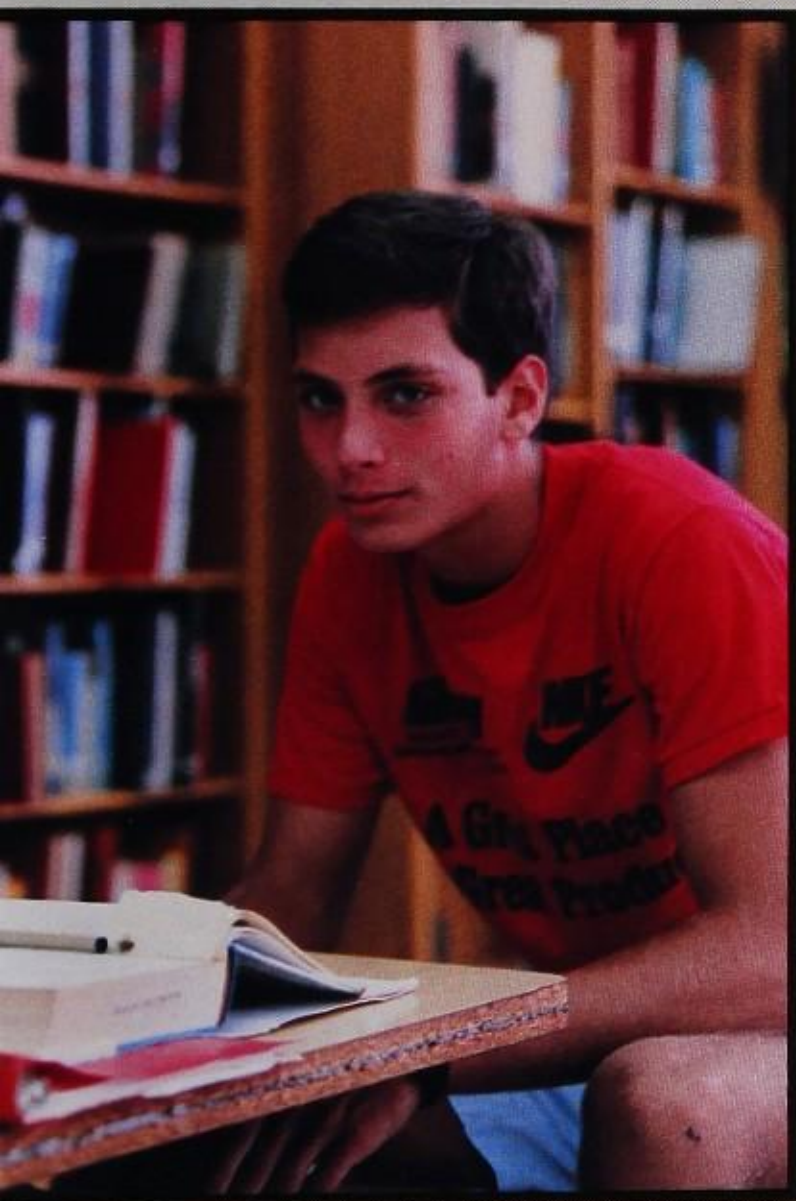

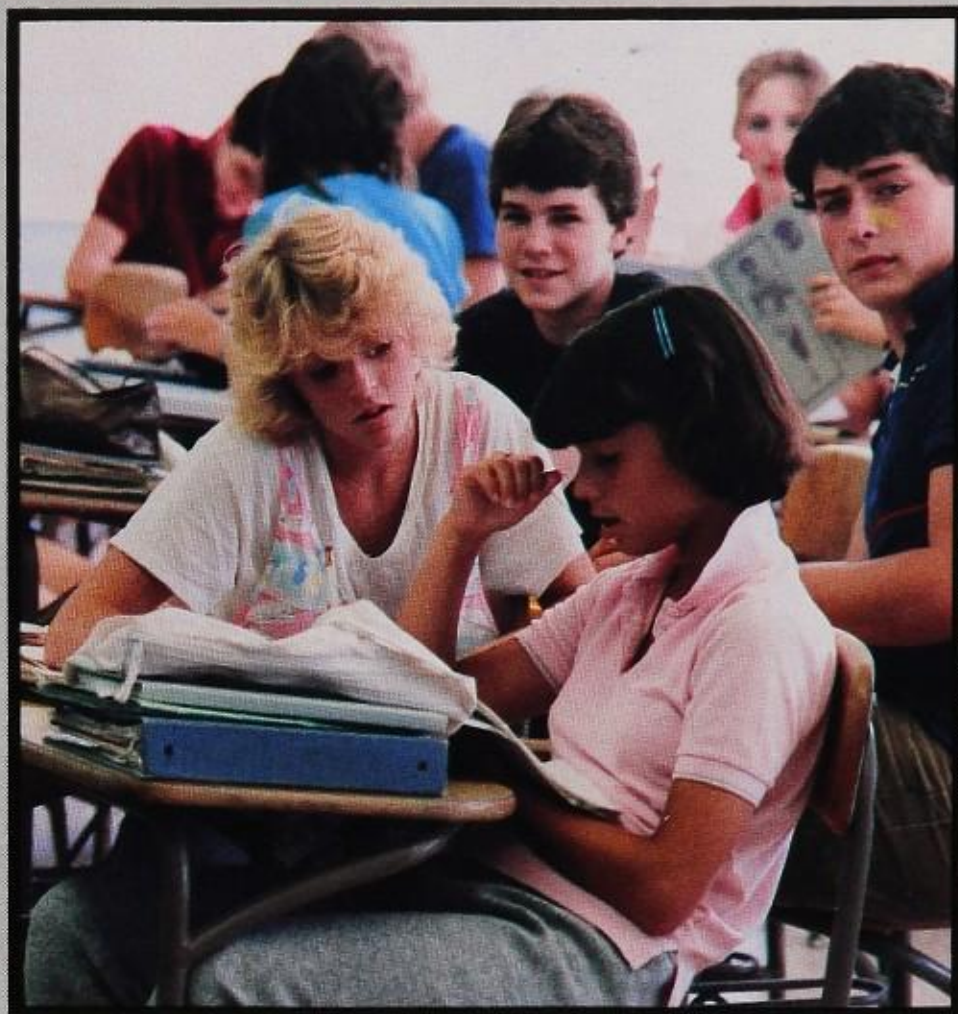

Determined to achieve
our ambitions,
we are career-minded,
and eager to make
something of ourselves.

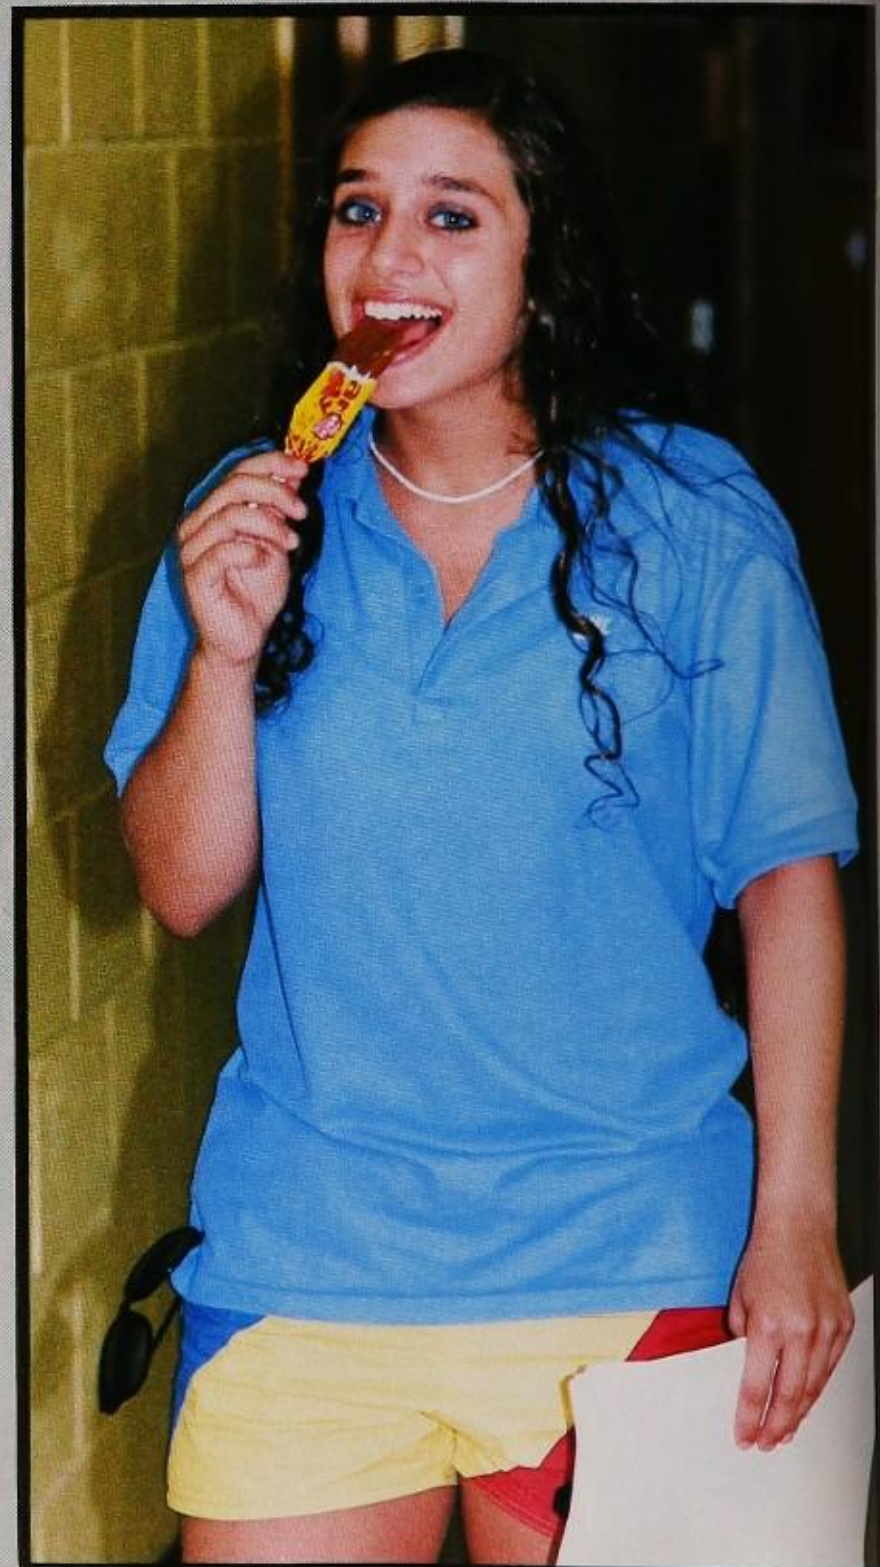

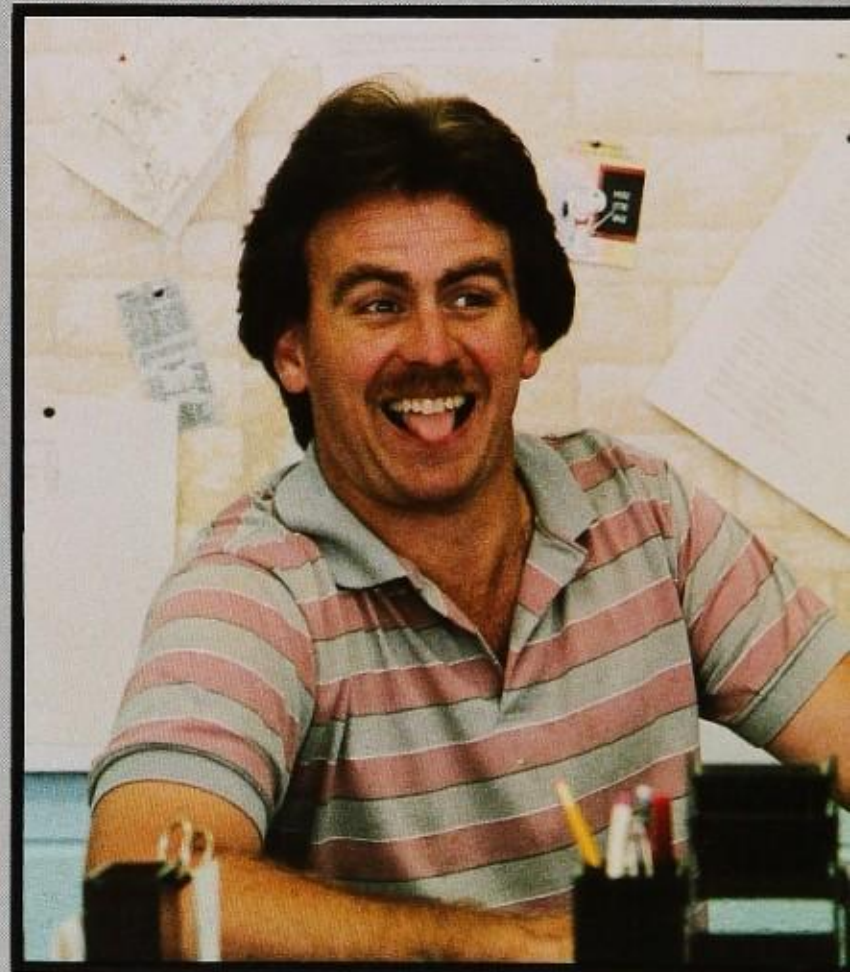

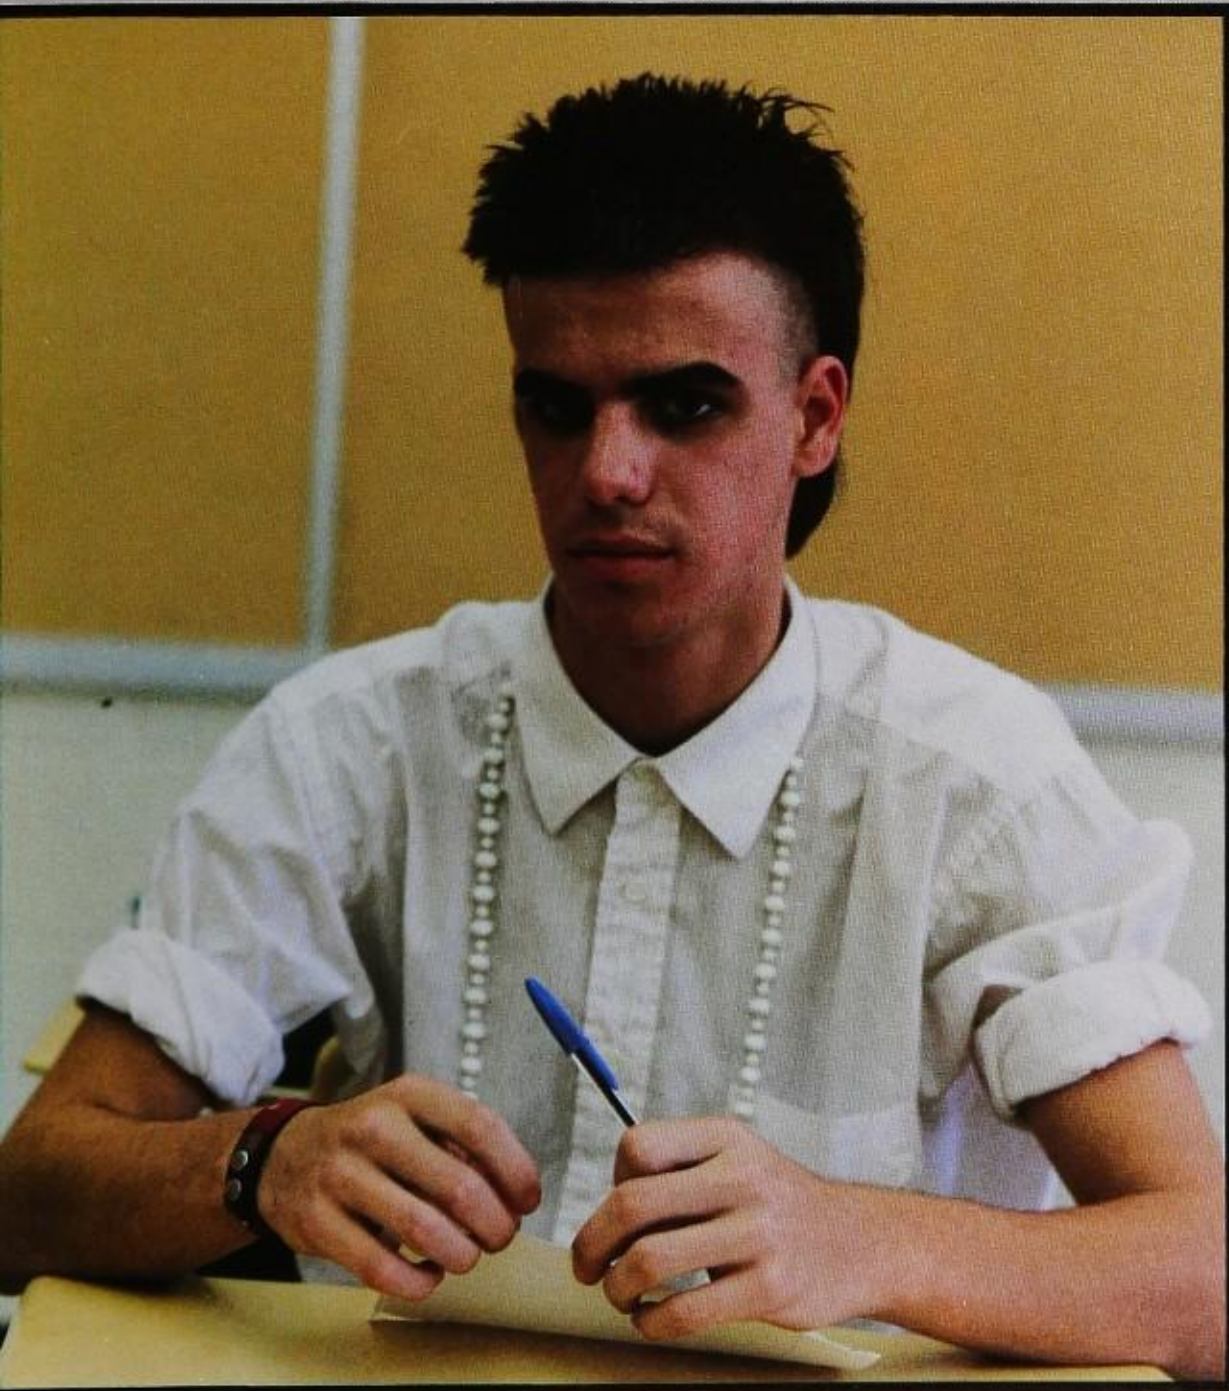

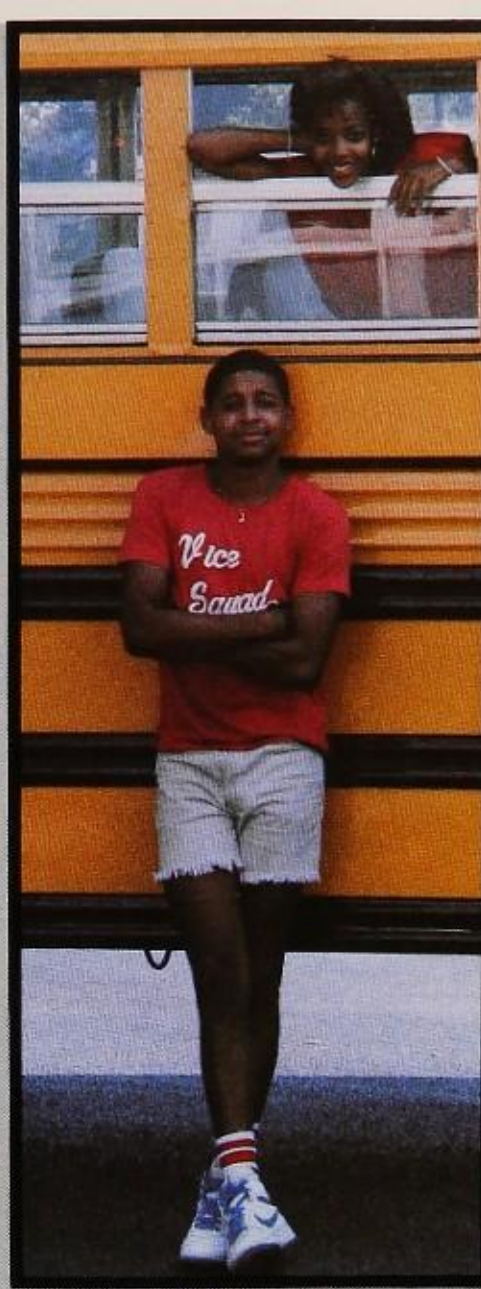

We are always willing to
come to the aid
of a good cause.
Our time is available
for those in need.

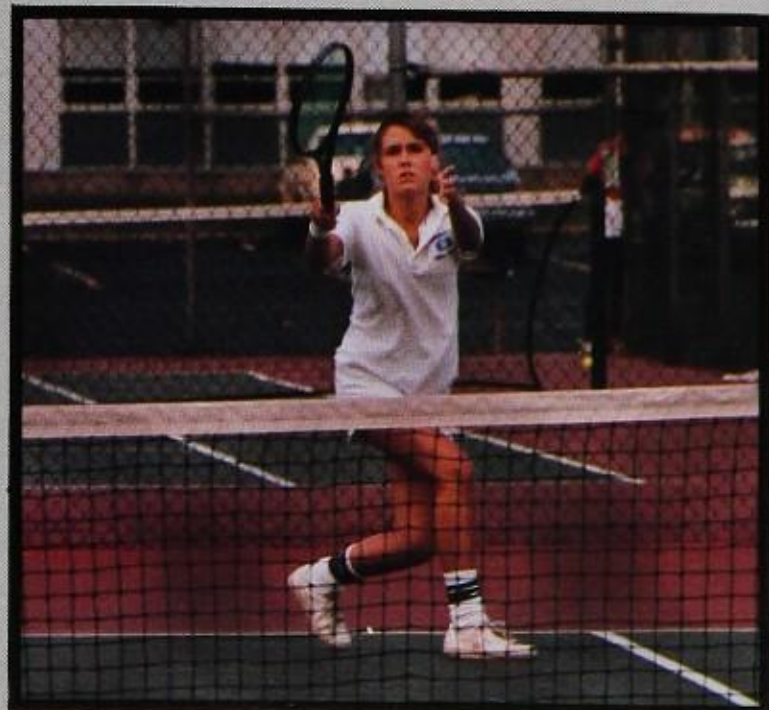

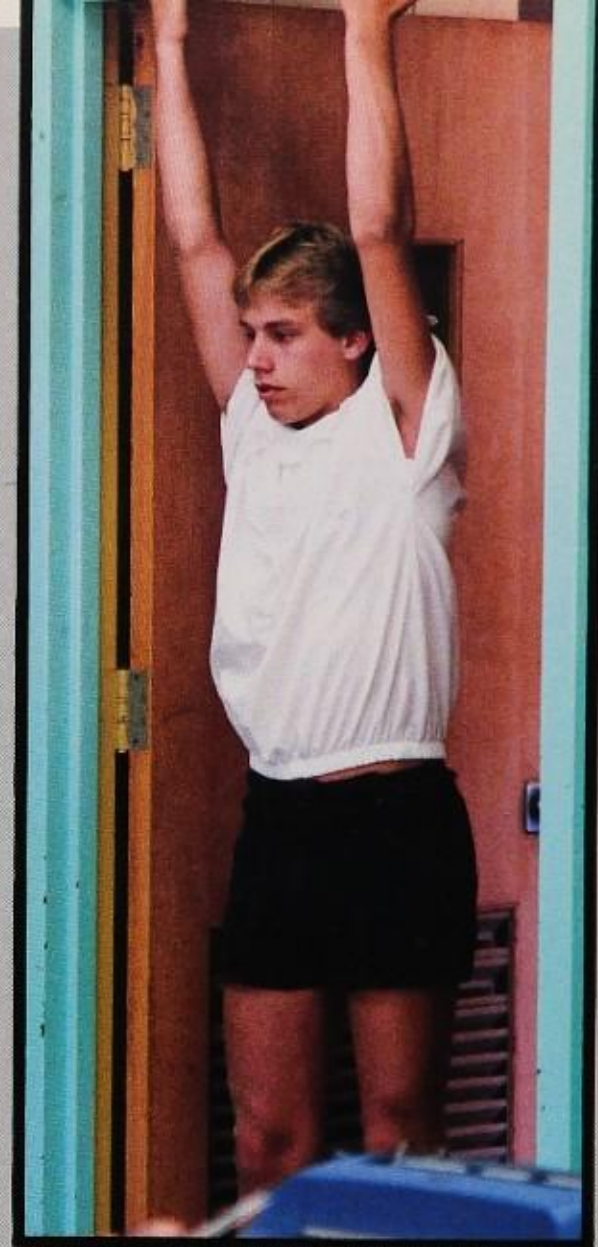

Originality is highly regarded.
Our fashion would seem
as though almost anything goes.

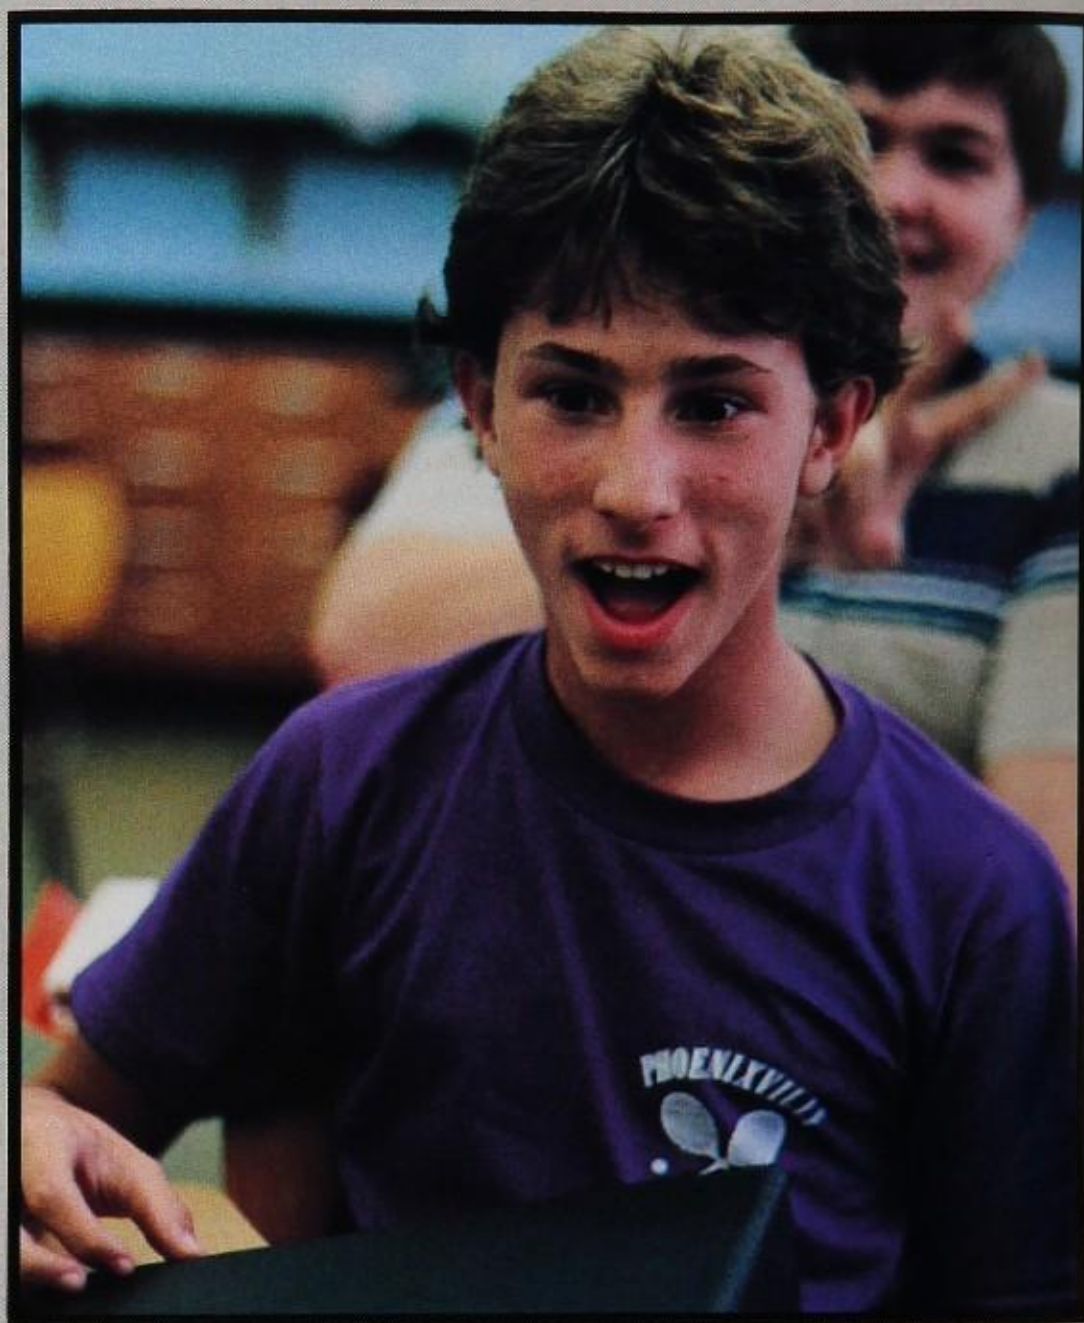

A steady diet of fun
and physical fitness
is desired to maintain
a healthy lifestyle.

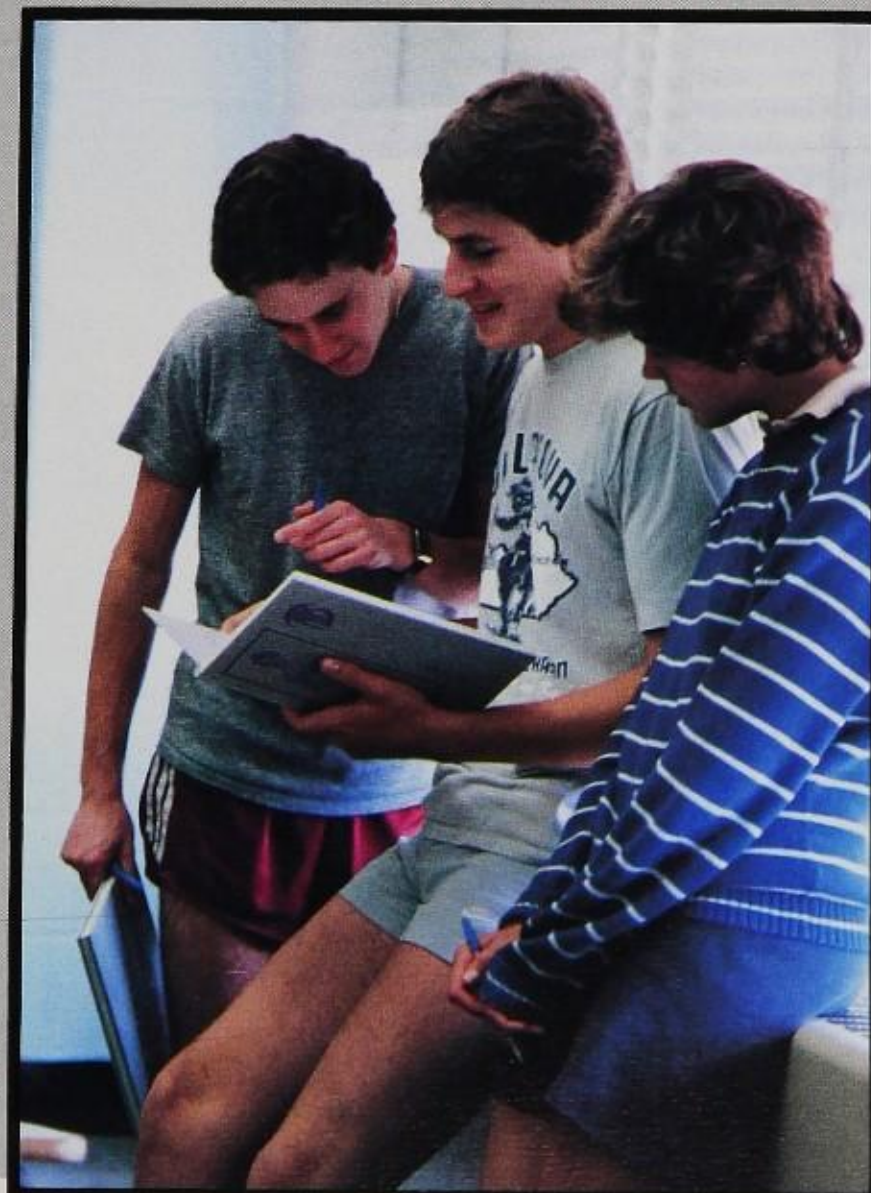

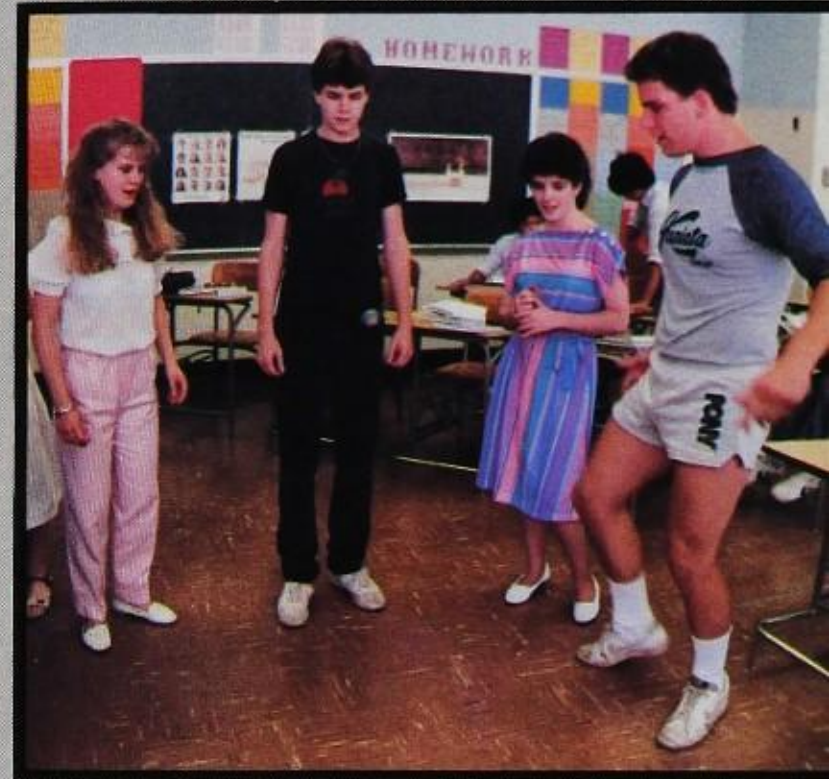

As we look to the future,
we hope that
the standards we have set
and the experiences
we have shared,
will help mold
future generations!

This Generation Works Hard To Help Ours

Mr. Dave Laise has been a dedicated "behind the scenes" worker since his first days at PAHS. Whenever you needed something fixed, last minute film developing, or just some helpful advise, he has been there at the ready.

His help in building props and scenes for the various school shows has meant a great deal to those students involved.

Beyond his help outside of class, Mr. Laise has been a very valuable adviser in class. His courses teach practical "real life" skills that we can take with us forever.

Mr. Laise, the class of 1986 salutes you!

Another "behind the scenes" worker, **Mrs. Naomi Minarcik** has been outstanding in her service to PAHS. Along with her co-worker Mrs. Helen Owens, Mrs. Minarcik ensures that PAHS runs as smoothly as possible. Her quick response to faculty and student problems alike have won her great acclaim from those who have had the pleasure of dealing with her.

Mrs. Minarcik serves so many roles in her capacity as school secretary. She can be a mother figure and a friend. She takes the time to cheer up anyone she comes in contact with, and everytime you leave the office, her pleasant "Have a nice day" rings in your ears and makes you forget what you were so troubled about in the first place.

Mrs. Minarcik, thank you for your valuable help and bright smile.

I Gotta Be Me

PAHS students are not just faces in a crowd. Each student contributes in his or her own individual way to make our school what it is. PAHS is not just a school of six hundred and fifty four people. It is a group of six hundred and fifty four unique personalities.

Because we have so many students with diverse interests, our school has avoided the stereo-type of containing a certain "kind" of student.

No one activity or group of people is considered better. Though we are individuals, it is the sum of the parts that makes the school function.

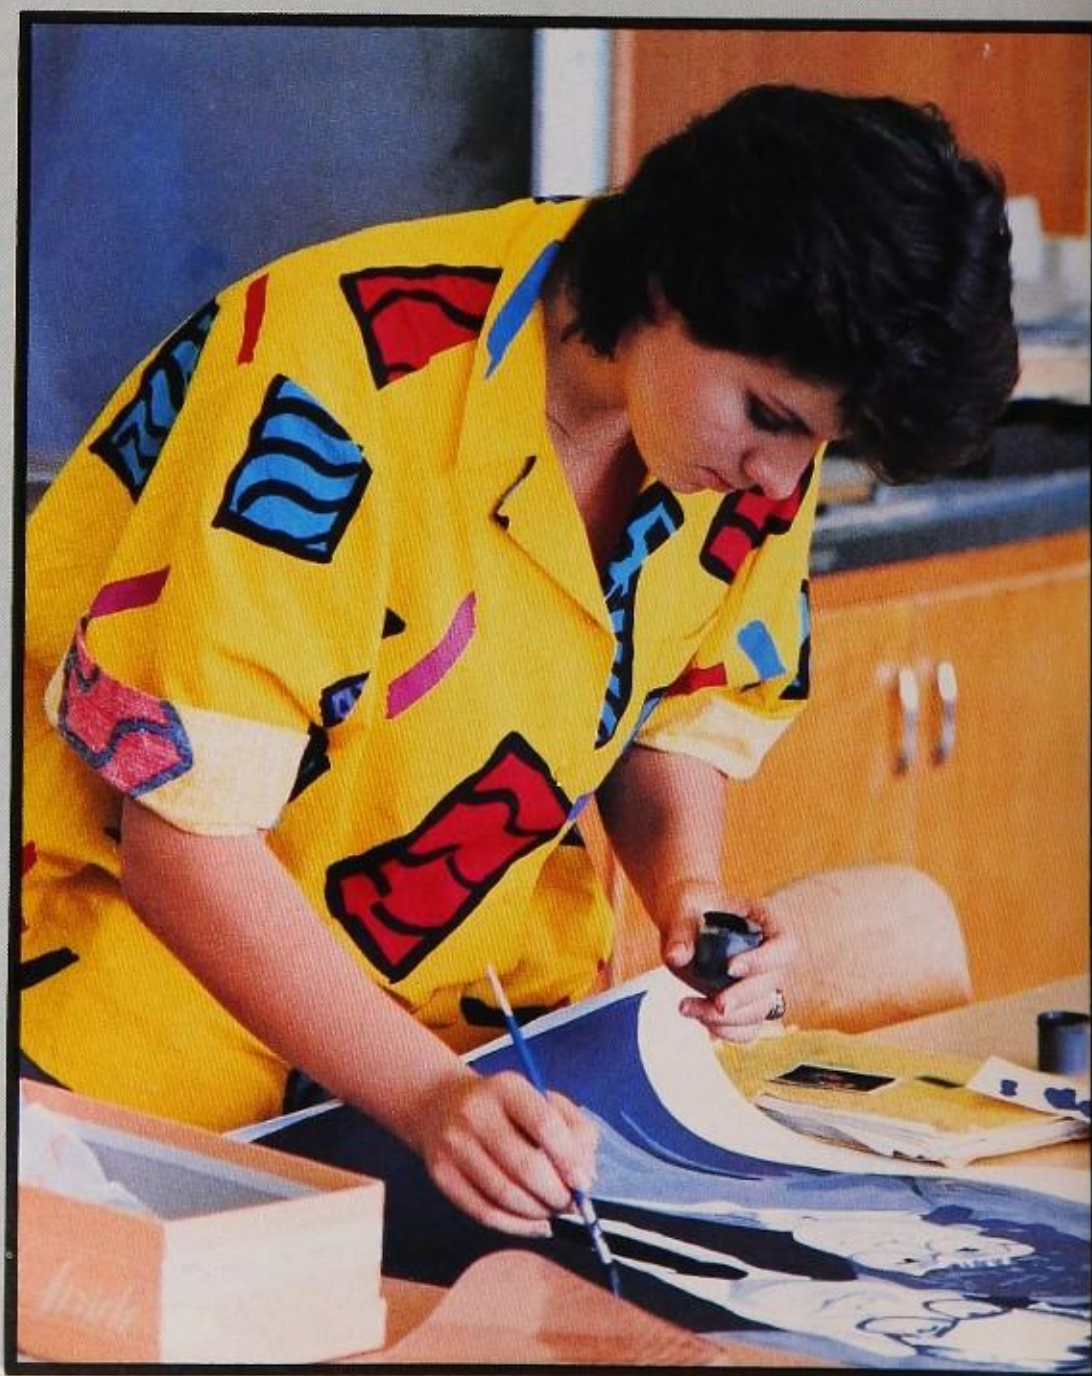

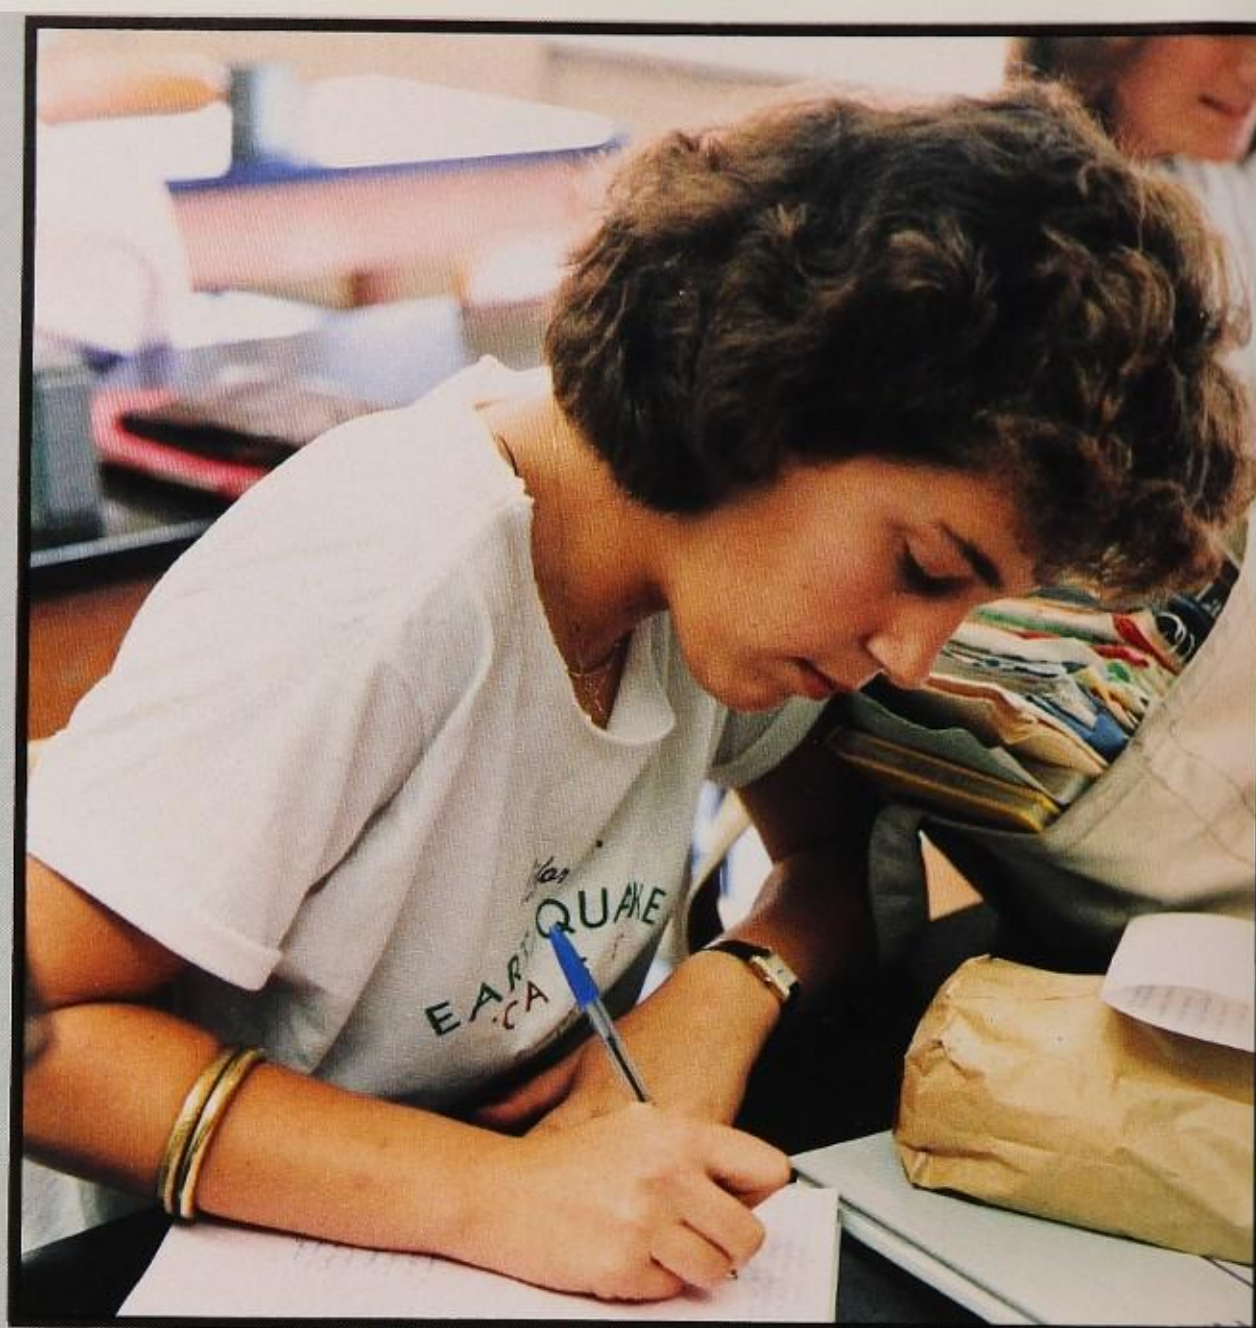

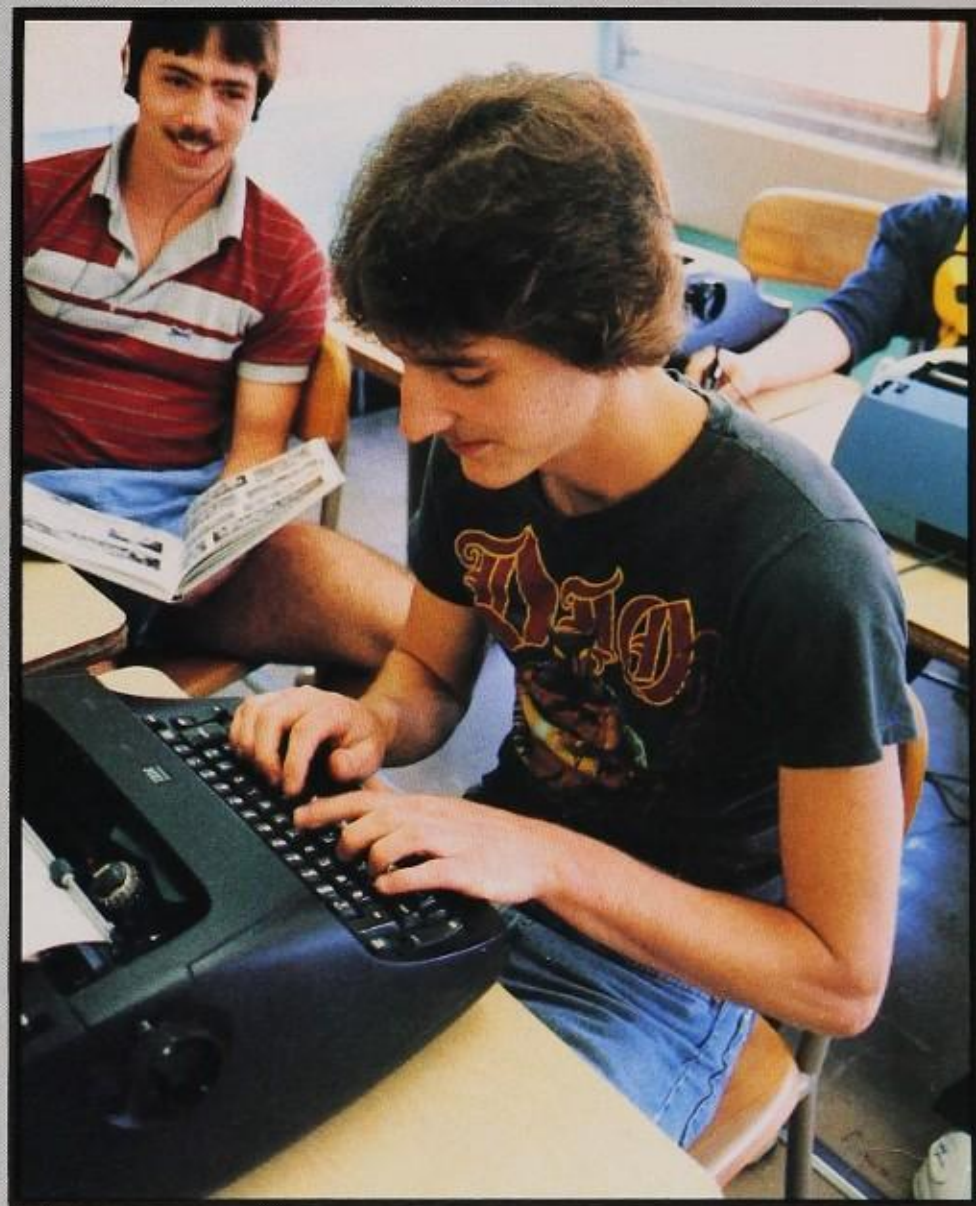

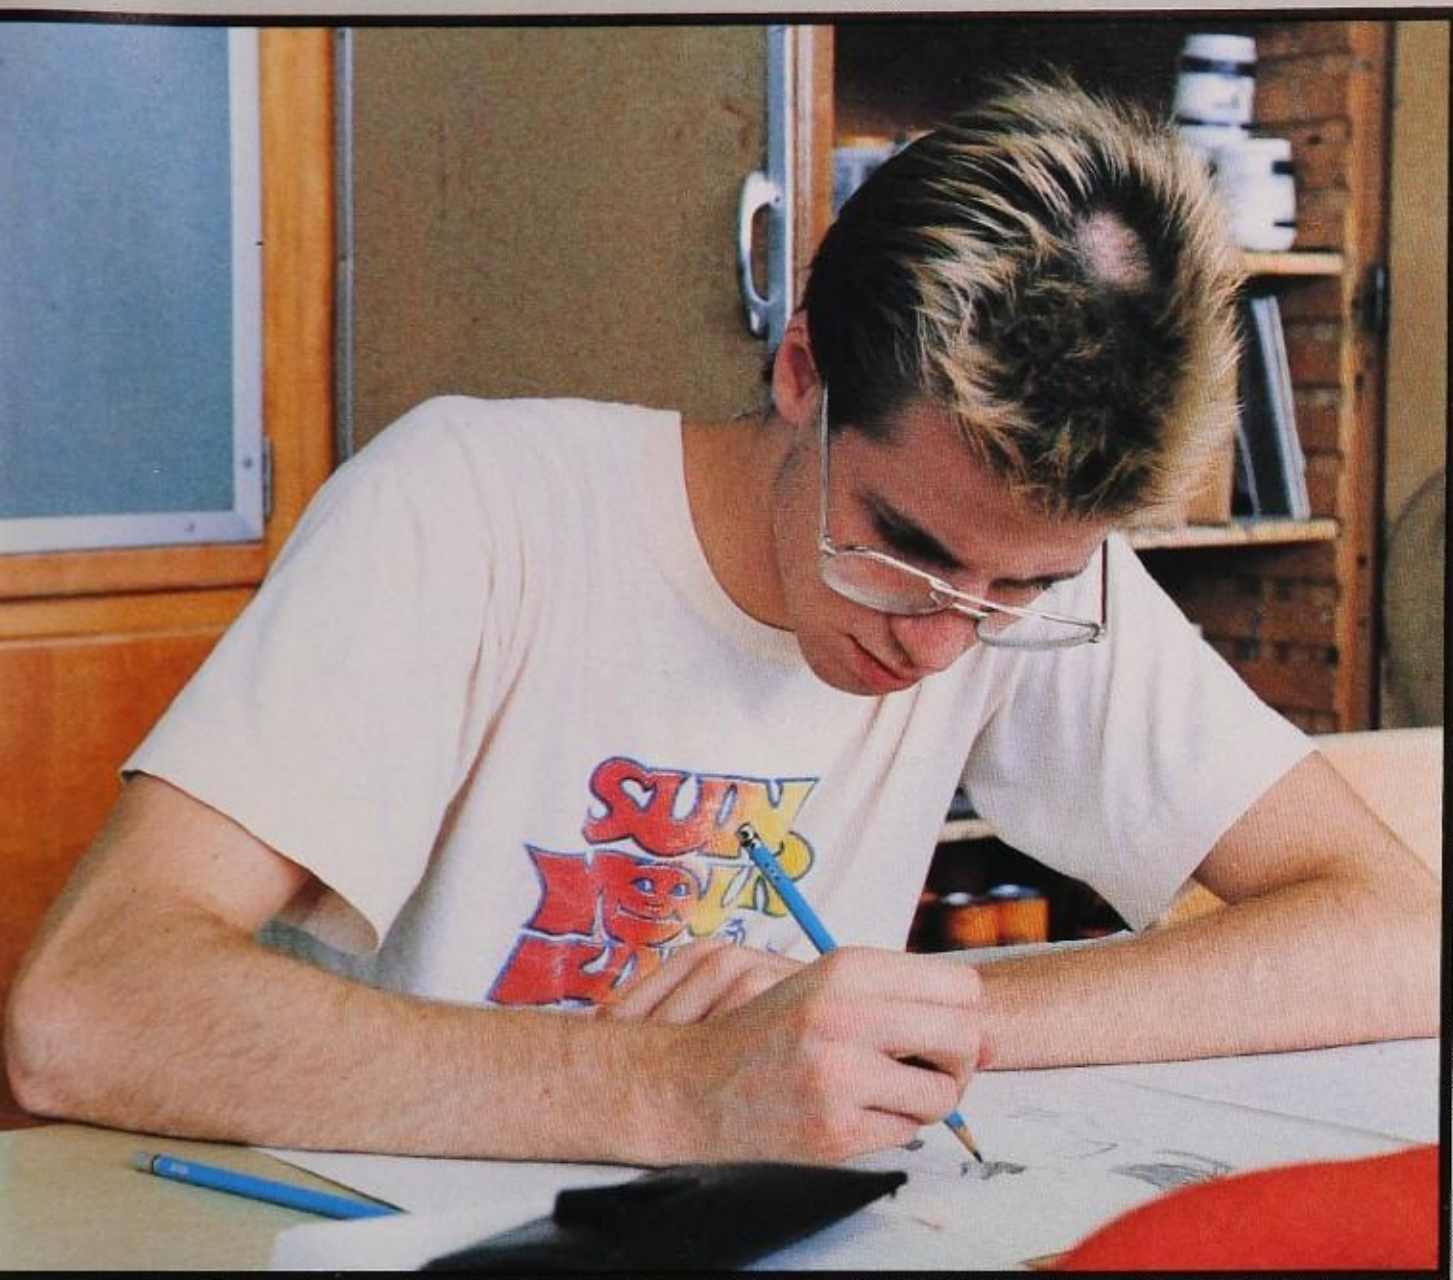

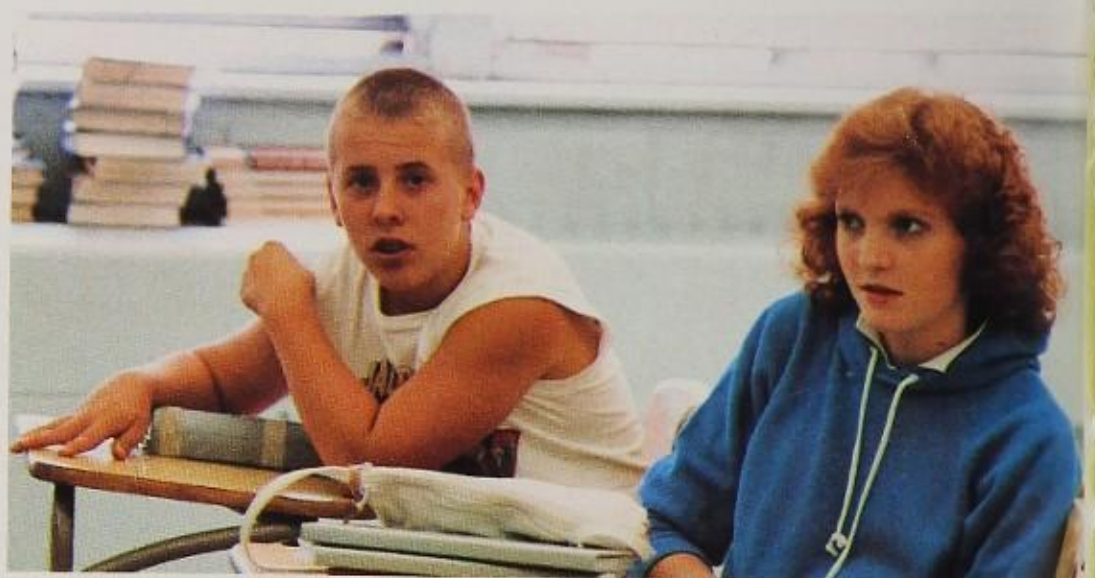

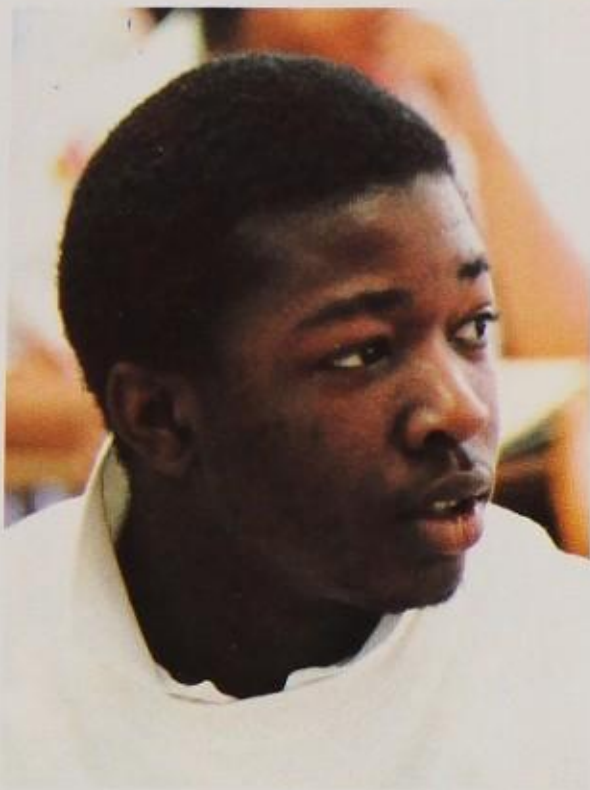

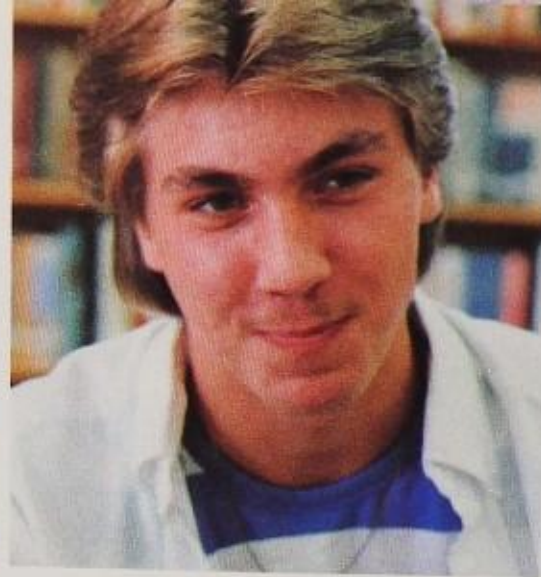

New And Improved

This years student is better than ever before. A major scientific break-through has enabled us to produce the best high school student ever.

Our new student works harder, performs better, and motivates others through his/her actions. You can see a display model of this new high school student at you nearest Phoenixville High School. Best of all, the only price you'll have to pay to acquire our "New and Improved" student is a little sweat.

Officers: Treasurer: Beth Trego, Vice President: John Hoehl, President: Kim Jefferis, and Secretary: Barb Bailey.

The Senior Class Council for the Class of '86 had another outstanding year. They sold cheese and sausage in September and did quite well. Their funds went toward color pictures in the yearbook, the senior banquet and other activities during the year. We were also able to have the Senior Lounge opened in October and had our first woman president, Kim Jefferis. Many members of the Senior class will be taking part in a spring cruise with our advisors Mr. Burkhardt and Mrs. Brethaur. Our thanks goes to both of you for your support and time.

Seniors In The New Generation

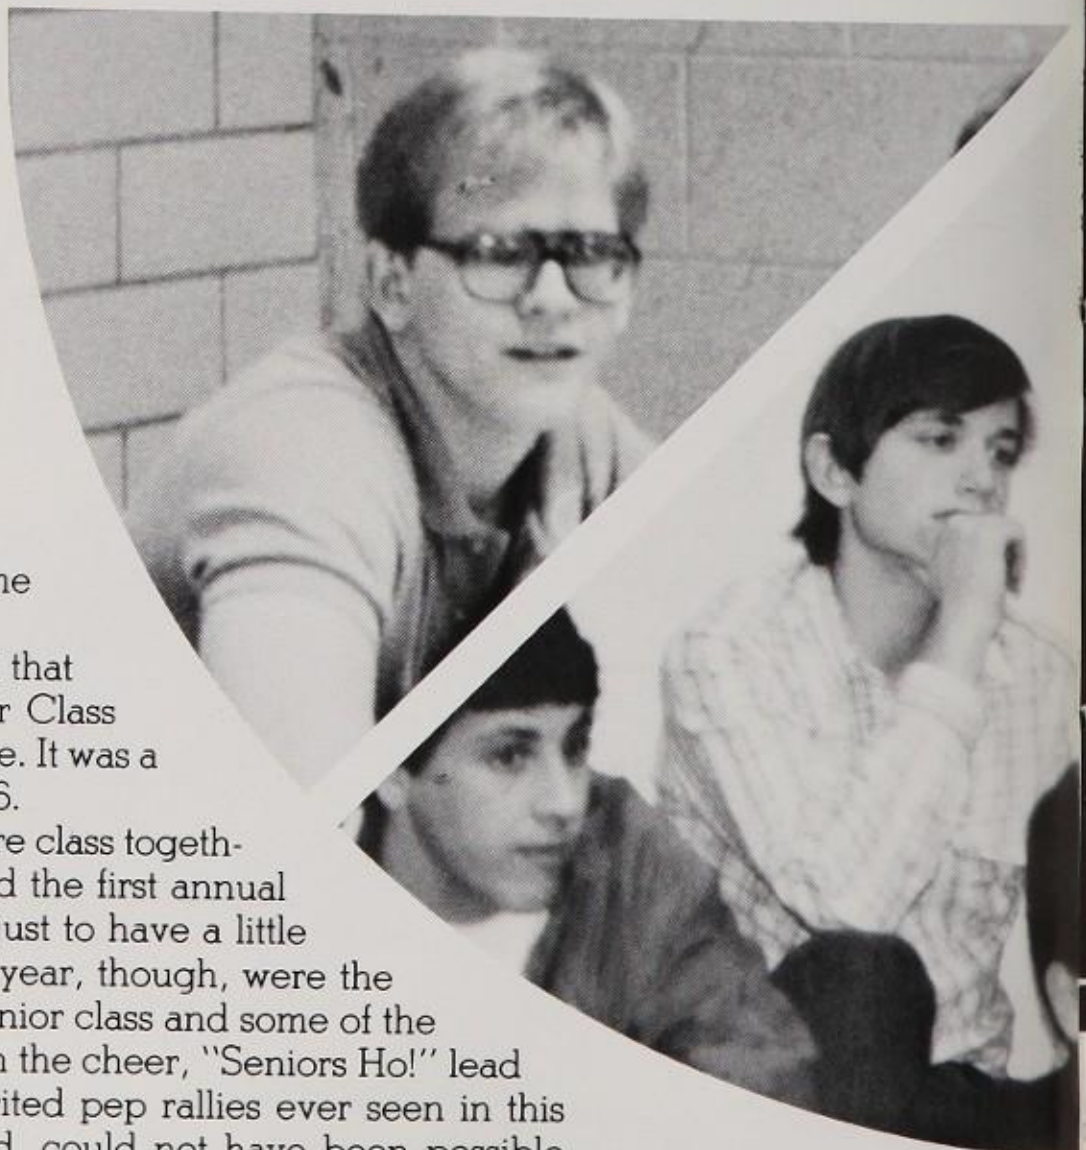

With the rise of the New Generation, the senior class of 1986 began new trends and strengthened old ideals. The class of '86 again participated in the Holiday Food Drive and, with the help of winning senior homeroom 224, the food drive was a success. Also successful in school competition, was senior homeroom 214 in the annual homeroom volleyball championships. Another complete success for the class of '86 was the cheese and sausage sale, which gave the seniors enough money to open the senior lounge at an early October date.

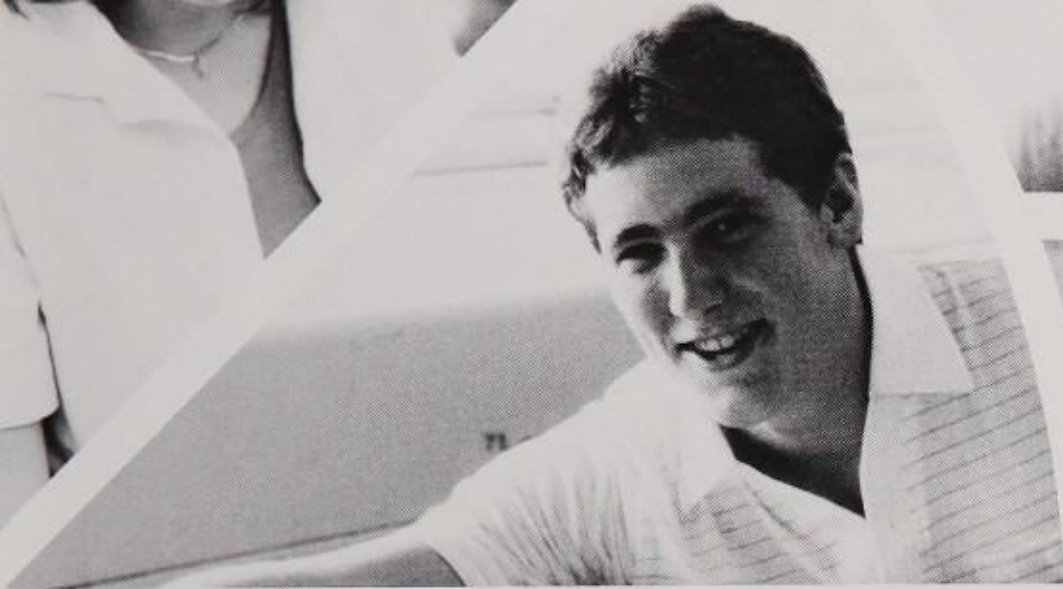

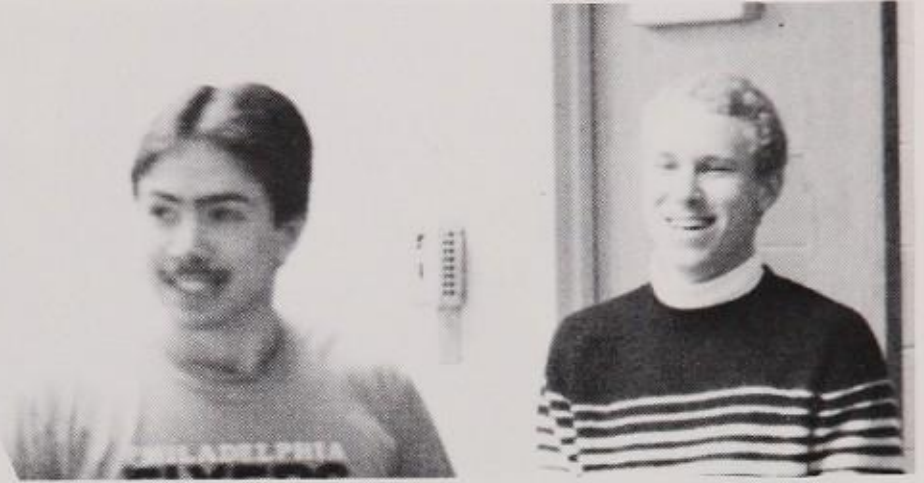

The senior Lounge was a haven for seniors who maintained a good academic average and exercised good school citizenship. The lounge was used by seniors to sharpen their ping-pong skills and participate in a little friendly competition. Other seniors went there to do some studying, or just to relax.

Studying was forgotten, and fun and relaxation were all that was on the seniors minds when they went on the Senior Class trip. This year was the first year that the seniors took a cruise. It was a fun trip that saw the bonding together of the class of '86.

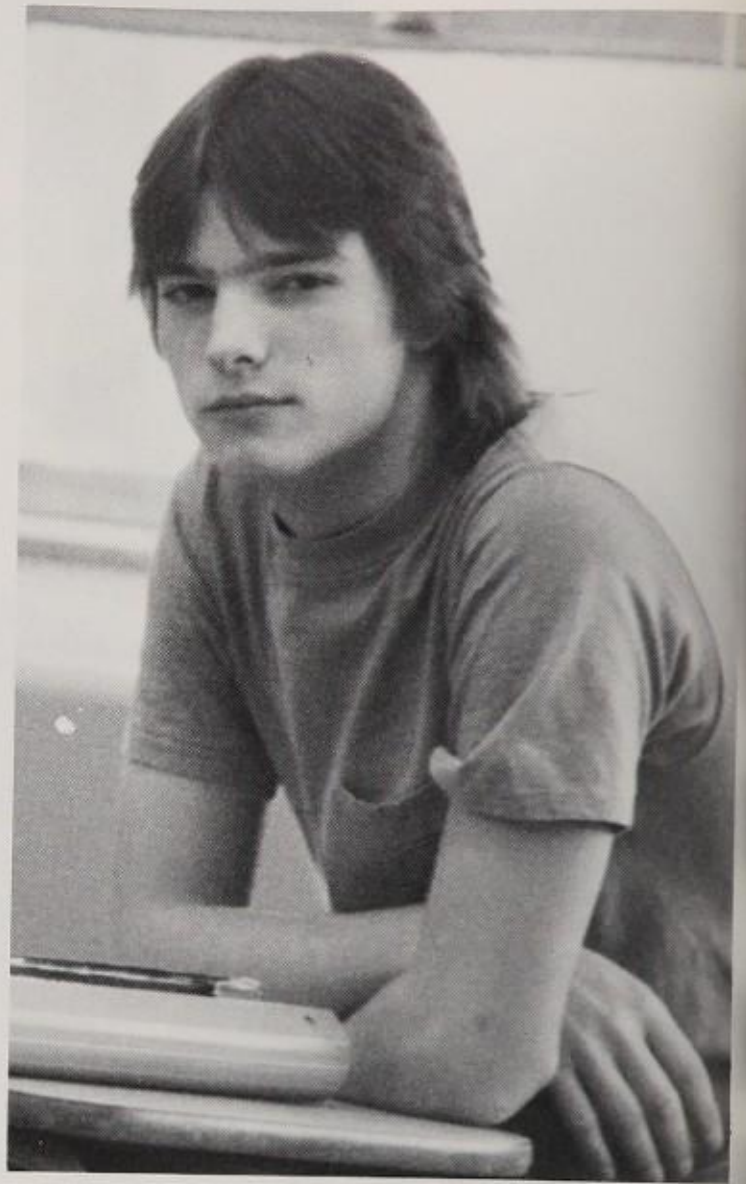

The **SENIORS HO!** organization helped bond the entire class together and encourage school spirit and pride. They organized the first annual *Senior Bum Day*, where seniors dressed down for a day just to have a little fun with their appearance. What really looked good this year, though, were the new Seniors Ho! T-Shirts, purchased exclusively by the senior class and some of the more spirited faculty members. The spirit that was found in the cheer, "Seniors Ho!" lead the seniors to win the competition cheer at the most spirited pep rallies ever seen in this school. The fun and excitement that the senior class had, could not have been possible without the tireless efforts of the senior class advisors **Mr. Burkhardt** and **Mrs. Brethauer**. For your efforts, the senior class of 1986 wishes to say, "Thank You!"

Best wishes to the class of '86, GOOD LUCK!

"I wish she would shut up!"

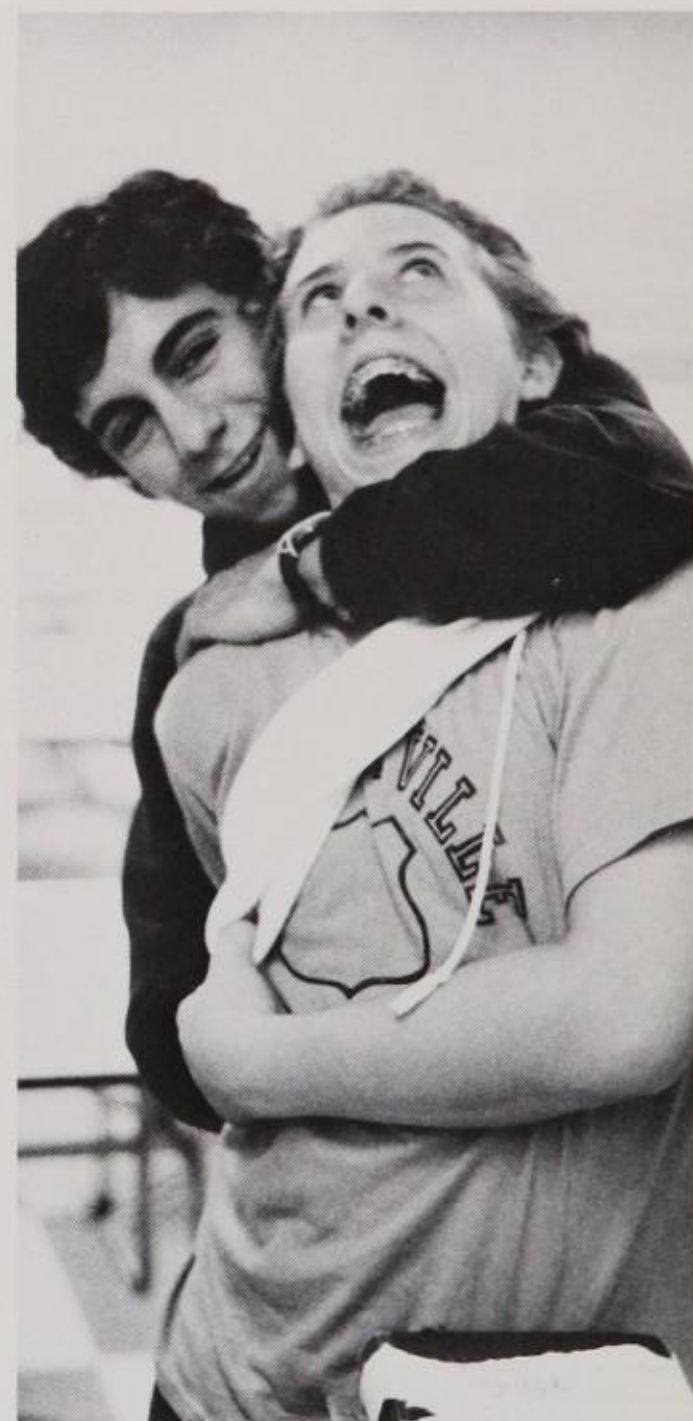

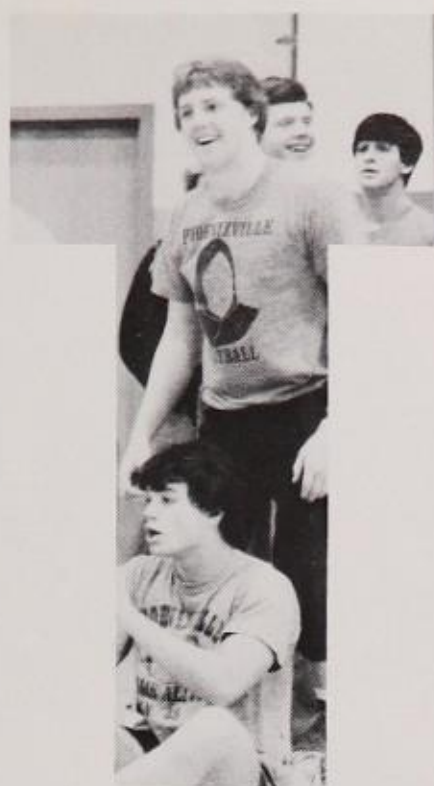

Director- Mrs. Vivan Good
Producer- Mr. Carl Burkhart

Webster defines a senior as "a person in the graduating class." In this case it will be the Class of '86. Seniortis is a disease exclusive to seniors, and it's condition worsens until the only cure is given, graduation. This disease is not found in medical journals, nor discussed in health class, but it's symptoms are found throughout the senior class. An increasing number of seniors attend classes late, there is also an increase in the number of classes missed due to sleeping in late or an afternoon of golf. Study habits, if any are given less attention, or neglected completely. And the senior develops an "I don't care attitude."

But don't look upon this disease with a sad heart, it is a time for us to go wild. Nobody can understand this condition unless they themselves are seniors. We have made the most of our last few months of high school. And with each tick of the clock graduation nears, and the twelve years of trials, tribulation, and boredom will be over. The disease will be cured and we can go on with our lives without having to face this terrible condition again.

THE JOURNAL

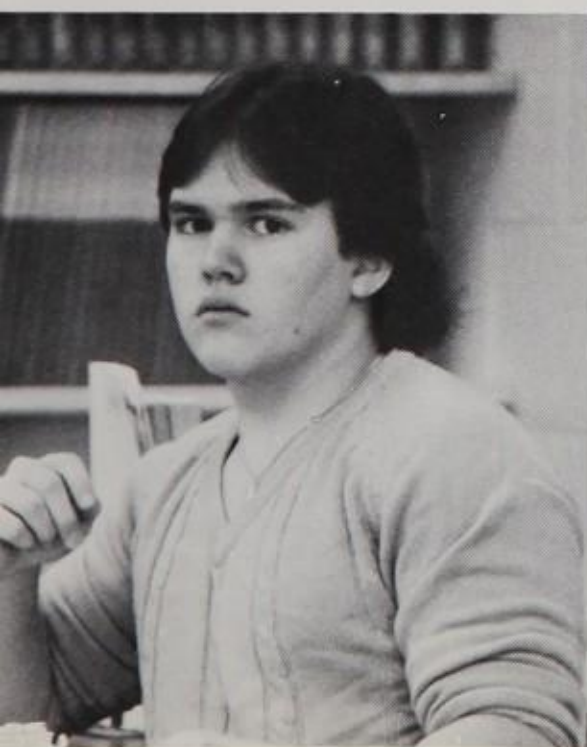

Juniors in the new generation. A generation of new clothes, good music and great times.

Our clothes vary. Some of us dress to impress and some of us don't care who we impress.

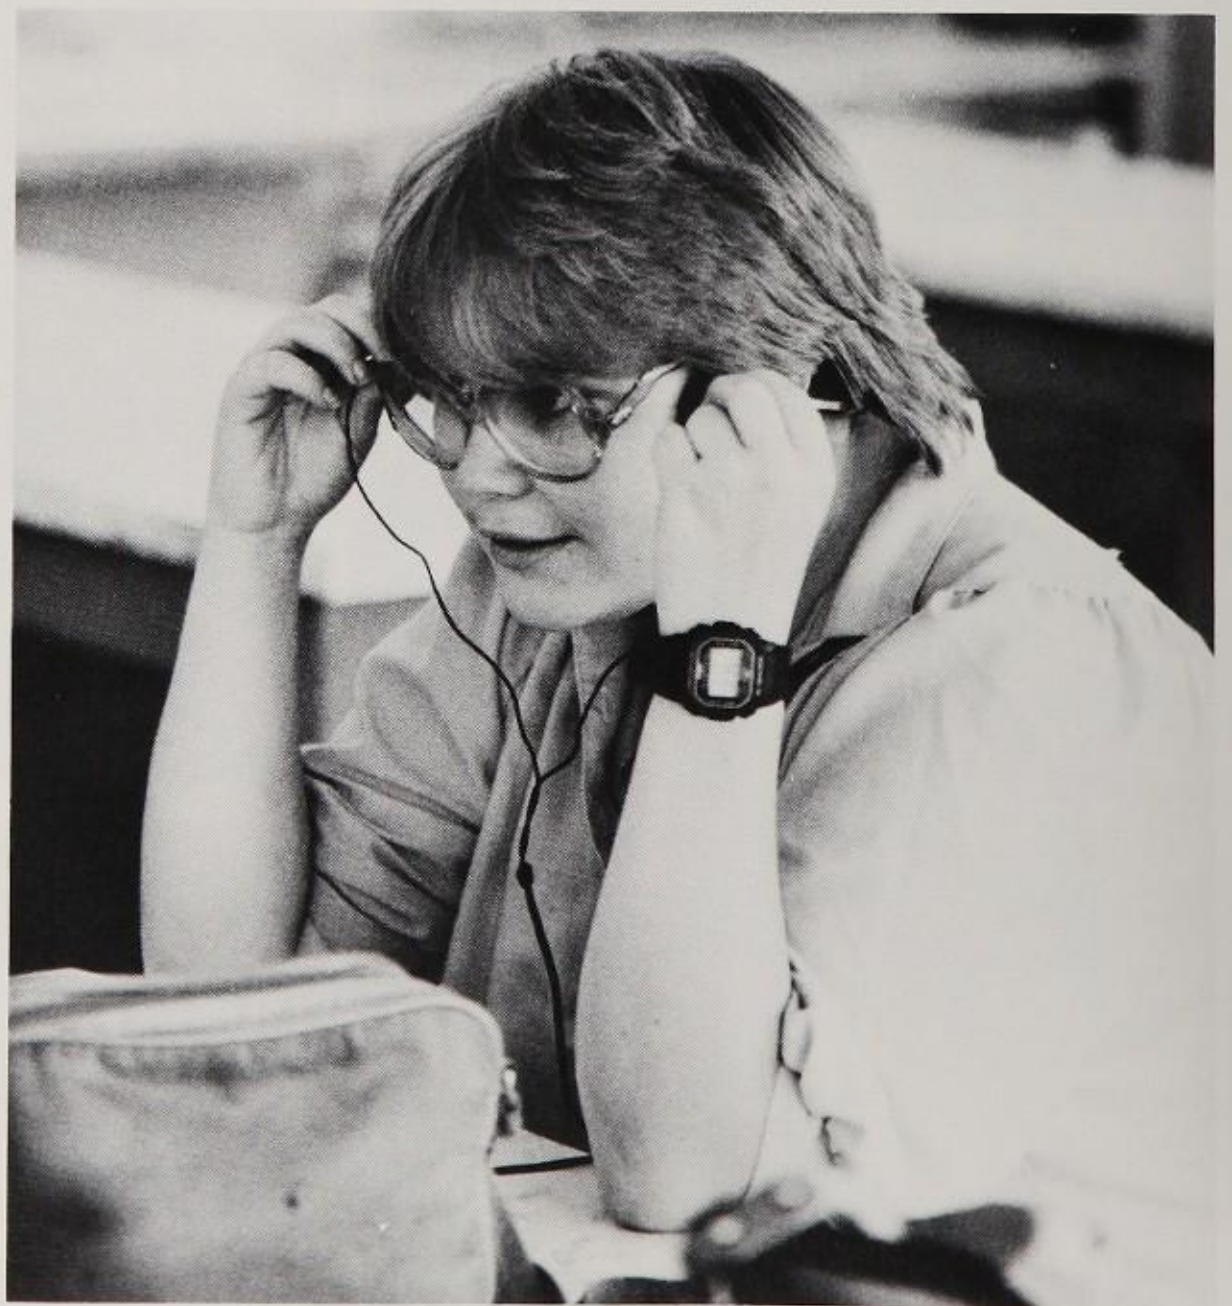

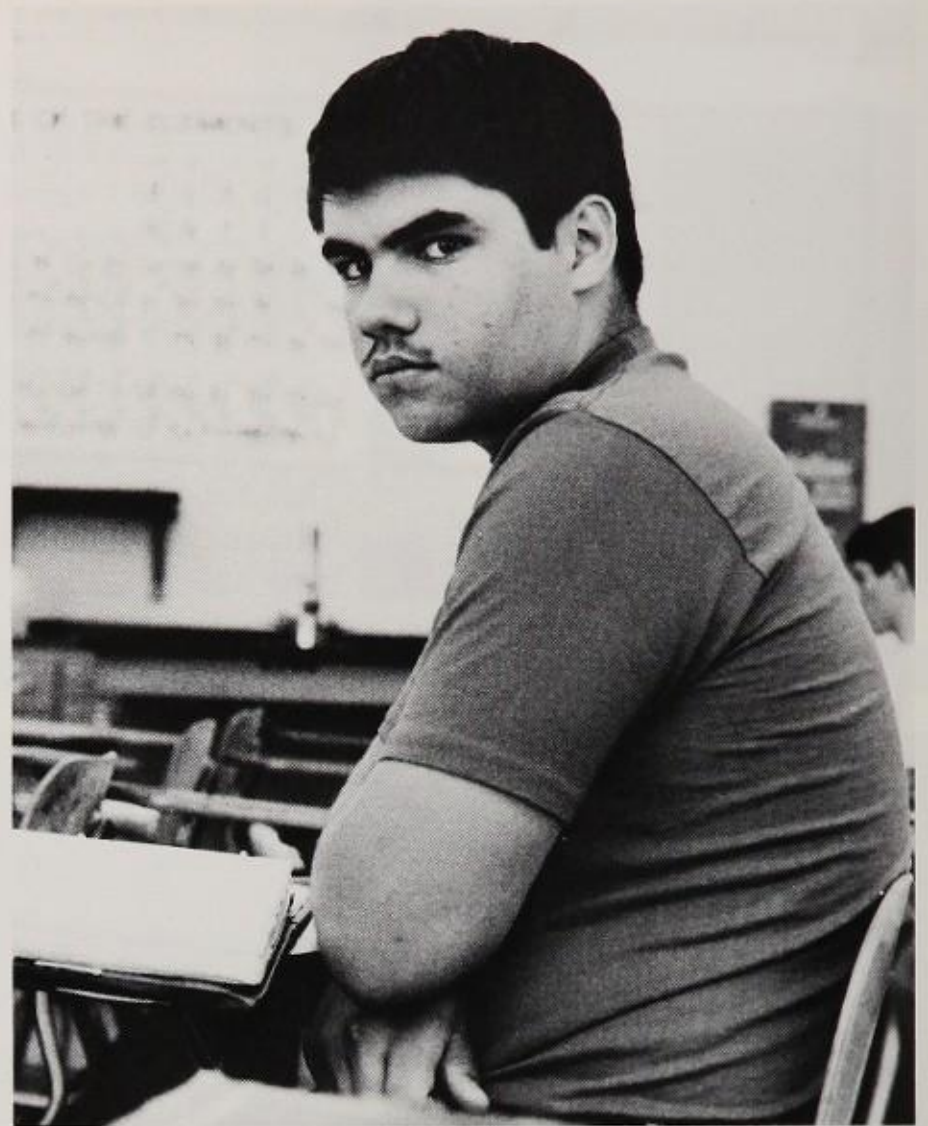

When it comes to music none of us agree but we all know its something we all need. Its the only thing we will listen to.

We have a class that does things together, has fun together, and sticks together when times get tough. We will always remember the good times we had together.

Don't mess with the man!

All geez guys no picture please.

SOPH'S

The logo consists of the word "SOPH'S" in a bold, black, serif font. It is centered on a light gray, three-dimensional banner that appears to be draped or folded. The banner has a subtle texture and is set against a solid black background. To the left of the banner, there are several horizontal white lines of varying lengths, suggesting a railing or architectural element. The overall composition is minimalist and modern.

Looking back from elementary school and junior high we've gone through many changes and there's more in store for all of us. The sophomores in the new generation are setting goals which they will work toward and some day finally accomplish. But as a whole we are trying to better ourselves. We are realizing that in sports and other things it is a group effort. Everyone must contribute in order to get what they put into it. We are also learning to adjust to the changes we so often run into and we are making them easier to handle. We are now seeing that we must work to accomplish all of our goals. If we haven't started working yet, this is where we start.

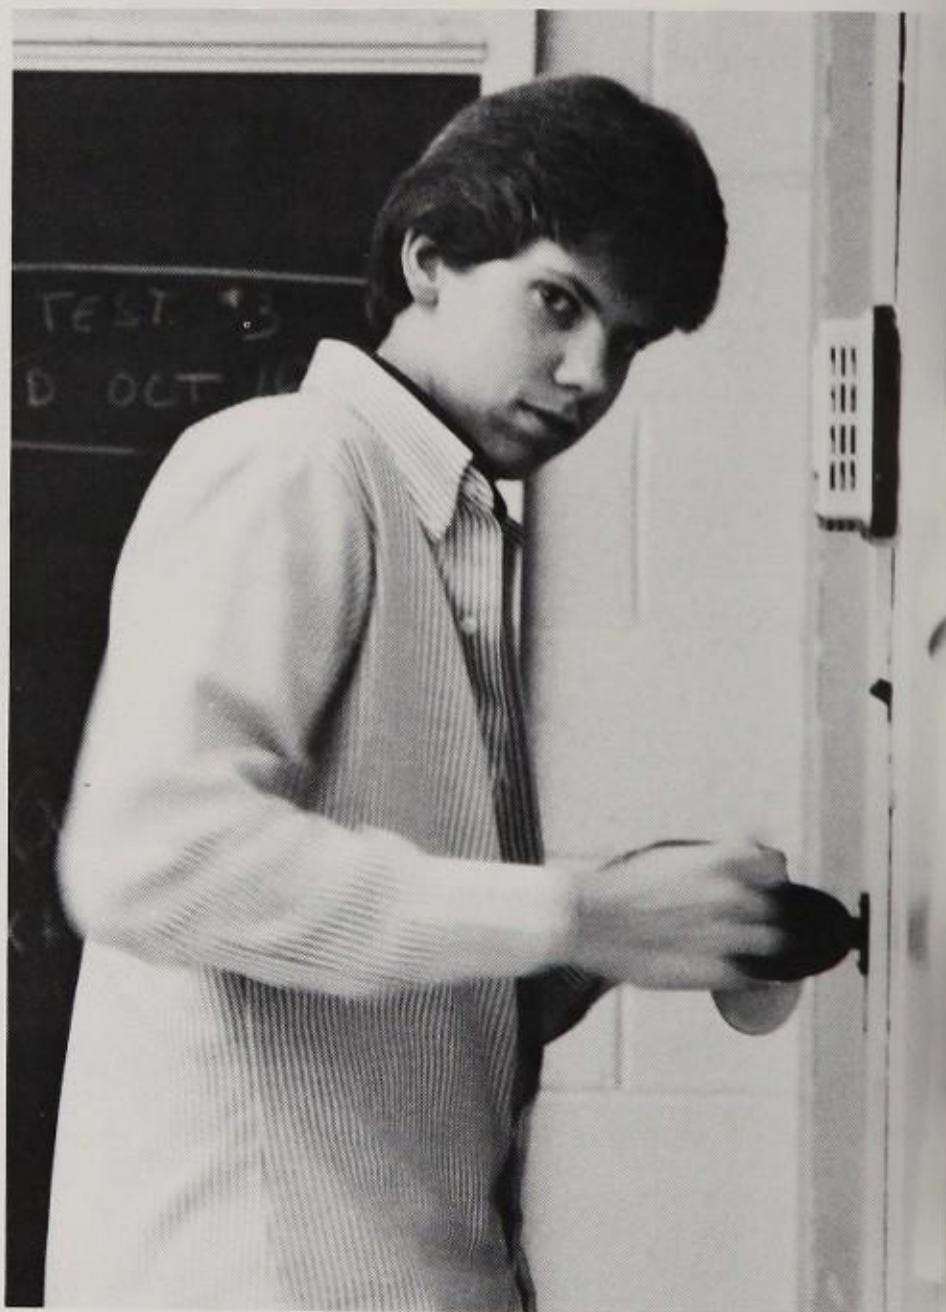

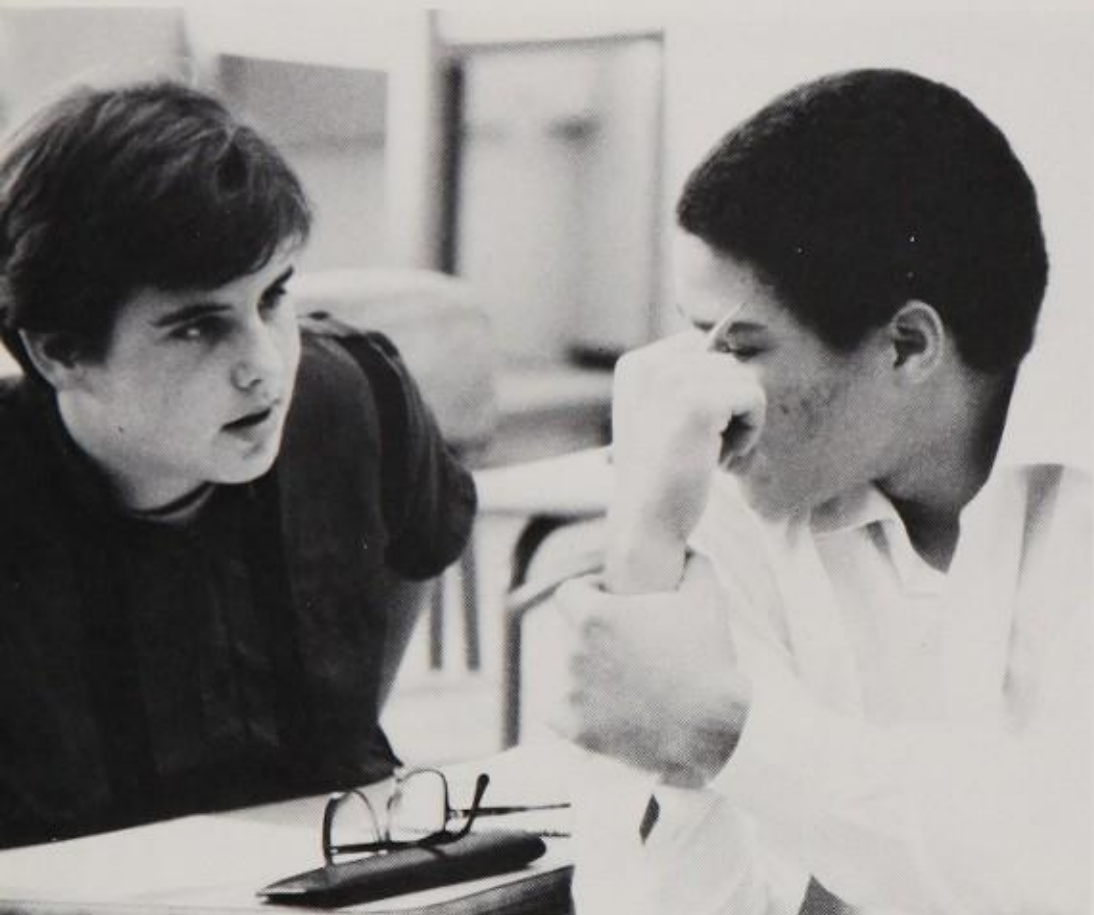

We will soon be part of a much larger and more extreme society. This is visible in school now. There are certain exclusive circles of people called cliques. One clique may be the jocks. If you haven't noticed, they all wear Rebocks. As you can see, they come in handy. After they talk about Saturday's game in the halls, they need some good sneakers for the sprint to make it to class on time. The second clique may be the girls who follow the first clique's every step, usually the cheerleaders. Then there is the clique where they all have plastic watches. We still haven't figured out how to read them, but we have to have one to be part of that clique.

Finally, the long twelve years we've all dreaded is quickly coming to an abrupt end. We are all realizing that we must make the best of the two years we have left. The sophomores are preparing for these last two years and trying to make the best of our many years of work.

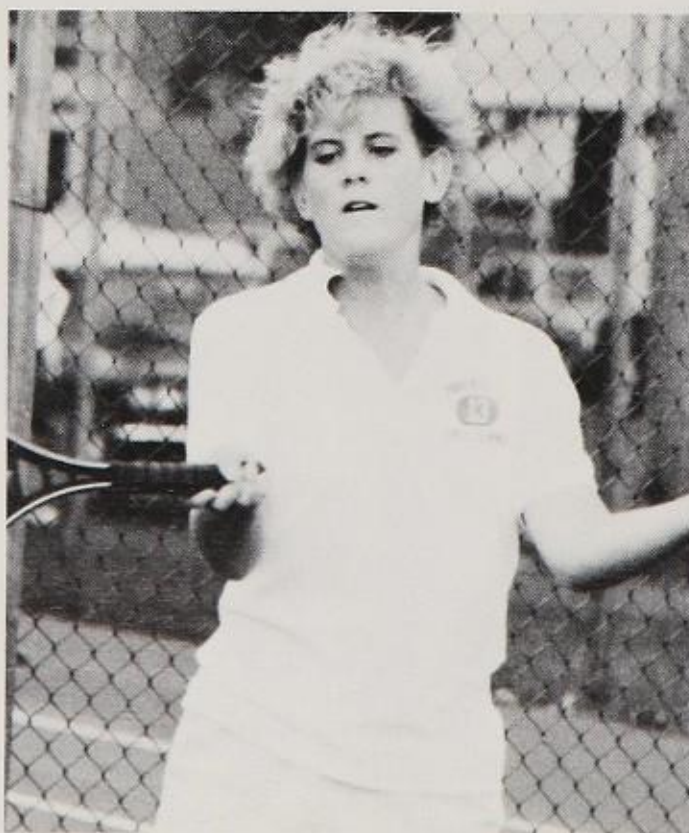

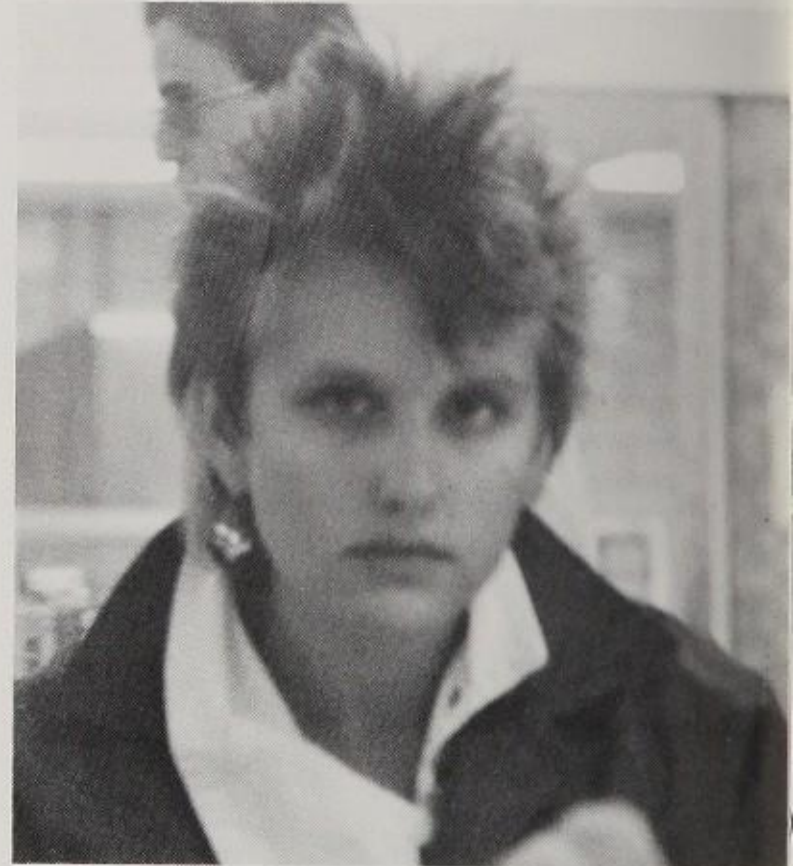

SOPHOMORE CANDIDS

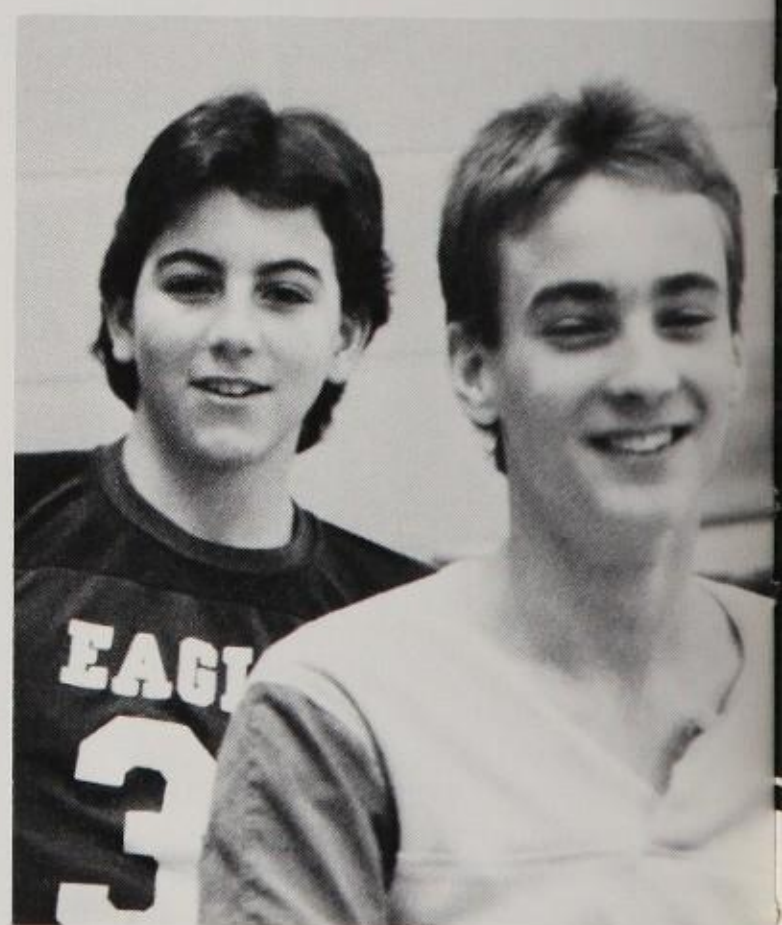

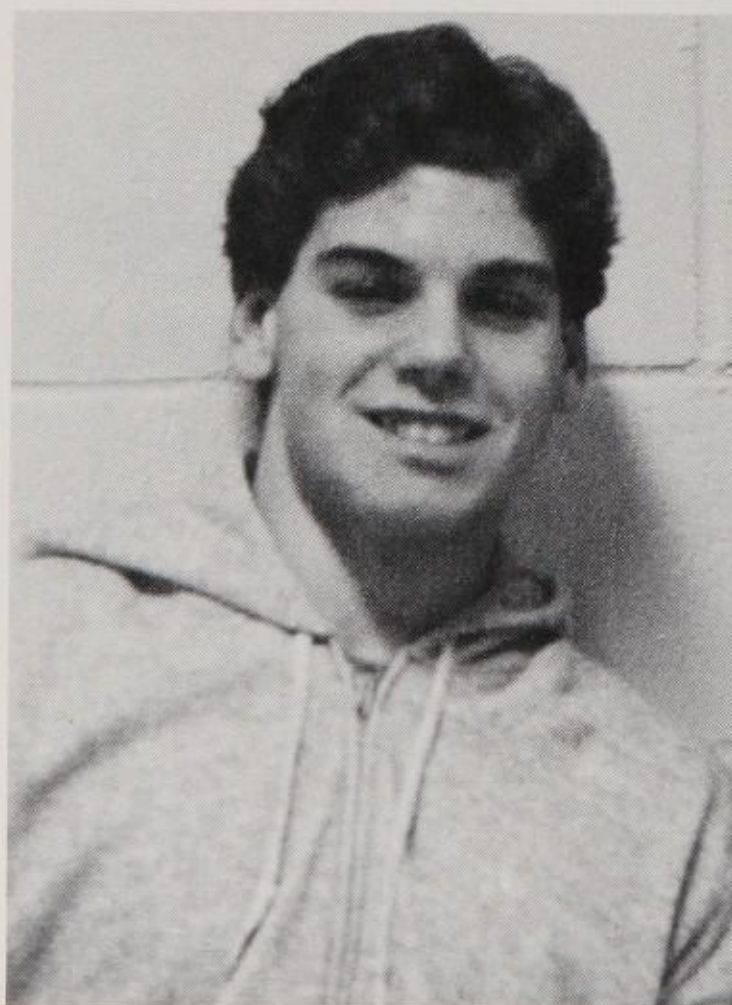

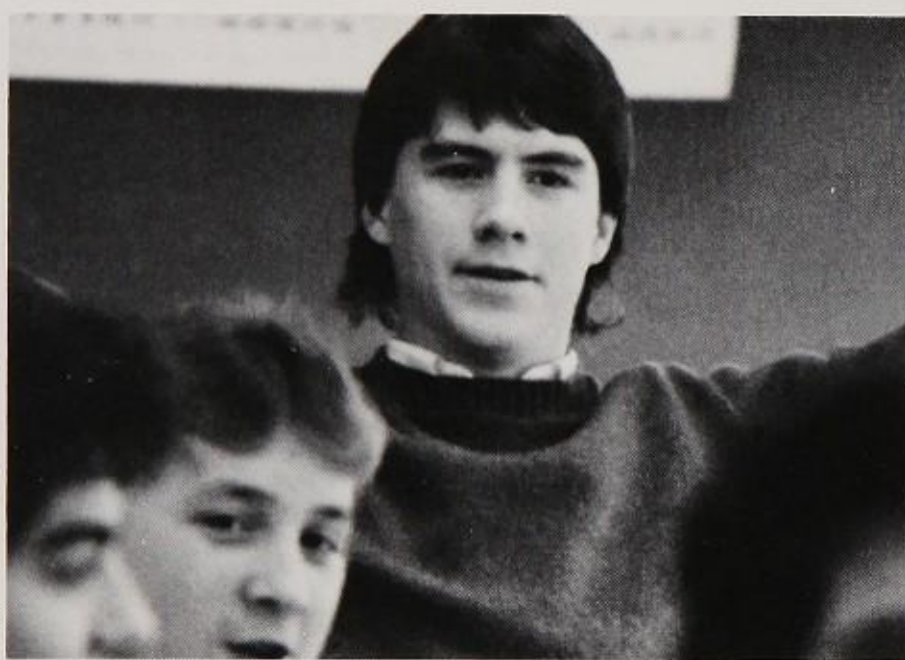

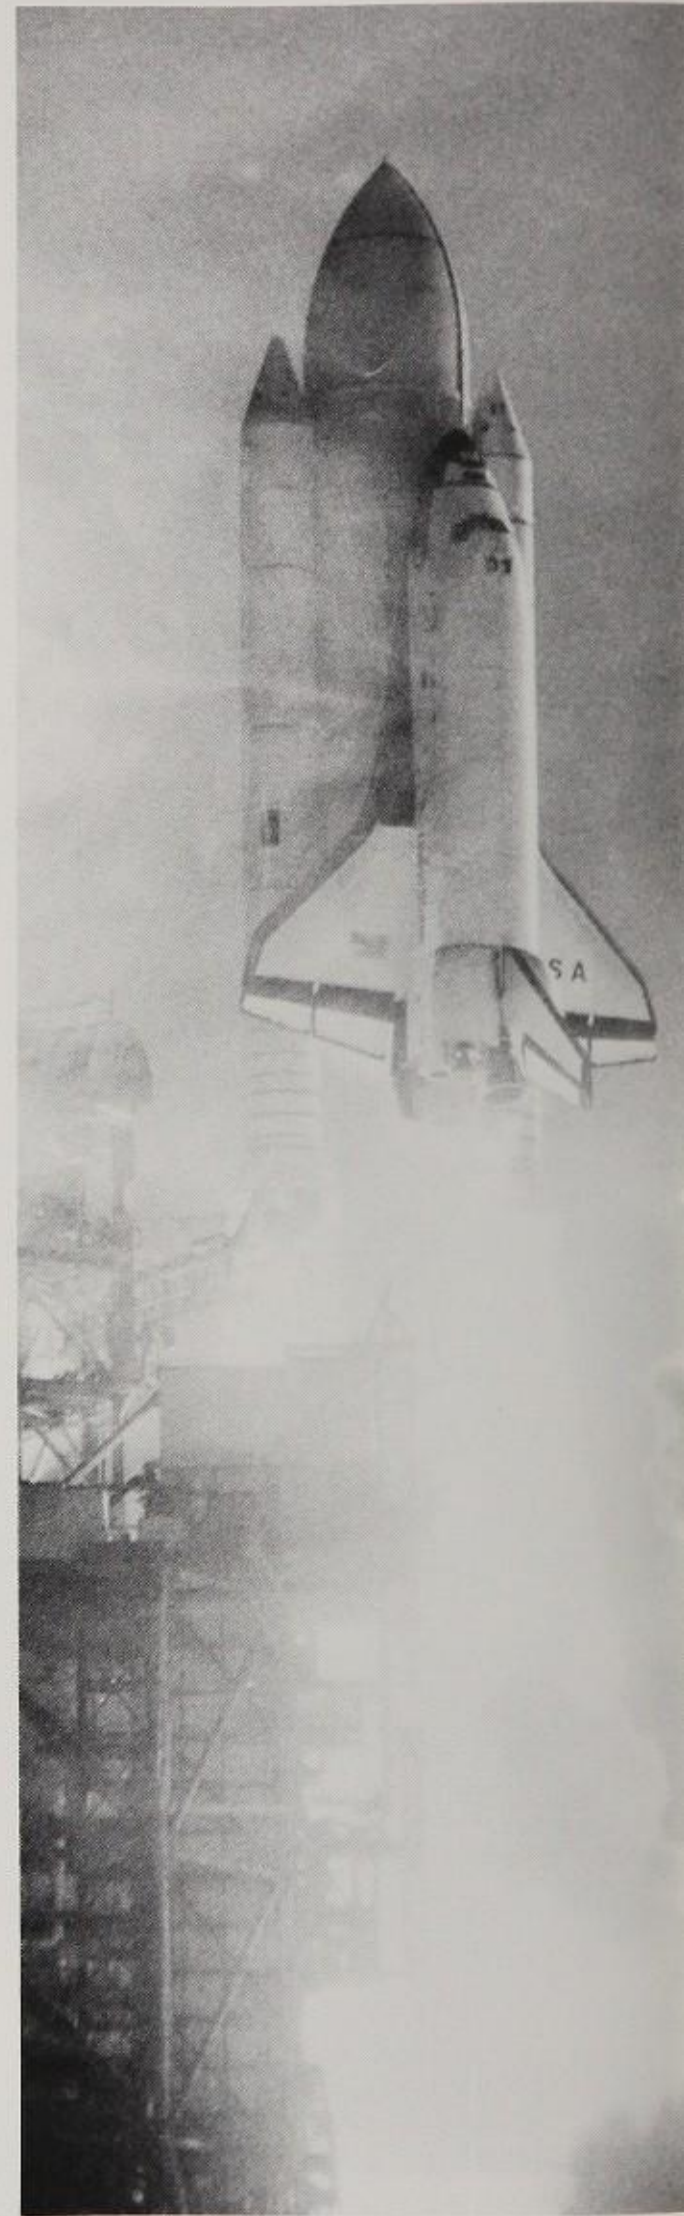

FEATURES

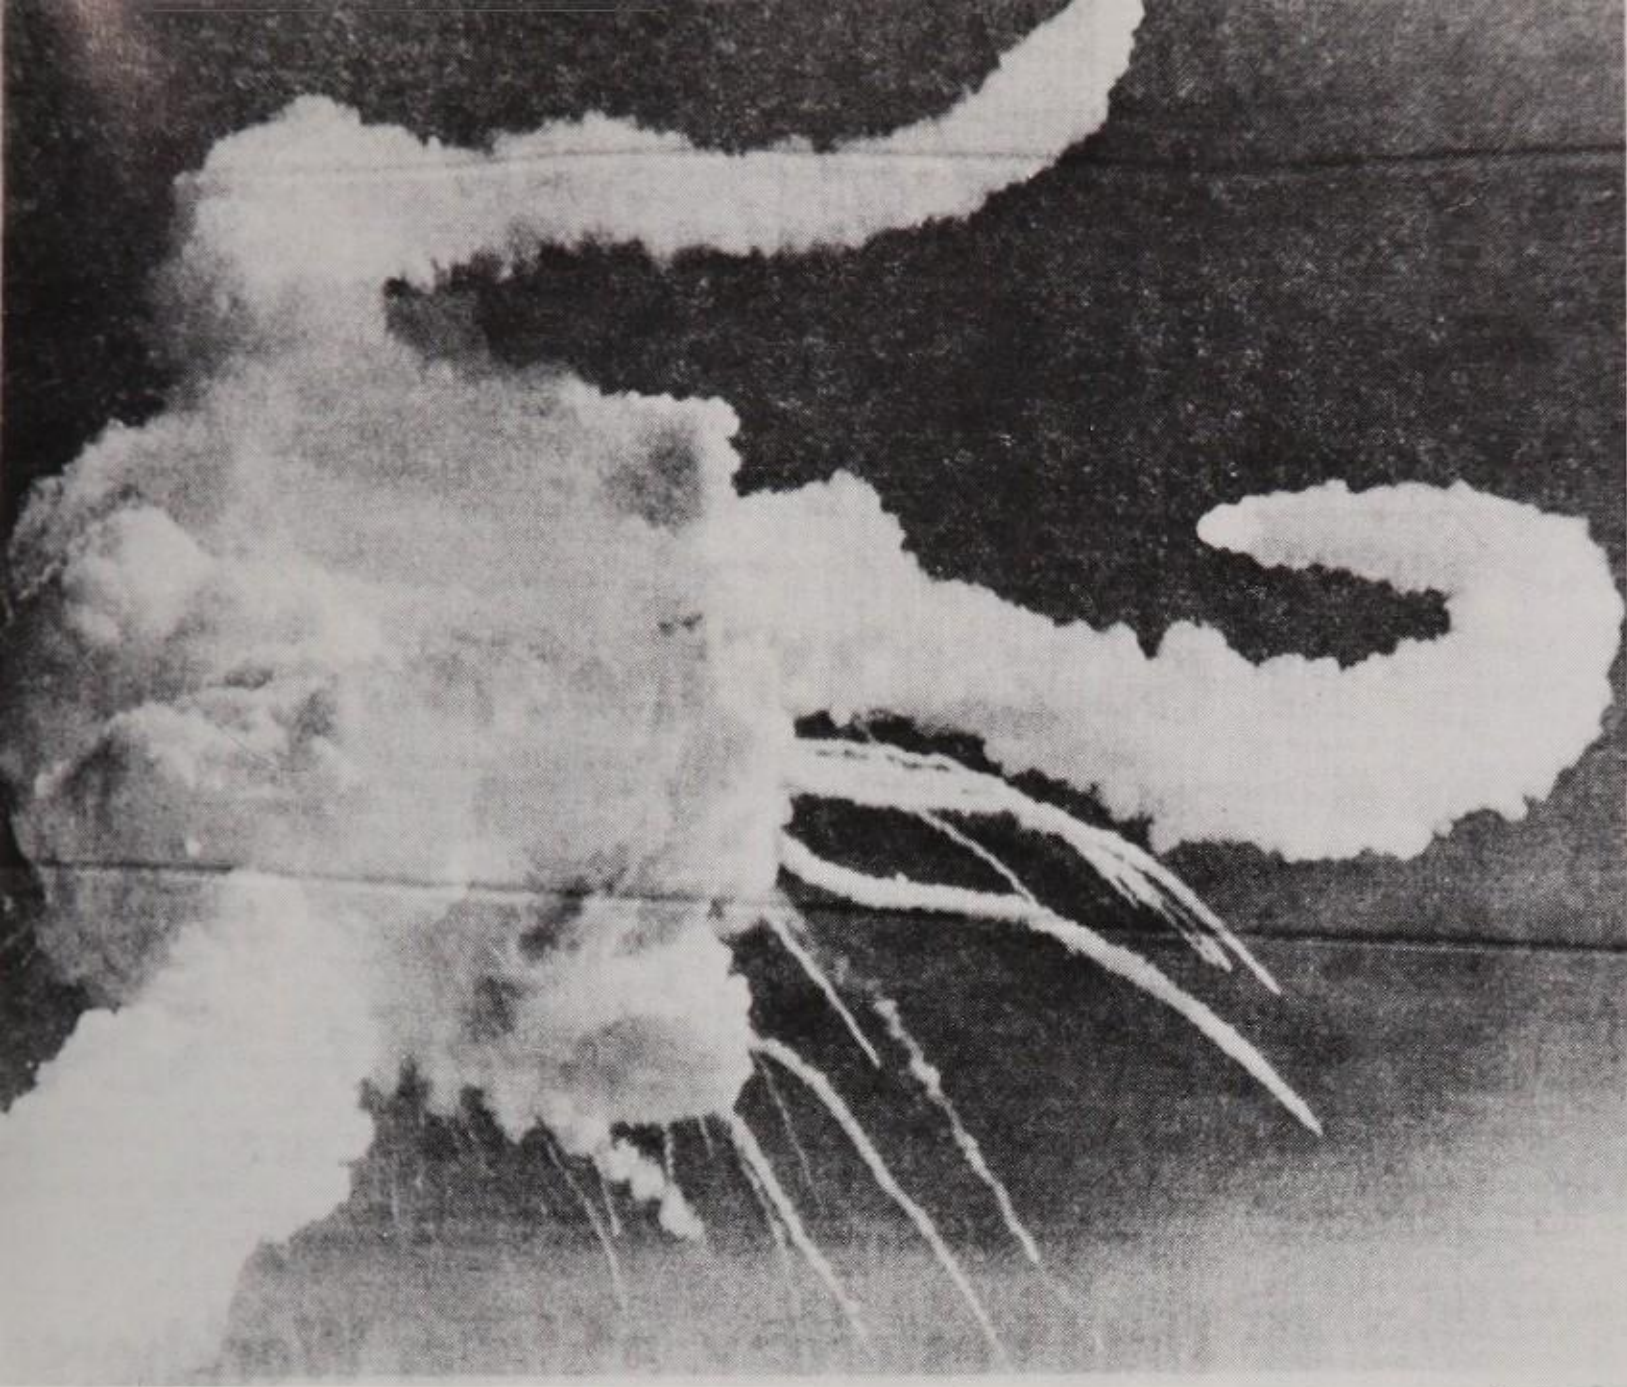

Space: The Final Frontier

On January 28, 1986, six astronauts and the first teacher involved in the Space Shuttle project perished 73 seconds after take-off. Millions of Americans watched in disbelief as Challenger disappeared and "slipped the surly bonds of earth to touch the face of God."

The crew of Challenger consisted of commanding officer, Francis Scobee; mission specialist, Judith Resnik; pilot, Michael Smith; mission specialist, Ellison S. Onizuka; payload specialist, Gregory B. Jarvis; and the first teacher chosen to go into space, Christa McAuliffe.

Many explanations have been offered, but the true cause of this tragedy remains unknown. But as President Reagan stated only hours after the tragedy, "We'll continue our quest in space. There will be more shuttle flights and more shuttle crews and, yes, more volunteers, more civilians, more teachers in space."

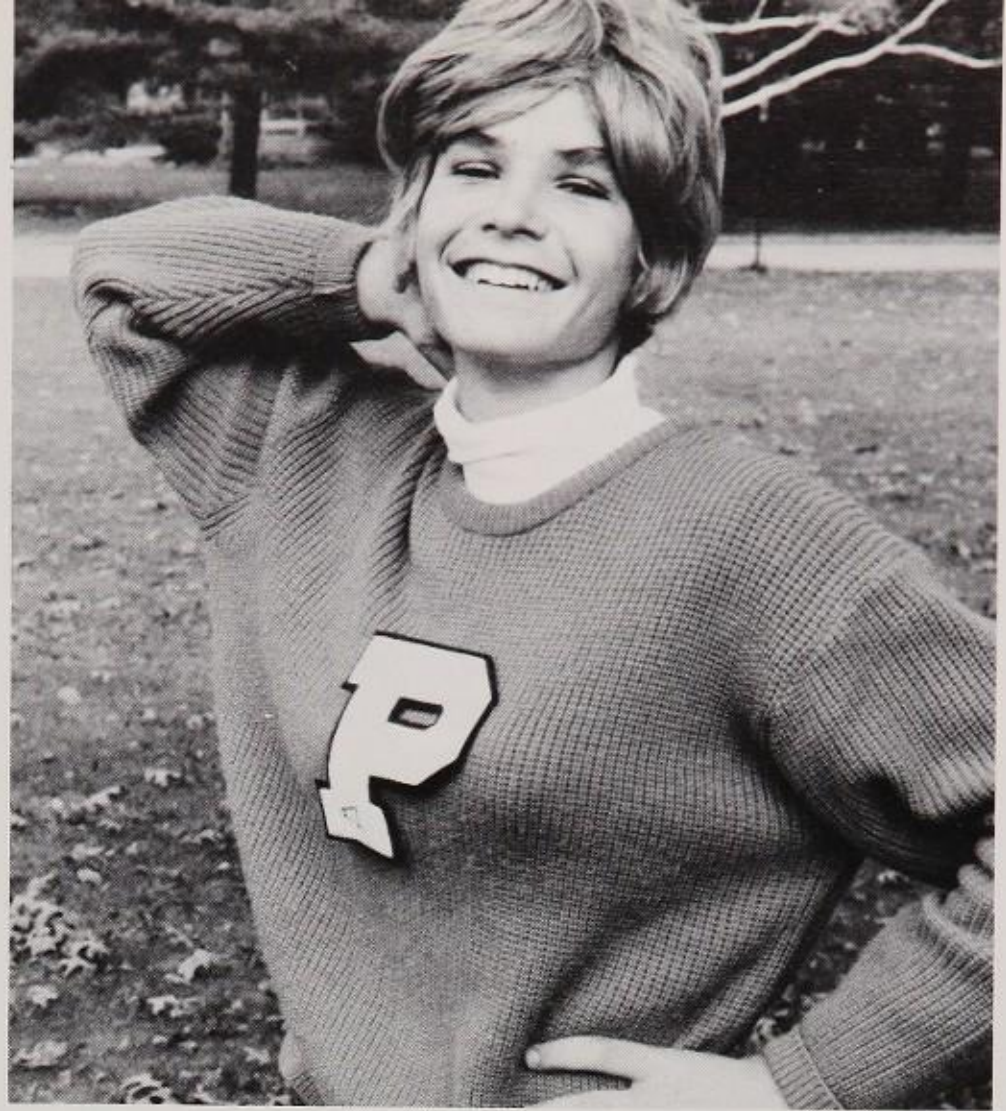

This years halloween went over quite well. Although we didn't have a large number of students dress up, those who did were very creative. Dan Phillips and Jeff Breitingner particularly enjoyed being prize female specimens. For those of you who didn't dress up this year, start thinking about a costume for next year. You never know, you could win \$5 and get your picture in the yearbook.

HALLOWEEN

Our 1985 Homecoming was Phoenixville's first Homecoming under the lights. At halftime our queen, **Kim Jeffris** (center) was crowned. Members of the court included (on this page) Senior representatives, **Tenley Masters** and **Beth Zahorchak**. Junior representatives (top of next page) were **Sharon Gordon** and **Lori Way**. And last but not least are our Sophomore representatives, **Katie Fifer** and **Chris Moore**. Mrs. Clara Bay Thornton, a well respected 1962 Phoenixville graduate was our guest of honor. The Phantoms did a GREAT job defeating West Chester East, and we celebrated the win with a dance immediately following the game. On behalf of the student body, a big Thank You to Homecoming Chairperson, **Colleen Keane**, Assistant Chairperson, **Beth Emery**, and all members of the Homecoming Committee for their many hours of hard work and dedication in making this years Homecoming a great success.

HALL OF FAME

OLYMPICS

Another One Rides The Bus

For years, teenagers everywhere have tried to discover the best excuse for not having to ride the bus.

"But, Mom, I overslept and can't go to school until I finish my oatmeal."

"Of course you can't, Tommy. I'll drive you today."

Victory. Tommy smiles. But, who in his right mind would use the oatmeal excuse every day?

Susie has achieved the ultimate "how not to ride the bus" excuse. She loses things. Every morning, a relentless family search is launched for her homework, her missing shoe, or her geography book. The item is mysteriously found just as the bus drives past Susie's house.

These mavericks have paved the way for a new generation of school bus dodgers.

Alternatives to automobile transport include bike riding or walking. Those fortunate few who have older brothers and sisters are automatically saved from bus riding, especially when the ride is contingent on a threat not to tell about last Saturday night's party.

If all else fails, anxious teenagers can fake an injury that will ensure special attention. Or, they can just throw themselves on the floor and beg for mercy.

Regardless of the seemingly endless efforts, there will be times when you are forced to ride the bus. Maybe all of the family cars are in the repair shop. Or, maybe you've just become battle weary and have decided to surrender.

In their second year of existence, the PAHS Academic Competition Club faced many tough opponents. The club, consisting of 2 Seniors, 7 Juniors, and 1 Sophomore, traveled to other schools in the area to compete. Also, as an added feature this year, the Academic Club held one of their matches right here in the PAHS auditorium. Hopefully, in the years to come, there can be more matches held here. Until then, Good Luck you "Whiz Kids" — and keep on thinkin'!!

Key Club

Officers (1 to r): Janet Hnatin, Secretary; Cindy Badman, Vice President; John Hoehl, Treasurer; Matt Steadman, President; Michelle Gaydos, Lt. Governor.

The Key Club is a service organization advised by **Mr. Aurand** that helps to raise money for groups such as the Danny Grias Scholarship Fund and several other school awards. Some of their fund raisers included selling peanuts and collecting Quaker Oats Granola Bar wrappers. Stockings were made and distributed to the needy children during the holiday season. They also gave the faculty members carnations to commemorate Key Club Week. The 1986 Key Club provided an important service to the school and community.

Yearbook Staff

In November, a small select group of dedicated students were drafted into completing this yearbook. They spent endless hours working after school with pictures, croppers, orange pencils and Mr. Nick scrutinizing their every move. Gradually things began to fall in place as the staff got more proficient with every deadline. Ideas began flowing and they created a masterpiece that will be remembered until the end of time, or your first tax bill, whichever comes first. The enjoyment extracted from this unforgiveable experience will be remembered with the utmost fondness.

Thanks, to our many fans, well-wishers and supporters!!!-

Band

Main Guard: L to R: Jennifer Beatty, Cindy Badman, Tenley Masters, Denise Czukski

This year's Phantom band has had an extremely busy year. Starting two weeks before the first day of school they worked on their field show for the competitive season ahead. The season came to an end with an eighth place win in the Independence Conference at the State Competition under the direction of **Mr. Hahn** and assistant direction of **Mr. Solick**. The band also participated in many other cavalcades and parades. This year for their annual band trip, from March 4-8, they went to Walt Disney World in Florida. The trip was funded by the band's many hoagie sales and annual play-a-thon. Congratulations to **Barb Amalong** who made districts. The band officers, appearing at the right are Drum Major, **Kel-lee Kandrick**; Drum Line Cpt. **Keith Souder**; Sr. Class Officer, **Rob Levengood**; President, **Brett O'bara**; Soph. Class Officer, **Heidi Linsinbigler**; Tres.; **Marianne Detwiler**; and Jr. Class Officer, **Sheryl Mason**.

Choir

Choir Officers: L to R: Jen Schindler, Secretary; Missy Powers, Treasurer; Tenley Masters, President; Chris Sciallo, Vice President.

The 1986 PAHS Choir, under the direction of **Mr. George Myers**, has had a very profitable year. Again the choir delighted many with their two annual concerts, the Holiday Candlelight Concert, and the Spring Concert. Both concerts were highlighted by solos, singing, and dancing. The choir also performed for local rest homes, area clubs, and elementary schools. As in years before, the choir had an exchange with another school. The choir from New York visited Phoenixville, and our choir returned the visit in New York. This year, two of our choir members were chosen to district chorus. They were Senior, **Janet Hnatin**, and Junior, **Beth Strausser**.

SPORTS

Cross-Country Sprints To Undefeated Season

Winning the championship was particularly satisfying because of the total team effort involved — at different points in the season, five different Phantom Harriers held the number 1 spot on the team — **Andrew Conner, Blaine Rutter, Mike Zahorchak, Bernard Hampton, and Rob Weinmann.**

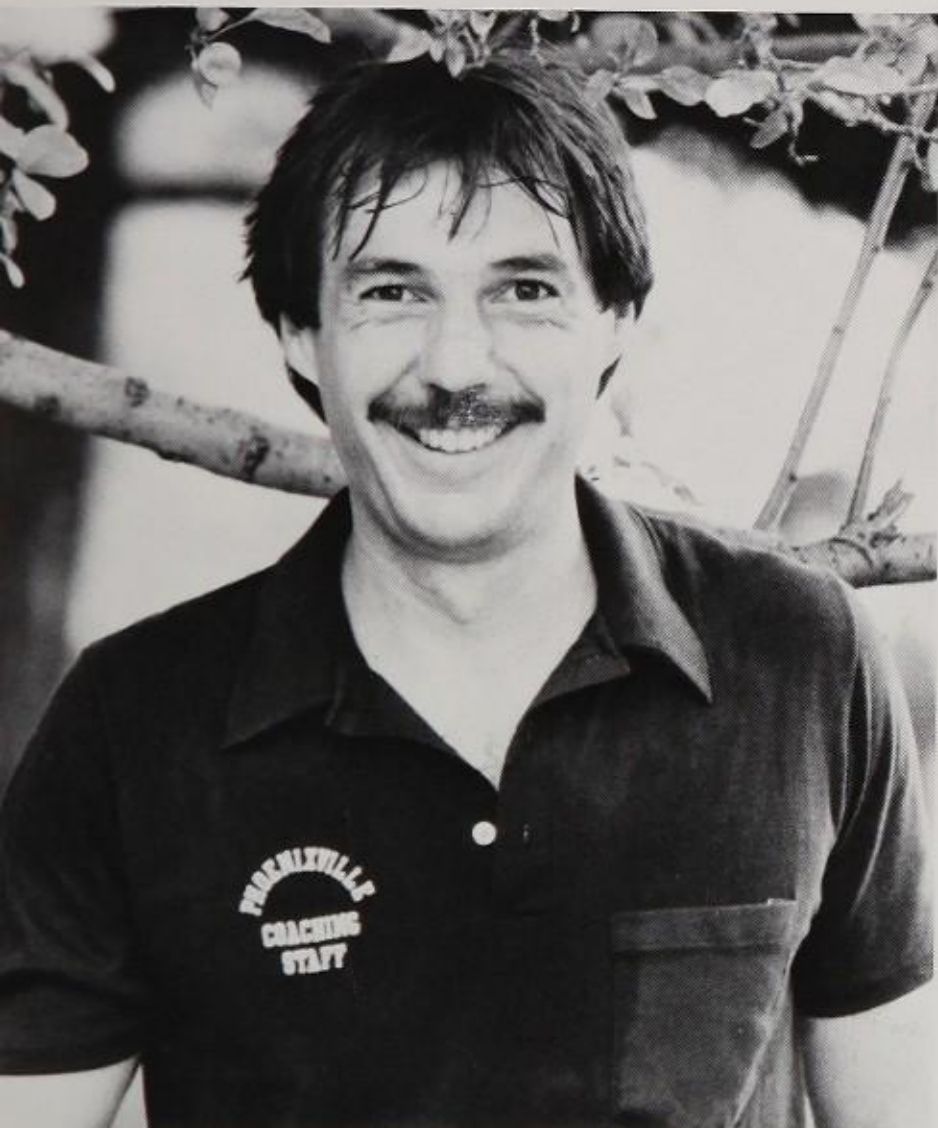

A number of Sophomores also contributed consistency to the success of the team — **Chris Fulmer, Ron Gest, Jeff Gowman, Jeff Johns, and Jeff Oustrich** — all placed in the top seven places at different points in the season. The Varsity team's overall record was 10-0. With a Ches-Mont record of 9 wins and 0 losses, the 1985 Cross-Country team completed a proud, undefeated season. Along with their regular meets, the team also placed 1st in the AAA Division at the Twin Valley Relays and 1st in the Ches-Mont League Championship Race.

Keeping up with the Varsity squad, the JV's also finished an honorable season. The JV record was 5 wins and 0 losses. They also took a 1st place in the Ches-Mont League Race.

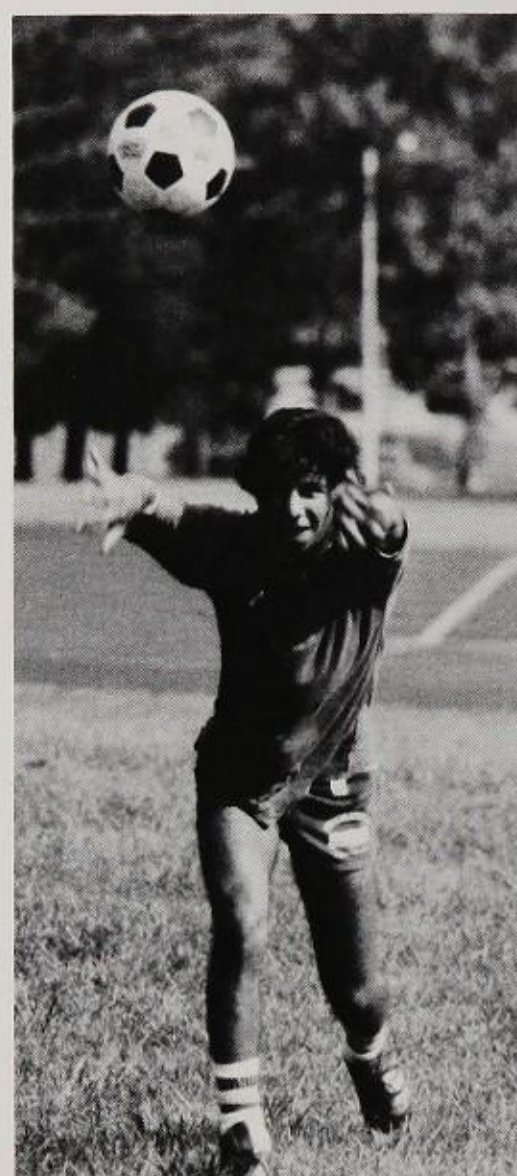

CONGRATULATIONS CROSS-COUNTRY
and good luck in your future!!

This year, the Golf Team, under the direction of **Mr. Katancik**, finished with an overall record of 7 wins, and 7 losses. The team placed 5th in Ches-Mont action, with **Mike Bland** winning an individual Championship. The team had two members compete in Districts. They were **Mike Bland**, who had a score of 86, and **Steve Shore**, with a score of 87.

Football Kicks Off At Night

This years football team underwent alot of changes. Among those changes were the new lights, new coaches, and hopefully a new traditional week hosted by the Booster Club. The "Booster Week" was the last week of pre-season practice. The Booster Club provided lunch and dinner for our Phantoms so they could have as much practice time as possible.

Throughout this year of transition, the Phantoms kept a positive attitude toward every game. Our Phantom Football team didn't just play the game, they played with heart!

Phantom pride and intensity was shown to team after team by not only the team itself, but by the coaches, the fans, and the community as a whole. And, finally, the attitude of the "Phantom Underdog" was crushed!

Senior members of the team include: **Shailesh Bhalala, John Hoehl, Ken MacNeal, Brian Marsh, Chester Miller, Robbie Miller** (manager), **Micheal Minor, Nate Moffat, Todd Rossman, Tim Schaffer, Brett Smiley, Dennis Smoyer, Matt Steaman, Fred Suriano, Craig Szabo, Greg Tomko, Todd Wallence, and Jim Yochem.**

CONGRATULATIONS GUYS! GOOD LUCK IN ALL YOUR FUTURE ENDEAVORS!!

The boy's basketball team, coached by **Mr. Ruby**, ended the season on a high note by winning their last two games. The seniors, also serving as captains, were **Perry Thomas, Kyle Quinn, and Chris Balle**. Below is the varsity team: **Back (l to r):** Coach Ruby, Mark Romano, Chris Balle, Mike Miller, and Hunt Lyon. **Front (l to r):** Perry Thomas, Ed Biagas, Kyle Quinn, and Brian Rife.

Boy's Basketball Finishes Strong

Back (l to r): Mr. Nealy, Tyler Masters, Jim Johns, Ed Ferko, Conrad Sikorski, Brendan Lee, Steve Brill, Robert Oglesby.
Front (l to r): G.T. Pufko, Dennis Puleo, Bernard Hampton, Louis Rocco, Bob Gray, John Dobbryn.

The Girl's Basketball team had a great season this year, under the direction of **Miss Judy Jarrett**. They finished the season with a Ches-Mont League record of 13 wins and 1 loss, to capture the division title. Seniors on the team included **Amy Juenger** and **Aamina Thornton**.

In the Ches-Mont Semi-finals, the girls suffered a close loss to Coatesville. But, considering the limited membership of this year's team, they managed to pull out a very successful season.

The Junior Varsity team, also small in numbers, pulled out a rather good season, also.

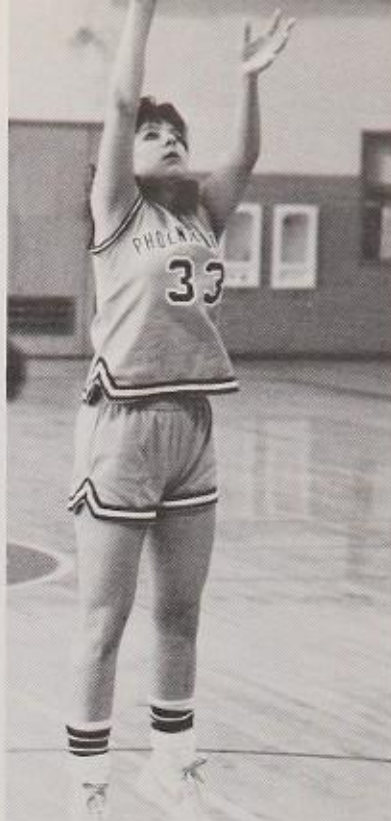

CONGRATULATIONS girls, and Good Luck in the future!

Girl's Basketball Shoots To The Top

This year, coach **Mr. Giffi**, and assistant, **Mr. Coyne**, lead the wrestling team to another successful season. They finished their season with a record of 8 wins and 9 losses. A fine performance and effort was demonstrated by both the J.V. and the Varsity squads. Seniors this year were: **Greg Tomko, Brian Marsh, Jay Erb, and Chris Amore.**

Winter Track

Winter Track Team competes in Division II of the Philadelphia Track and Field Coaches Association which contains 77 teams from the area. Division II is for teams with less than 64 boys from the 10th to the 12th grade. All teams enter one competitor in each event. Gold and silver medal winners qualify for the Meet of Champions to compete against the best of Division I and Division II. Qualifiers for the Meet of Champs, Running the Mile Relay, are **Rick Evans, Anthony Lauletta, Blaine Rutter, and Rob Weinmann**. For the Distance Medley: **Rob Weinmann, Rick Evans, Blaine Rutter, and Andrew Conner**. Both these groups won gold medals during the regular season. Seniors this year are **Tim Shaffer, Rick Evans, Anthony Lauletta, Mike Zahorchak, Rob Weinmann, and Karen Kennedy**.

Top: L to R: Mr. Kraynak, Jeff Johns, Tim Shaffer, Roger Christi, Rick Evans, Blaine Rutter, Anthony Lauletta, Mike Zahorchak, Rob Weinman, Paul Staninka, Jeff Gowman, Vincent O'Grady, Mike Polansky, Dave Rosen. **Bottom:** Karen

The '85 season was very good to the varsity baseball team. Finishing in third place in the C-M league at 13-3, 16-5 overall, put the team in the C-M playoffs. In game one vs. Downington, the team chalked up an important win to get them to the C-M finals. It was there unfortunately that their luck turned sour in a loss to C-M champ Boyertown. From there it was a heart breaking eight inning, one run loss to Sun Valley in the District I playoff games.

Despite the tough ending, coach **John "Doc" Kennedy** had to consider 1985 a very successful season. He is hoping for even better things in 1986 with the help of returning starters **Mike Piazza** (.500 average, 38 RBI, 12 HR), **Mike Fuga** (.443, 24 RBI) and pitcher **Joe Weber** (6-1, 2.28 ERA). "With two starting pitchers returning, we hope to build a solid defense to support them. On the offensive side, we anticipate our seniors providing the leadership and consistency needed to score runs."

Coach Kennedy looks like he has good reason to be optimistic.

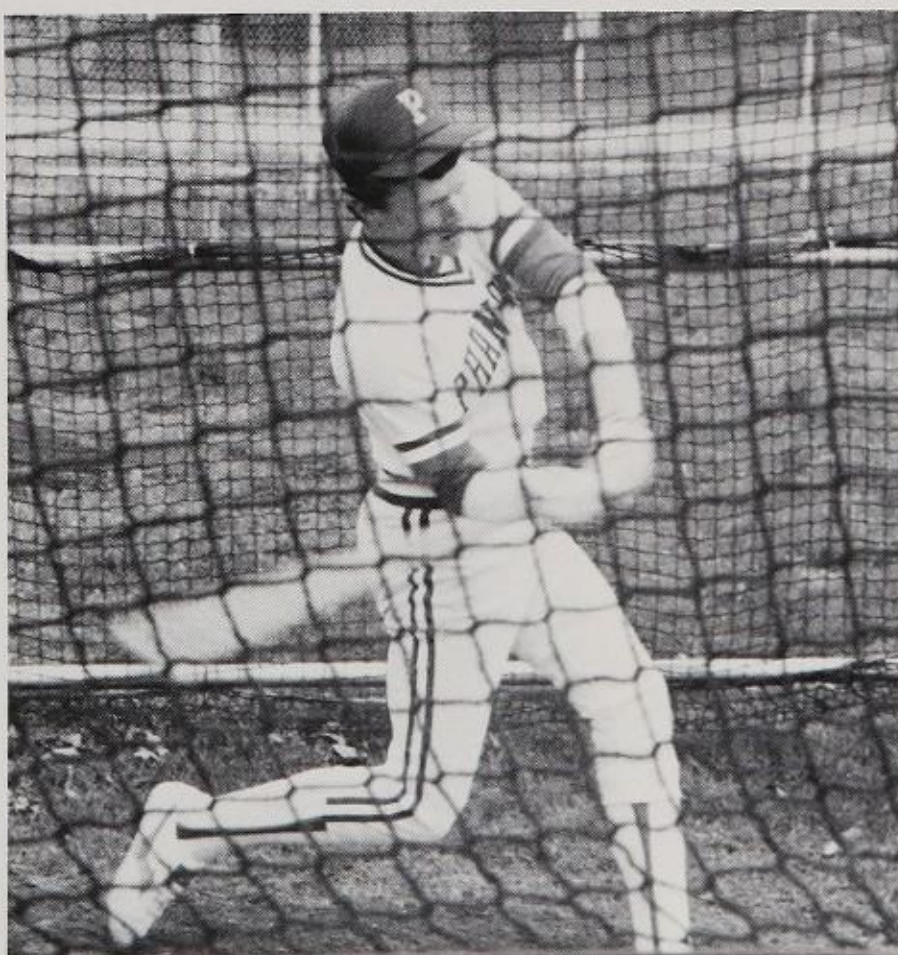

L-R: Mike Fuga, Joe Weber, Don Webb, Mike Piazza, Brett Smiley.

Softball Makes A Pitch For The Future

After a slow start last year, the girls softball team, through team spirit and hard work, ended their season on a happy note. They finished their 1985 Chesmont season with a record of three wins and thirteen losses.

Due to the loss of five seniors after graduation in '85, coach **Claire Sapanaro** is looking at a rebuilding year. This year she expects to see her younger talented players to be holding varsity positions. In the upcoming season look for them to be putting emphasis on pitching, hardwork and team spirit.

Front: Barb Bailey, Jamie Sanchez, Colleen Keane, Kathleen Arney, Michelle Trisch, Cindy Badman, Trisha Mirable. **Kneeling:** Colleen Bowes, Martina Benes, Andrea McNally, Kathy Kassel, Rebecca Weinstock, Karla Burkhardt, Lori Way, Regina Longo, Karen Obzud. **Standing:** Theresa McRae, Angie Vinson, Janet Hnatin, Aamina Thorton, Jody Allenbach, Katie Yeager, Jennifer Leary, Chris Paster, Amara Thorton.

In 1985 the Girl's Lacrosse Team ended up in fourth place with a 6-4 record, 9-6 overall. "Inexperience on defense and poor shooting percentage really hurt us", according to head coach **Mary Lozier**.

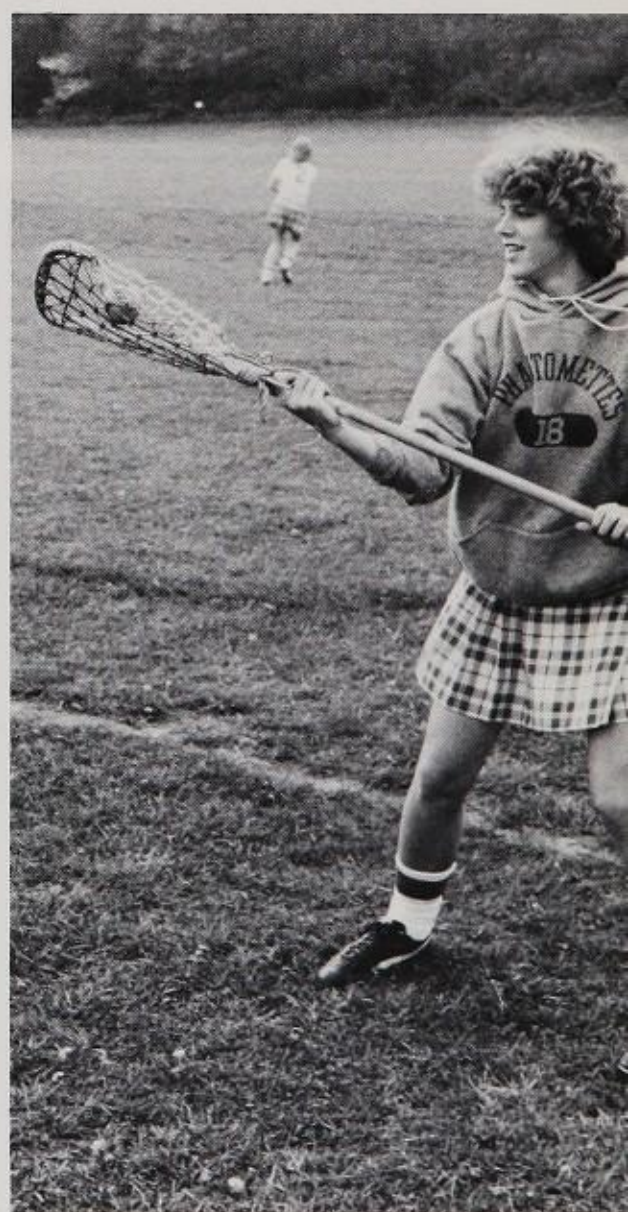

Coach Lozier is looking forward to a good 1986 season. "We will have an experienced attack with all Ches-Mont wings, **Katie Yeager** and **Aamina Thorton**. Third year starters **Amy Juenger** and **Jody Allebach** should also contribute greatly."

The coach seems to think the extra experience on defense will also help, with the return of **Regina Longo**, **Rebecca Weinstock** and **Lori Way** returning. "I'm optimistic for the 1986 season provided everyone is healthy."

Lacrosse Sticks It To Them

1985 has many highlights for the 7-3-1 Boys's Track Team. Below is just a short list of the many accomplishments:

-third place in Chesmont league standing and in Chesmont championship.

-**Jay Oustrich** was C-M champ in 800 meter and 1600 meters.

-**Rick Evans** was C-M champ in 400 meter dash.

-**Andrew Conner, Tim Elmer, Jeff Klenk, Rob Weinmann** got second place in C-M 3200 meter relay.

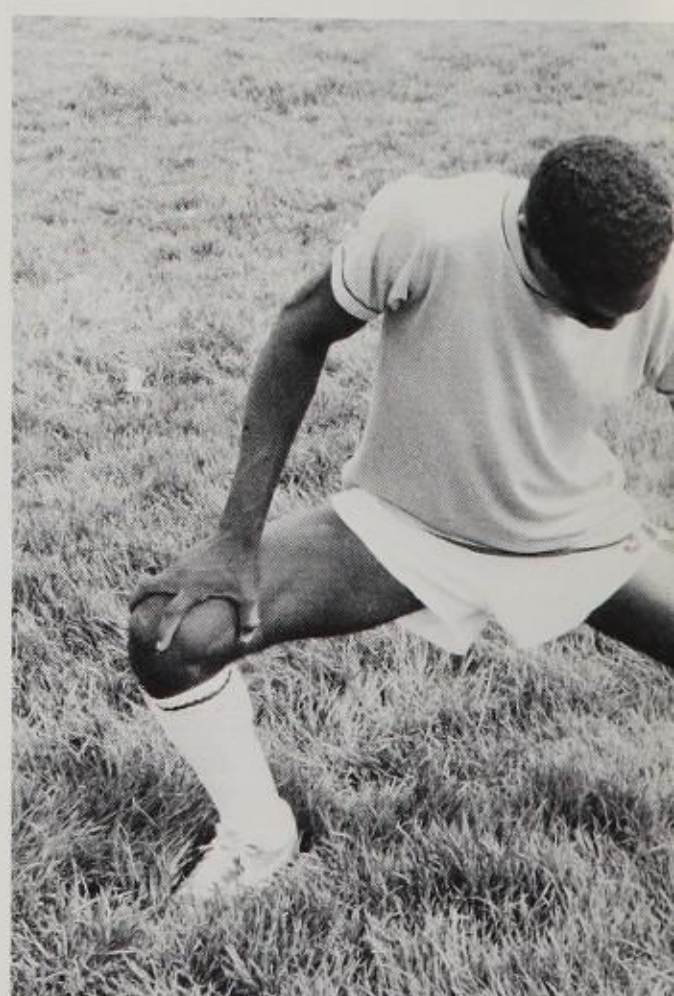

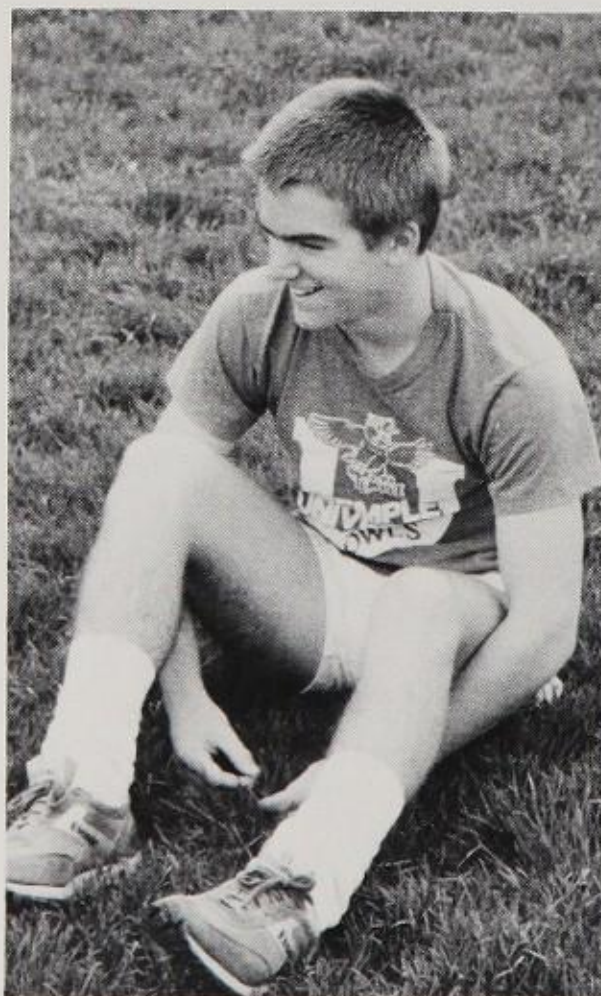

-**Nate Moffat** was second in C-M high jump.

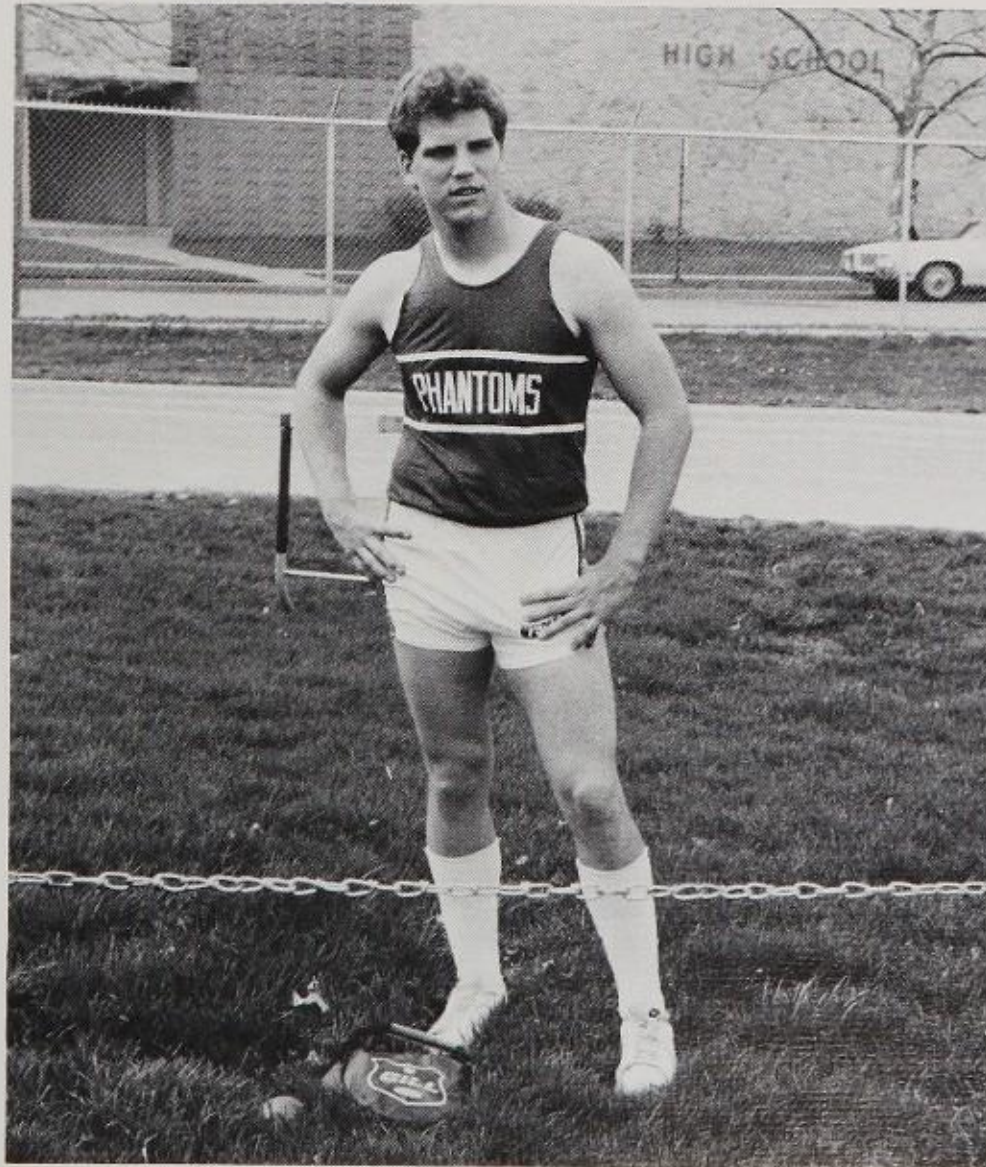

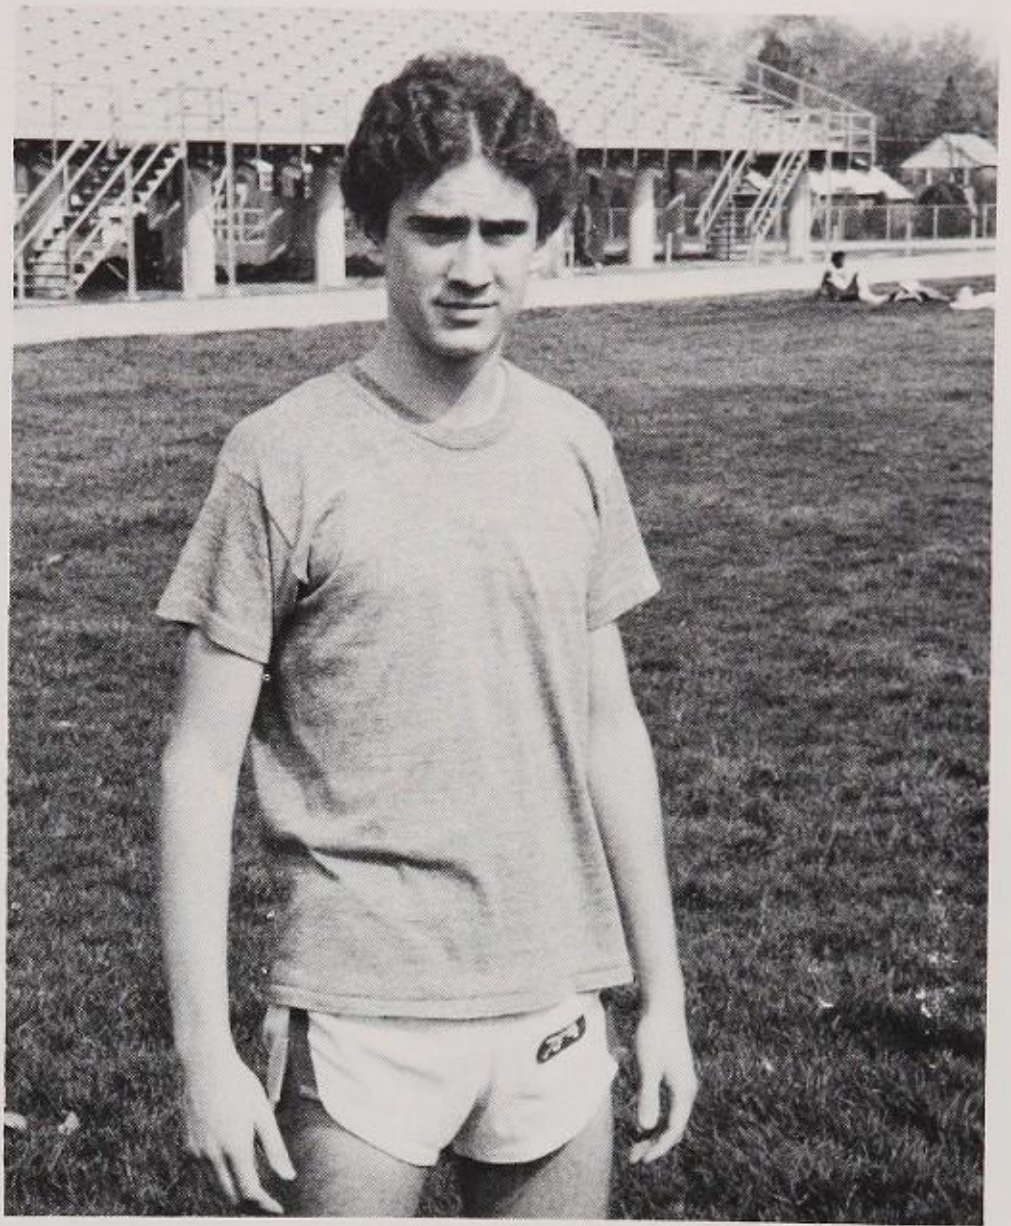

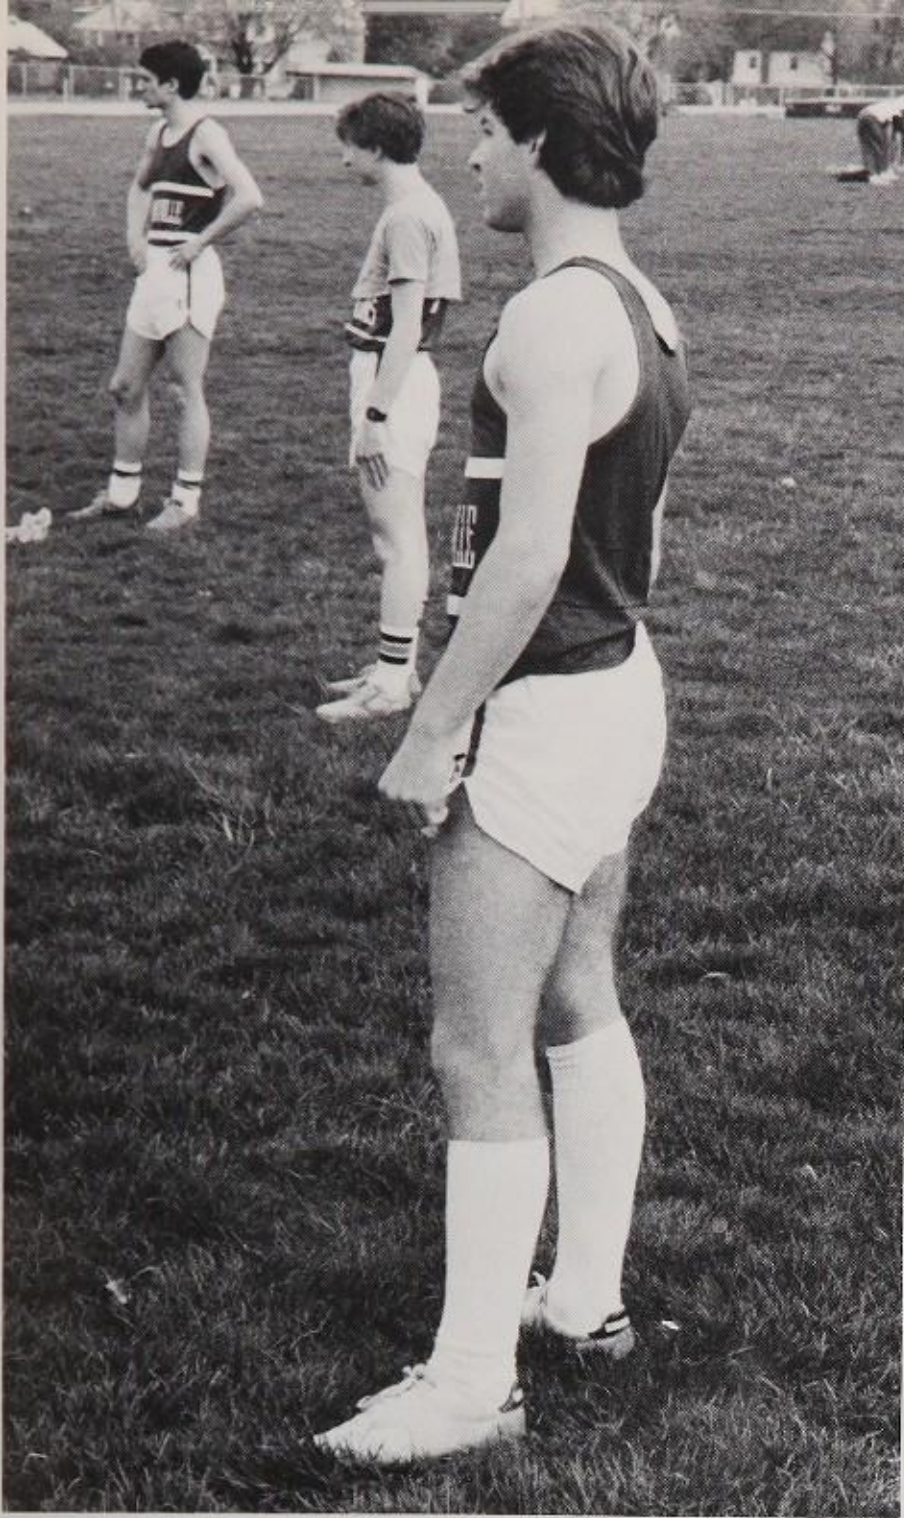

-**Rob Weinmann, Rick Evans, Andrew Conners, Jay Oustrich**, ran third fastest distance medly in the State in 1985.

Needless to say, coach **Jack Kraynak** was very pleased with his teams accomplishments. He is hoping for even better things in 1986. "Although we're losing distance stand-out Jay Oustrich and other important seniors, we have most of last years team returning. We should have a strong, balanced team."

Girl's Track Overcomes Many Hurdles

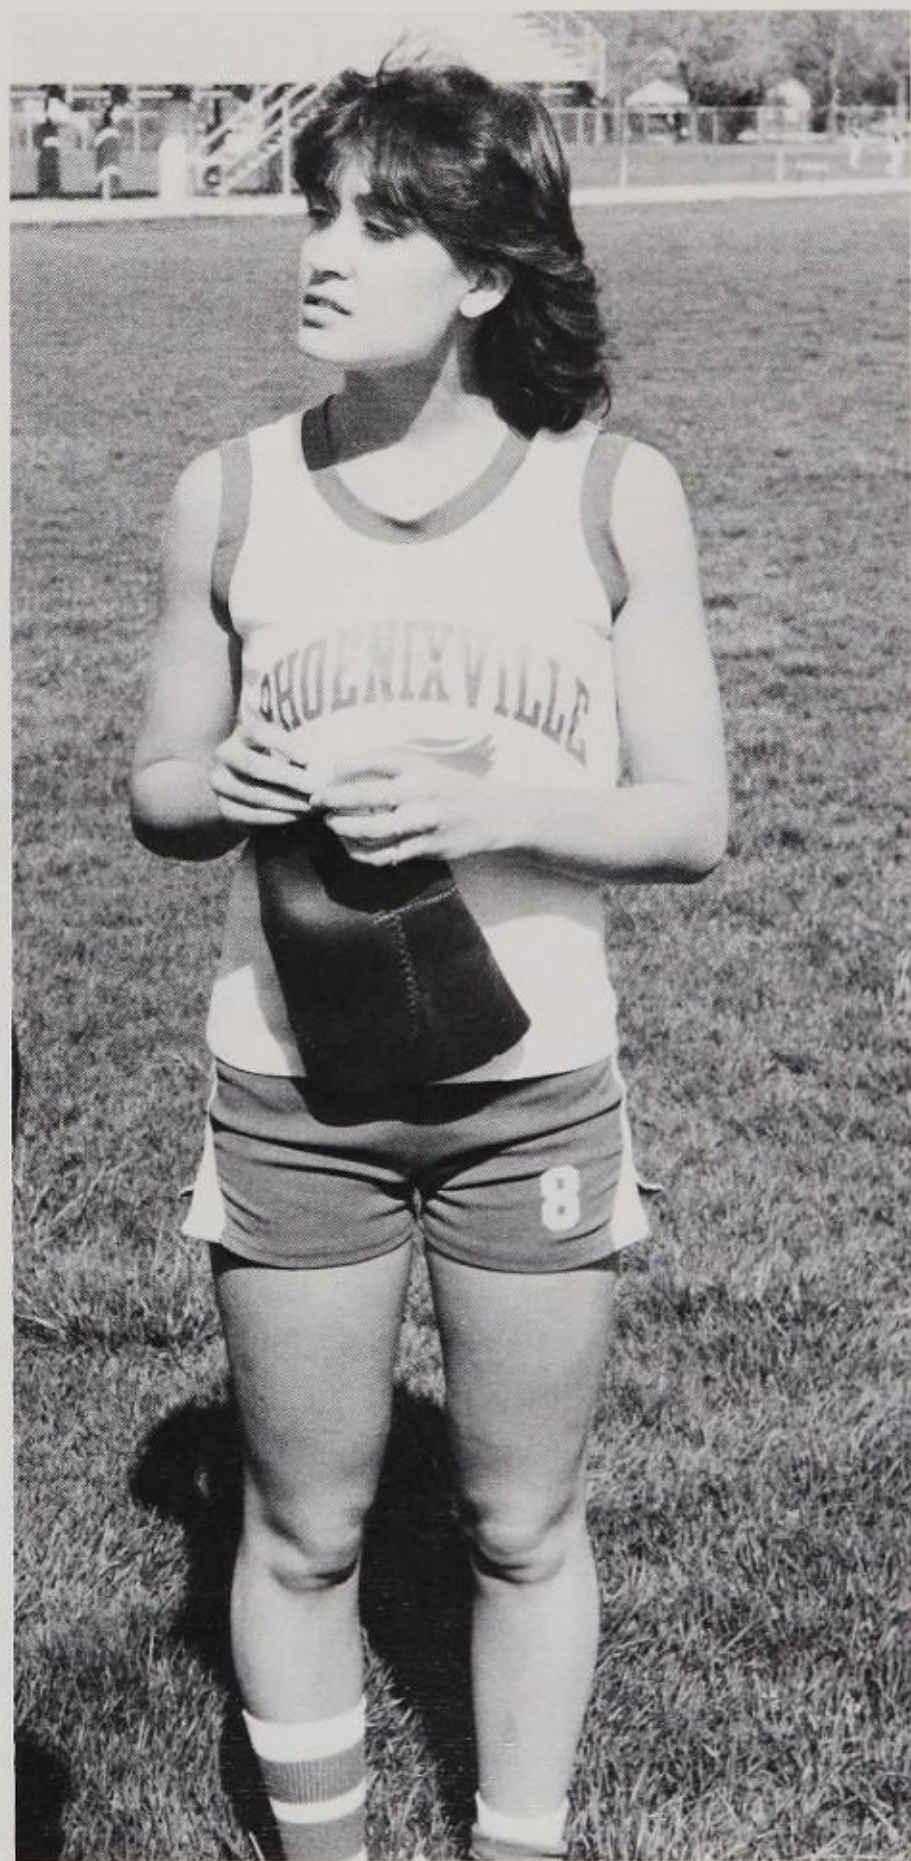

Front row (L-R): Beth Trego, Leticia Bellamy, Shawn Nagle, Jill Elmer, Amy Guthan, Carla Griffin. **Kneeling:** Brenda Wade, Nitza Freeman, Kelly Deveny, Kymberly Morris, Lianne Fox, Bethany Walton, Coach Nealy. **Standing:** Nicole Hines, Allivita Sallad, Chris Bevilacqua, Karen Kennedy, Karen Retko, Jen Schindler, Natasha Hines, Christin Sciallo.

The 1985 Girl's Track season was a season of growth and rebuilding. The 2-8 team consisted of five seniors and twenty-five underclasswomen.

The season was a struggle, but a lot of good things came out of it. The emergence of a few good sprinters in **Carla Griffen**, **Leticia Bellamy** and **Karen Petko**, a building of new life in our distance runners with **Karen Kennedy**, **Nitza Freeman**, **Jen Schindler** and **Kim Morris**, and performance by **Chris Bevilacqua** in the javelin and **Jill Elmer** in the high jump have boosted the competitiveness in the field events.

We are hoping to continue our strong commitment to track and field in the 1986 season and to strive to better ourselves on the track and in the fields of our opponents for a more victorious 1986 Girl's Track and Field season.

Front row: Dave Cameron, Steve Wieland, Don Scheirer.

No need to have your vision checked, these are soccer players in drag. They are participants in the first post-season playoff between the Field Hockey Team and the Soccer Team. The two teams played a game of field hockey, which was won by the soccer team 2-1. The final score was not the most important thing though, the fact that everyone had fun was. The game was enjoyable to both the players and fans, and we certainly hope that this is the beginning of a traditional rivalry for years to come.

FACULTY

The members of the PAHS staff of The New Generation are all stars in their own right. They are always there to lend a helpful hand. Whenever students need a little extra encouragement or help with their studies, they can always count on the faculty. They understand what the students are going through and often offer their support to help the students achieve their highest goals.

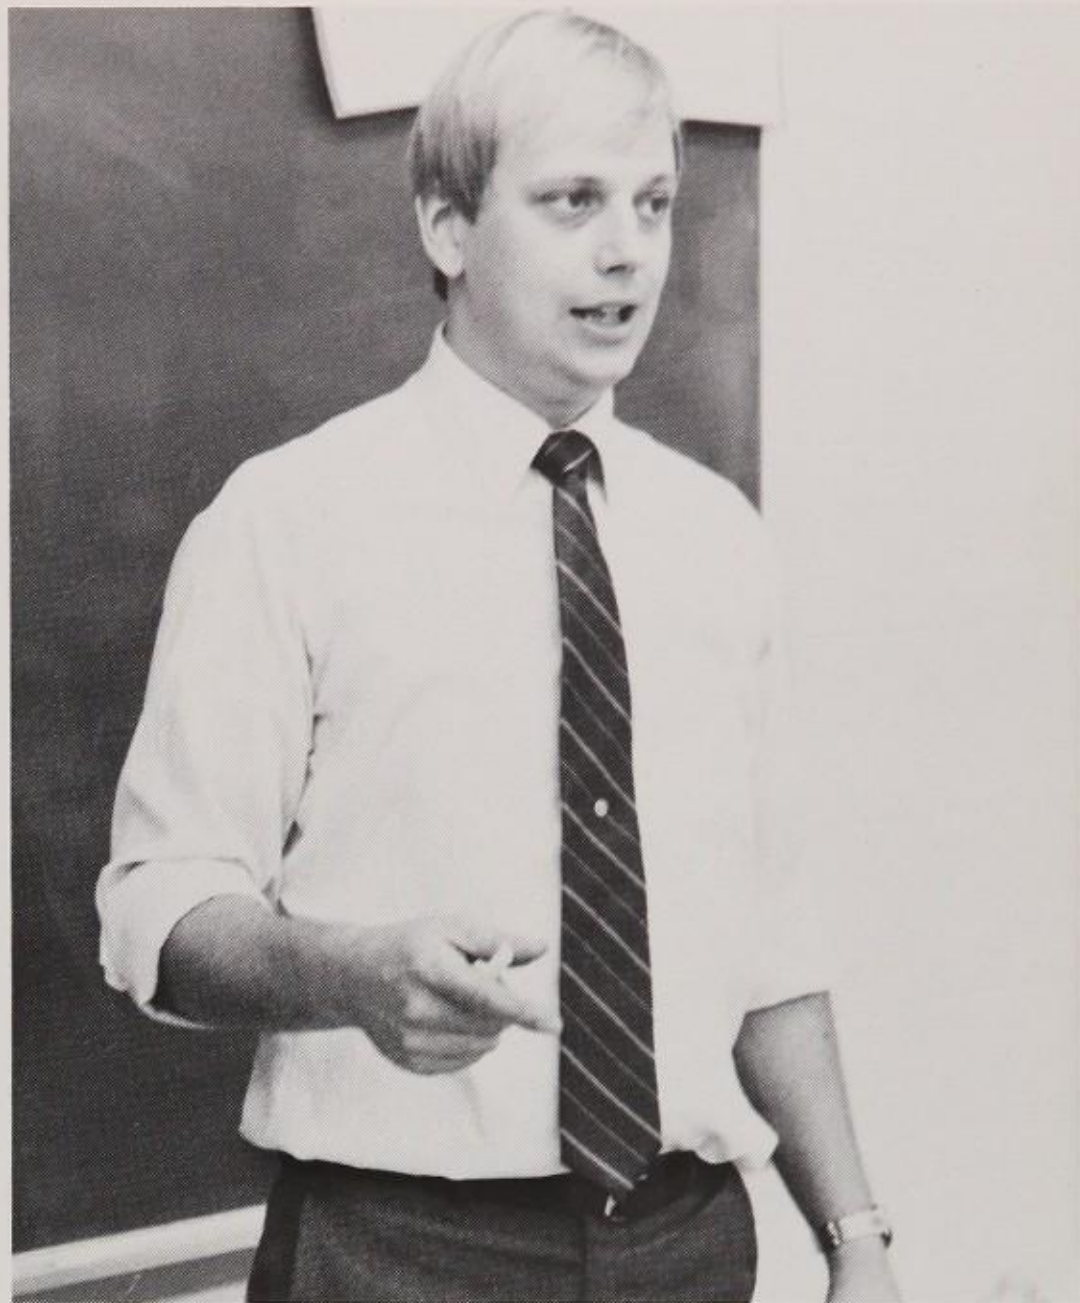

Many members of the PAHS faculty are involved in

extra activities and sports in the school. In doing so they show the students that they have a lot of pride in their work and in their students. It also shows that they have a great deal of pep and tolerance to deal with the many different situations that surround them.

All in all the staff has proved to be very exceptional in their work with the students. It is this type of dedication that makes all PAHS staff members special.

FACULTY STARS

At this time, the Yearbook Staff will present the faculty section in a new and different way. Each staff member will be arranged in terms of his/her Zodiac sign. The Yearbook Staff would like its readers to know that the characteristics of each Zodiac sign presented here are not the opinions of the Yearbook Staff, and are not designed to embarrass anyone. The source for all of the characteristics is *The Cosmic Influence* by Francis King, and are used just as a different way to organize this section.

Aquarius

Jan. 21 - Feb. 19

The typical Aquarian's highest aim is personal freedom. The Aquarian has little respect for convention or tradition if it obstructs the liberty of the individual. They are humanitarians and the freedom of others is just as important to them as their own freedom. Aquarians have an intellectual approach to life and they are often active in groups formed for social causes, political reform or the protection of the environment. They are open-minded, and listen to other people's point of view. However, they can also be tactless and obstinate.

The Aquarian man is free of vanity, yet conscious of his dignity as a human being. He is the very opposite of a male chauvinist, treating women as fellow human beings.

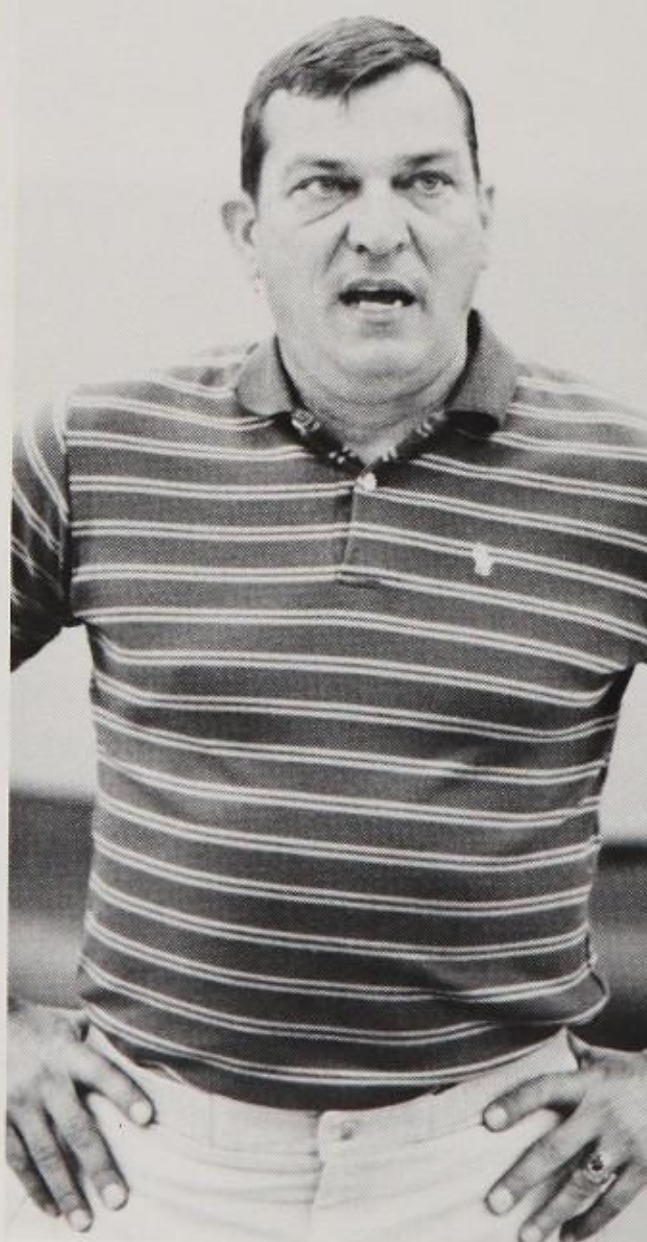

Aquarian women are strong believers in sexual equality and are active members of Woman's Liberation. They are also adventurous in life.

For Aquarians, work is a vocation in which their love of freedom can be expressed. They do well when self employed or engaged in work that involves helping people, such as medicine, psychology, social work, or politics.

Well-known Aquarians include Franklin D. Roosevelt, Galileo, Charles Darwin, Charles Dickens, Vanessa Redgrave, and Paul Newman.

Pisces

Feb. 20 - March 20

Pisceans are idealists. They are characterized as being amiable, vague, and sometimes even devious. They have an easy-going attitude toward life, and are very likely to be influenced by others. Pisceans express loving affection for others and are therefore very much loved themselves.

The Pisces man feels comfortable around artistic circles. The Pisces woman does not like to be bullied, but she won't avoid it by outright opposition.

Pisceans have an overwhelming desire to please and serve their fellow man. They will work diligently for a cause even though it may lack dynamism.

All in all, Pisceans do best in jobs ranging from doorman at a gallery to painter or musician.

Well-known Pisceans include ballet dancers Vaslav Nijinsky and Rudolf Nureyev, Handel, Chopin, Michelangelo, John Steinbeck, and Elizabeth Taylor.

Aries

Mar. 21 - Apr. 20

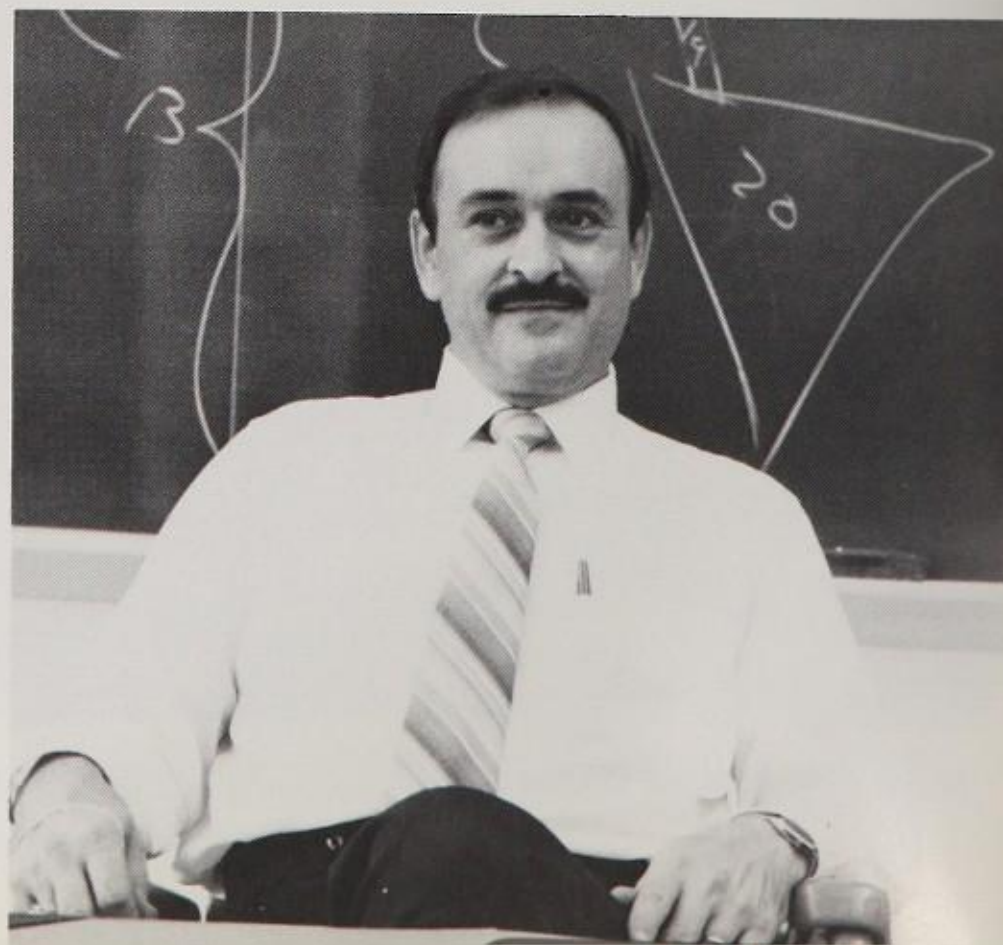

Aries, the Ram, runs from March 21 to April 20. A typical Aries person is commanding, choleric, and violent. Aries people are adventurous, pioneering types. They are respected but not always loved for their independence, their dependency on facts rather than feelings or theories, and their happy concentration on themselves. However this is usually not in a vain way.

Aries is traditionally the most masculine sign. An Aries man tends to show male chauvinistic characteristics. He is proud of being so masculine. An Aries woman tends to be boisterous and domineering.

Aries people desire competition and independence. They want to be successful at work, and reach the top of their field. An Aries would choose a career such as gardening, sculpture, public relations, or sports.

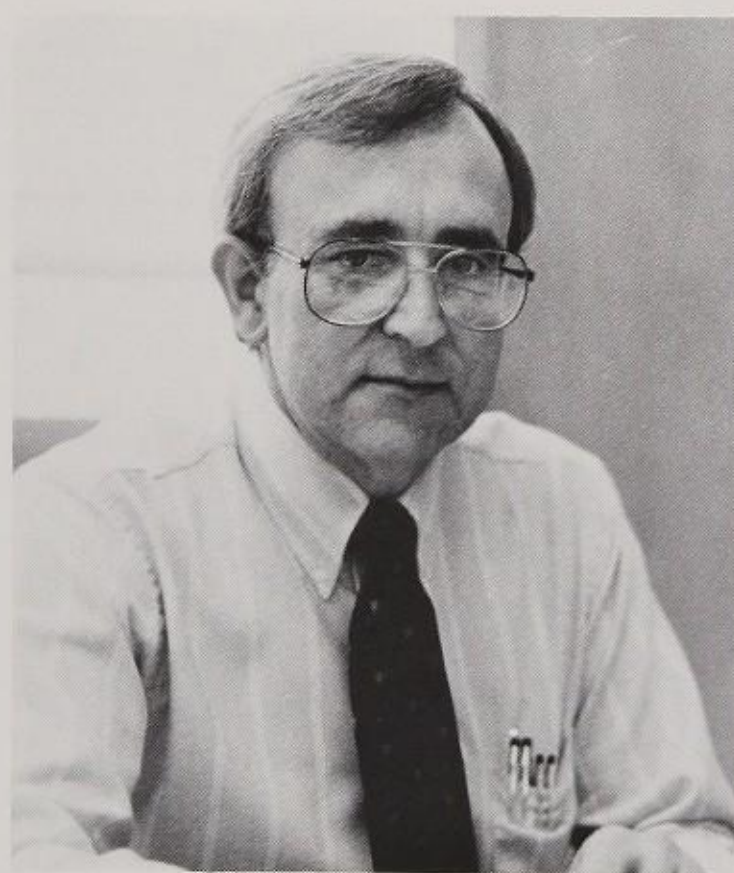

Some examples of the strong Aries personality are Louis Armstrong, Marlo Brandon, Bette Davis, and Charlie Chaplin, all show business personalities; political leader Nikita Khrushchev; painter Vincent Van Gogh; novelists George Sand and Emile Zola; and conductors Leopold Stokowski and Arturo Toscanini.

Taurus

April 21 - May 21

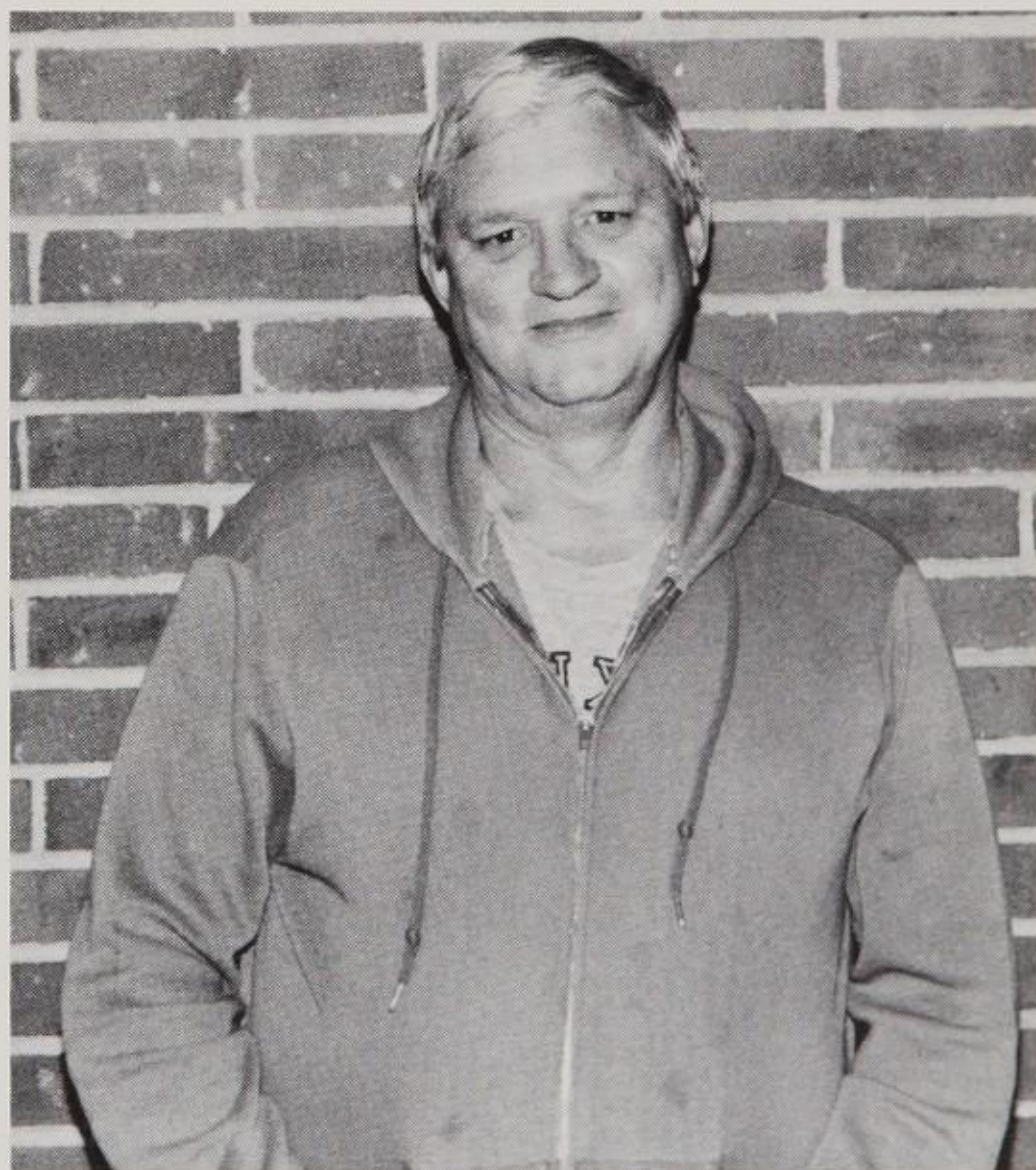

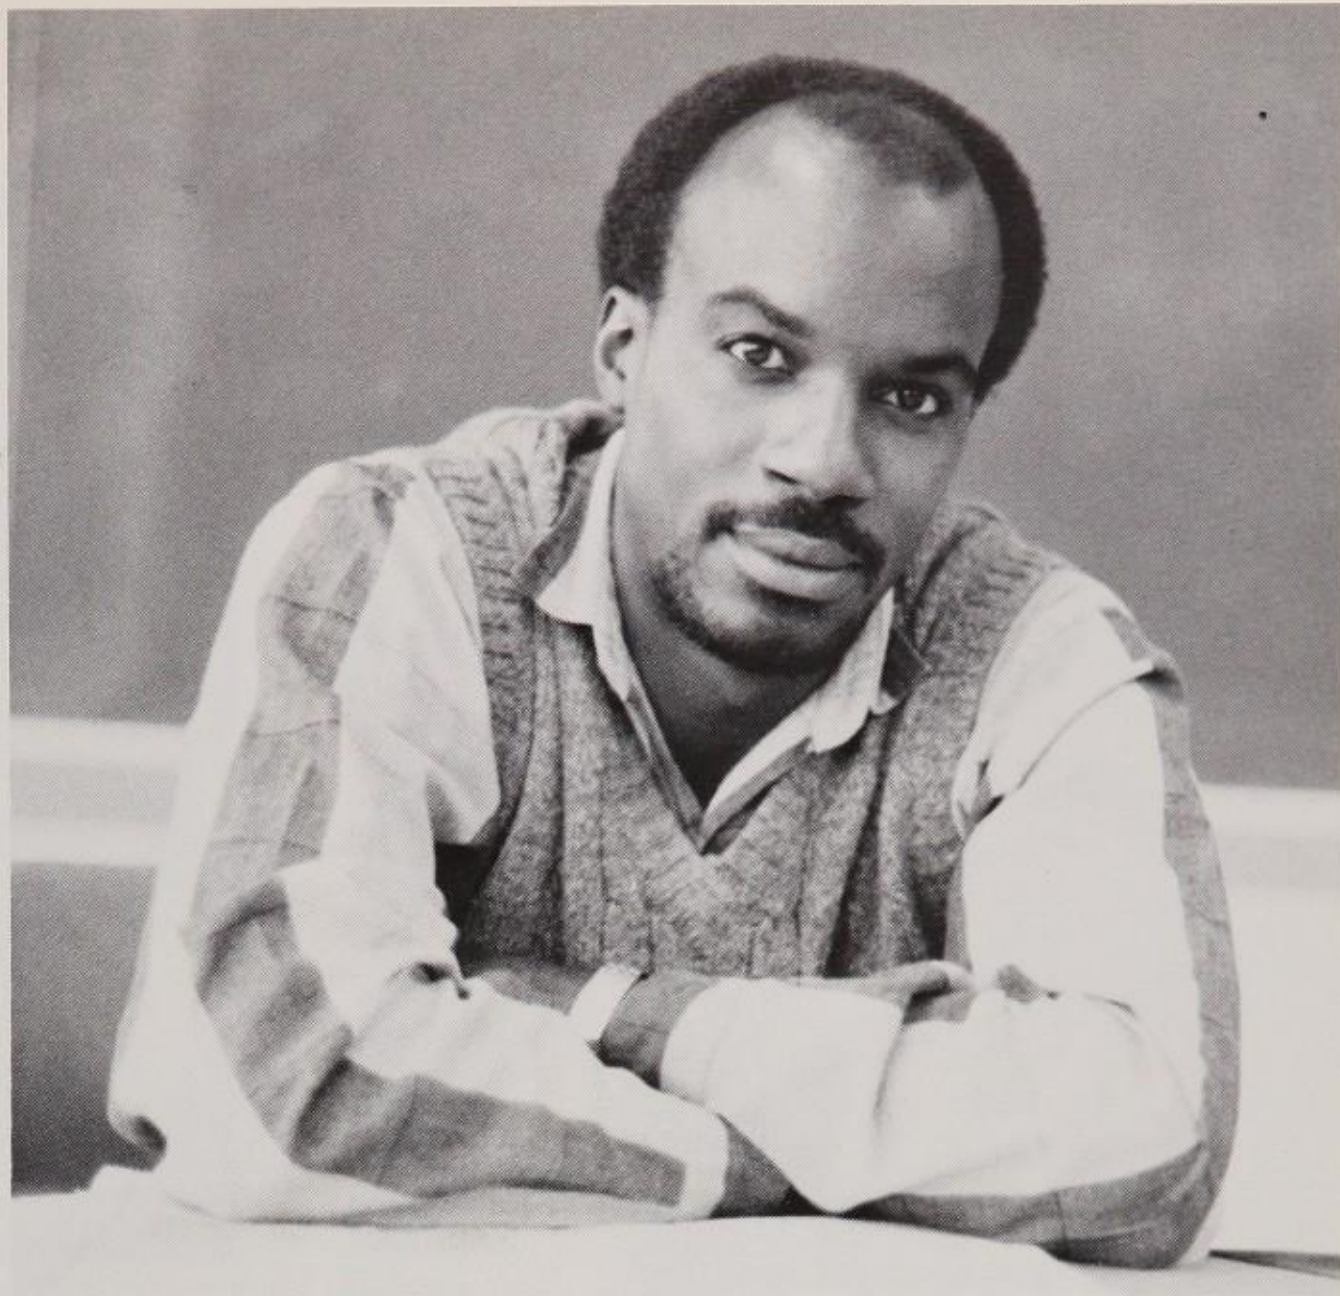

Taurus is an earthy sign, and Taur-eans are usually slow but sure. They have a taste for the pleasures of life, and enjoy both work and play, while taking pleasure in both food and drink, affection, and material possessions.

Taurus men are a combination of self-centeredness and generosity. They make good husbands and fathers. They usually have a friendly attitude toward people and they are not easy to provoke. Their reactions are slow, but look out when they get angry. Taurus women are strong minded, but not domineering. They are true friends, excellent wives, and ideal mothers because they do not dominate their husbands and children.

Taureans are competent in most fields, especially dealing with money or the earth, for example: bankers, cashiers, geologists, or potters. They like jobs with lots of security. Some famous Taureans are George Washington, Fred Astaire, Sigmund Freud, William Shakespeare, Orson Wells, Karl Marx, and Gary Cooper.

Gemini

May 22 - June 21

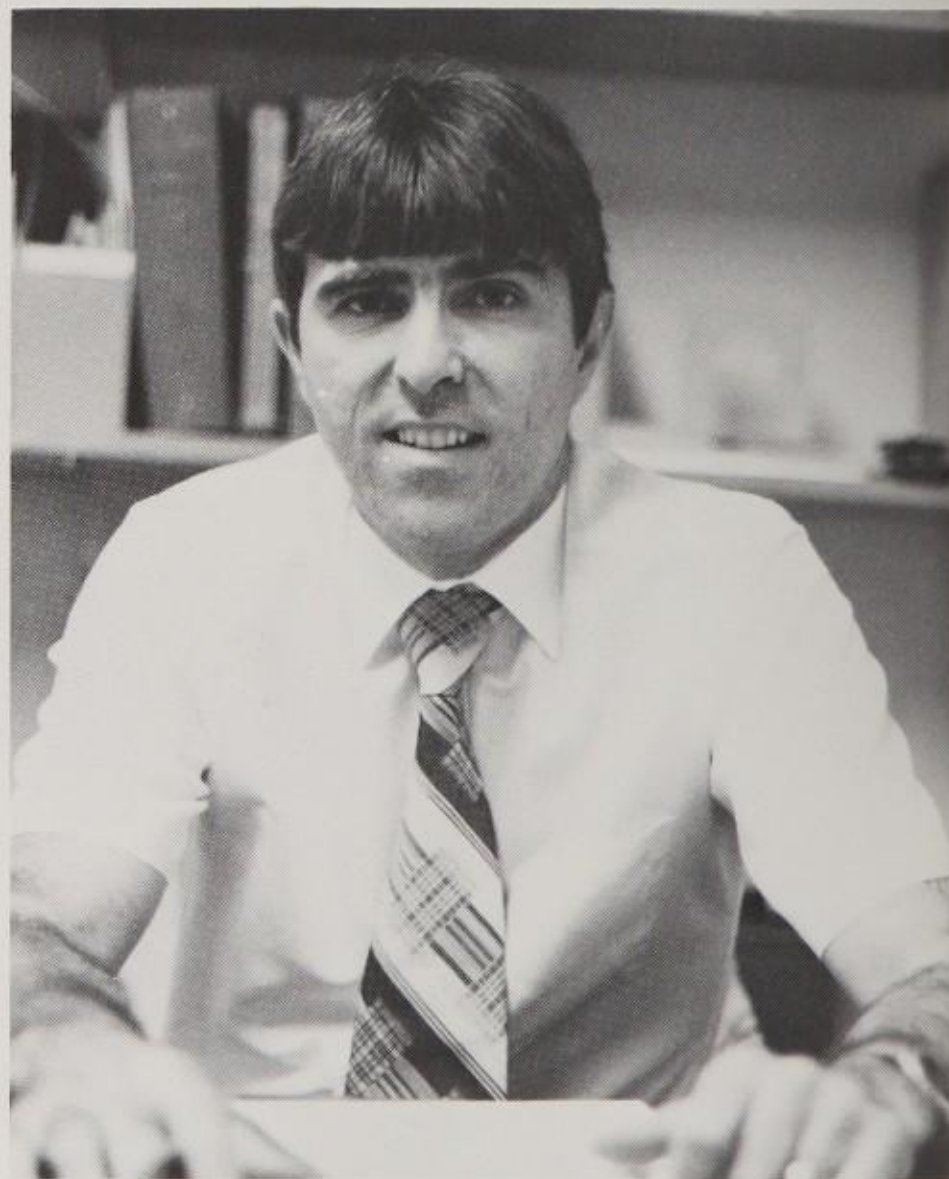

The Gemini, born under a double sign, has a dual personality, and is always changing his or her outlook on life. Gemini is the sign of intellectuals, egocentrics, and the mentally unstable. They tend to be fickle and change their opinions to suit themselves. Their conversations are full of twists and turns, all Geminis enjoy a good argument.

The Gemini man typifies the duality of the sign. He can talk himself in and out of love with great speed. He has a captivating manner that makes him the ideal charmer. The Gemini woman has similar characteristics, but her restlessness and changeability tend to be caused by the pressures of society.

Gemini's hate monotonous work, therefore needing jobs that give a full scope to their agility and urge for change. They excel at any kind of work that involves movement and variety.

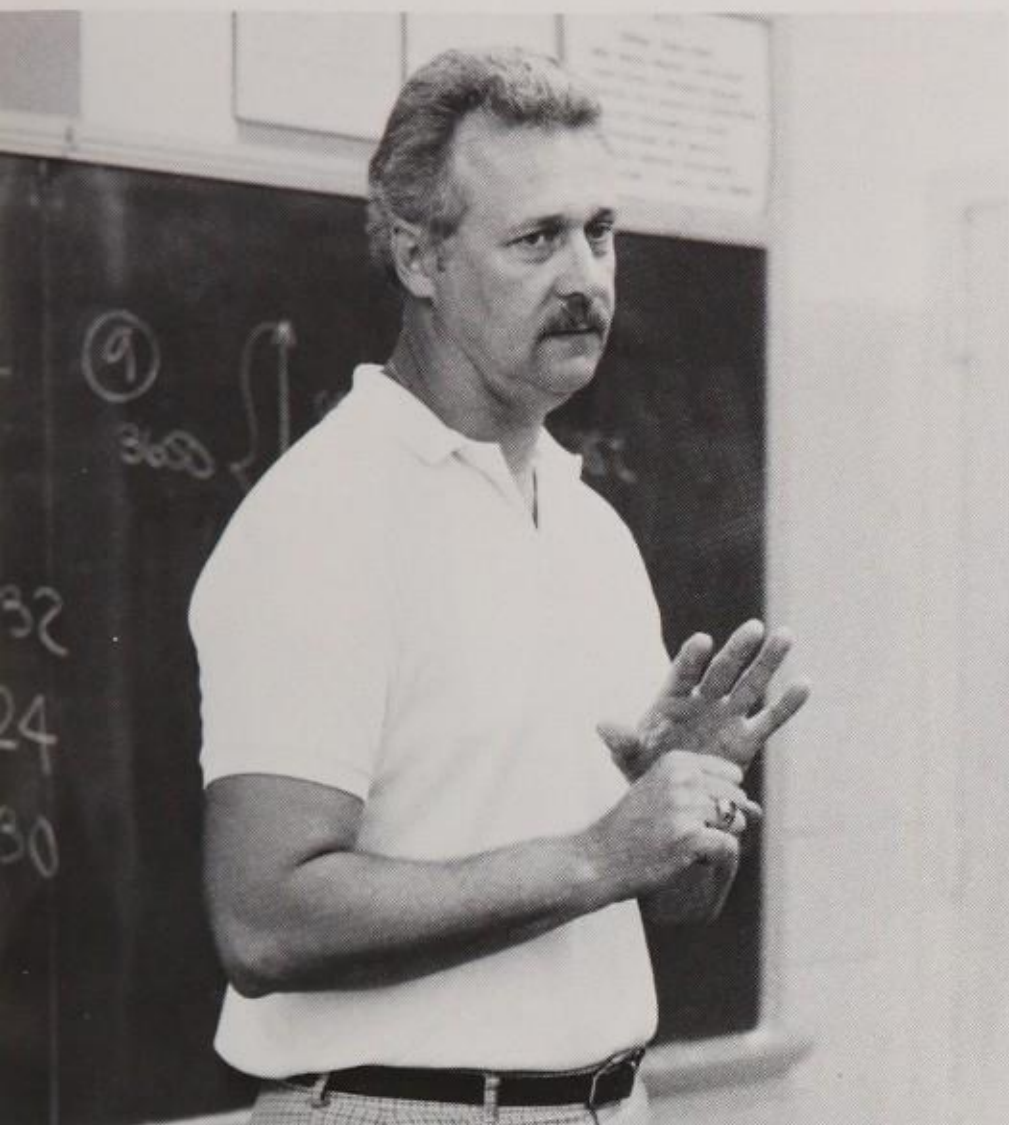

Some well known Geminis are John F. Kennedy; Conan Doyle, author of Sherlock Holmes; Ian Fleming, the creator of James Bond; movie stars Marilyn Monroe and Judy Garland; and song writer Bob Dylan.

Cancer

June 22 - July 23

Cancerians are motherly, gentle people. Outside they appear to be all hardness, while on the inside, they are easily hurt, soft, and vulnerable. Because their sign is the crab, they are deeply attached to their homes. A Cancerian knows a great deal about social assets and can pick out good food and wine.

The Cancer man has a close relationship with his mother and keeps his emotional distance from other human beings.

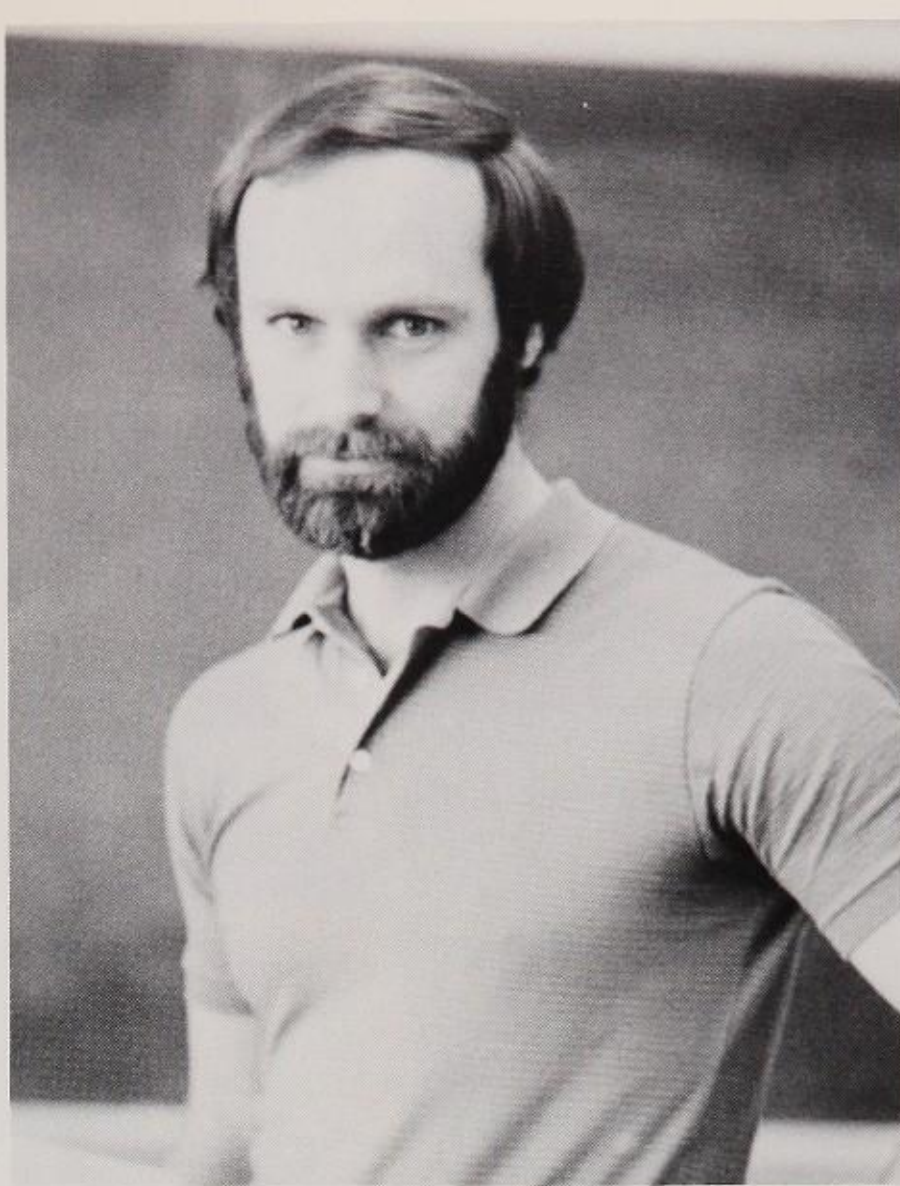

Cancer women find that raising their children are their greatest occupation. They are good housewives and the home is the key note of their existence.

Cancerians are good at any job in which they do not have to dominate. They are made for occupations connected with the home or children, and for handling people who are going through a difficult time. They therefore make splendid physicians, nurses, social workers, and teachers.

Leo

July 24 - August 23

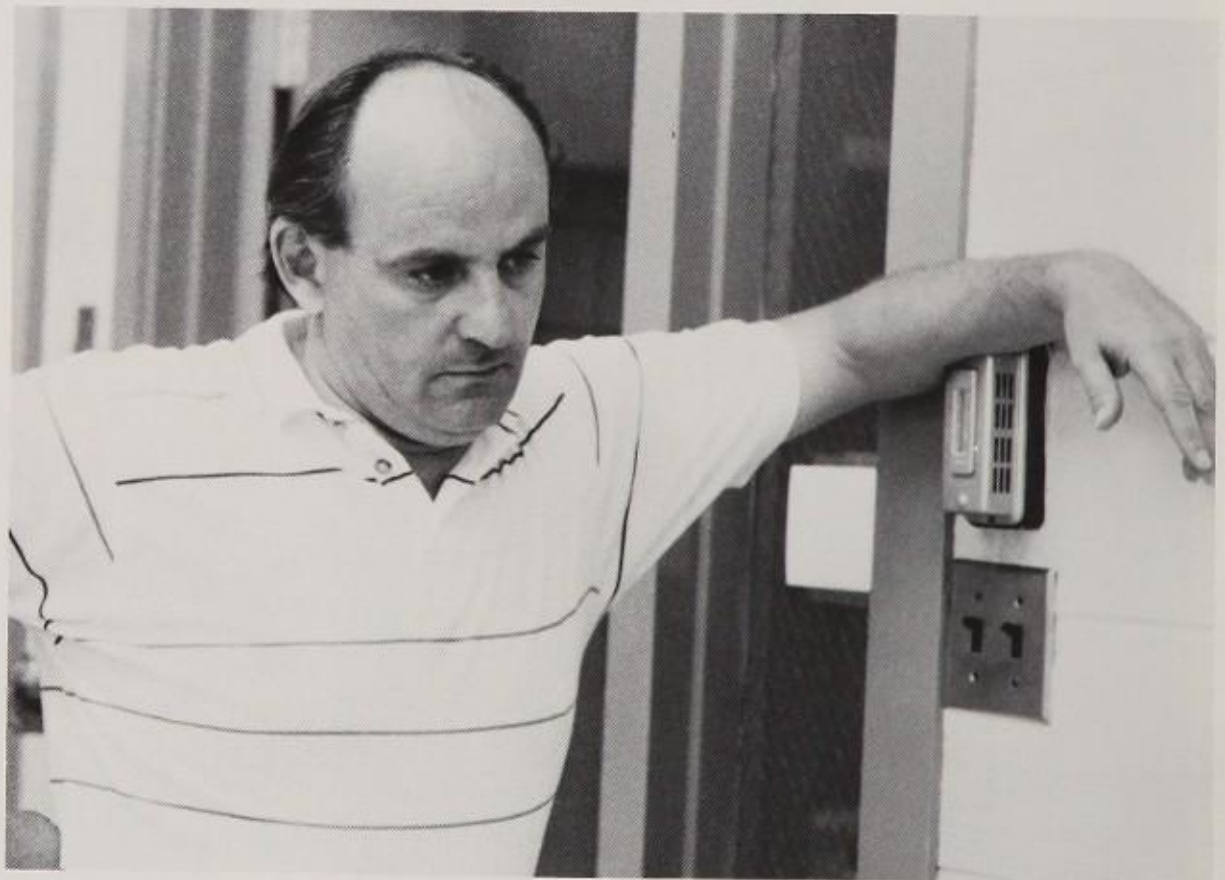

Leo the Lion runs from July 24 to August 23. Leos are definite extroverts. These men and women have a strong presence, a vital magnetism and a urge to dominate.

Leo men are confident of their abilities and their appeal to women. A woman will usually either love very much or hate strongly a Leo man.

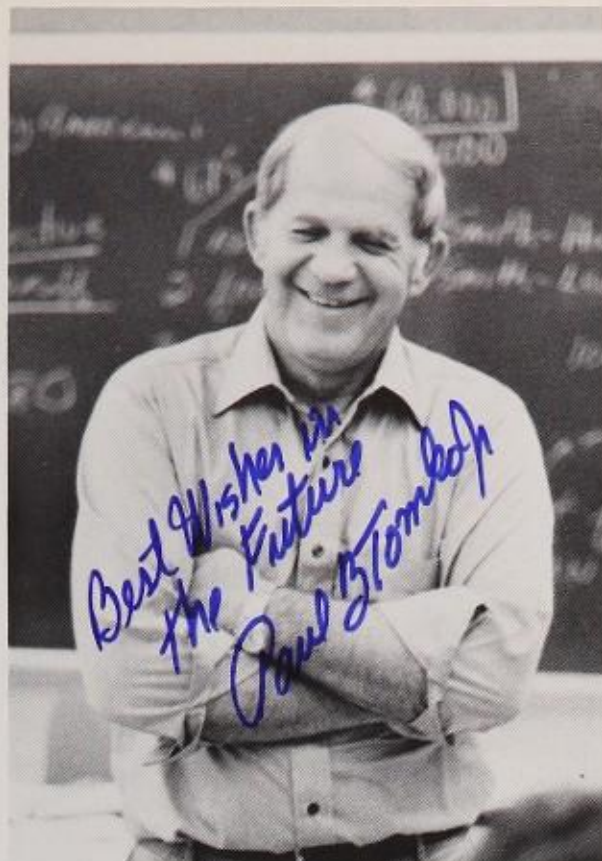

Leo women also are self-assured. They often wish to be dominant rather than equal in a relationship. They like to be pampered and impractical or in the center of attention.

Leos tend to do well in occupations which enable them to dominate others. They are best suited therefore for careers in politics, theatre, organizing or lecturing.

Political leaders Benito Mussolini, Fidel Castro, and Bismark; the rulers Louis XIV of France and the emperor Napoleon were all Leos, as were the Psychologist Carl Jung; the poet Robert Burns; writer Aldous.

Virgo

Aug. 24 - Sept. 23

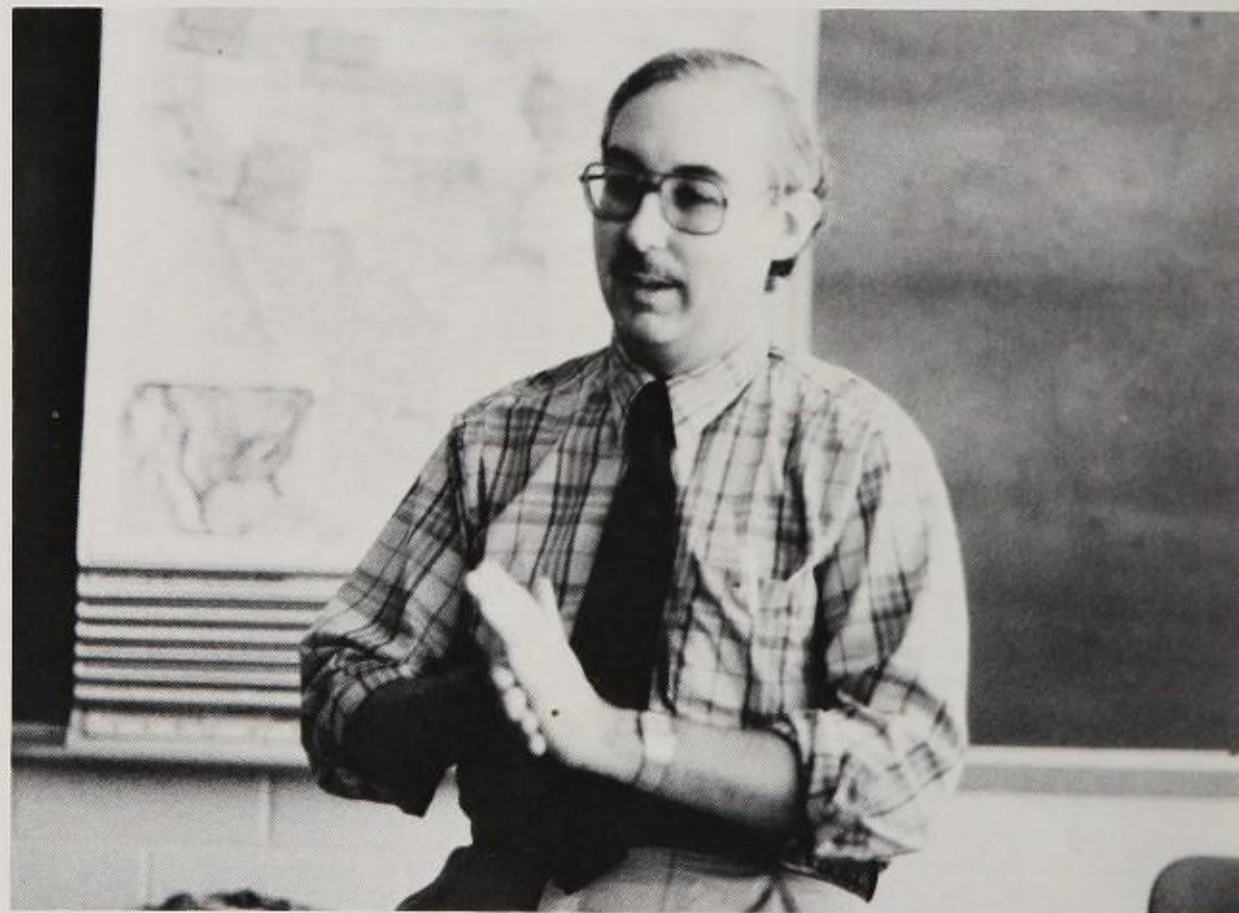

Virgos have a combination of both intelligence and common sense. They like to be neat and tidy and are always aware of the need for order. Often, they are likely to hoard things and become obsessed with the need for cleanliness.

Having such a belief in order and doing it right, makes Virgo men seem like human calculating machines. Such precision and neatness doesn't quite seem like the conventional image of masculinity. It can also be very difficult for them to really let go.

Virgo women are not just satisfied with expressing their own feminine charms. Performing a task in life and performing it well is what they want out of life, they prefer honest recognition rather than just flattery for their material achievements.

Virgos dislike unskilled work, yet enjoy any kind of job that requires them to impose order or chaos. They are outstanding in fields that let them display their neatness and desire for perfection.

People born through the years as virgos are former president Lyndon Johnson, Cardinal Richelieu, writer Leo Tolstoy, and movie stars Greta Garbo, Lauren Bacall, Sophia Loren, and Peter Sellers.

Libra

Sept. 24 - Oct. 23

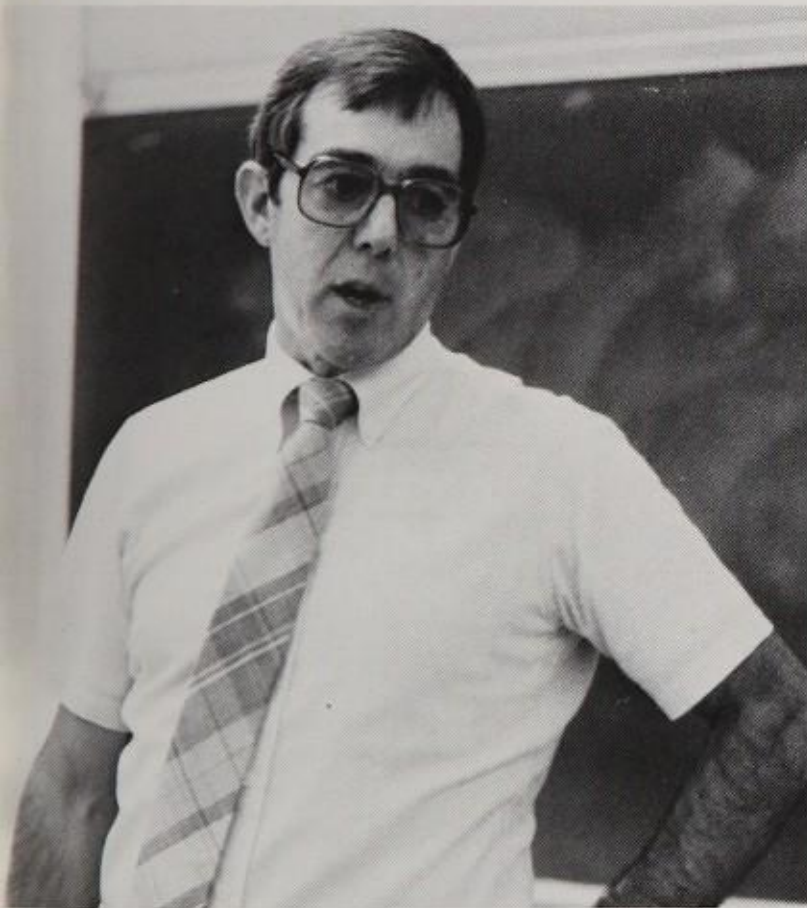

Pure Librans are the salt of the earth. They have a desire to be liked and to like others. Their gentle, tolerant, and diplomatic natures make it absolutely easy for others to get along with them. They tend to be well balanced individuals with mild views, who reject extremism of any kind.

The Libra man is sociable, courteous, and cultured. He is usually attractive to women, although they may dislike his tendency to be so moderate that he never offers an independent point of view.

Being the most feminine of the signs, Libra women are exceptionally feminine. In love they display charm and gentleness. They receive a great deal of happiness from a satisfactory home life and enjoy the company of their children.

Jobs involving strenuous physical effort have little appeal for Librans because they tend to be lazy. They do their best at almost any occupation related to Art, legal matters, diplomacy, and dealing with other people.

Well known Librans include Erasmus the great 16th-century scholar and humanist; Mahatma Gandhi, the religious leader and apostle of nonviolence; painter Watteau; poet T.S. Eliot; writer William Faulkner; and actresses Sarah Bernhardt and Brigitte Bardot.

Scorpio

Mrs. Carol Smoyer, Cafeteria Staff.

Oct. 24 - Nov. 22

The Scorpio is a sign that is feared by many. Scorpio sign is, of course, the Scorpion, an arachnid that paralyzes it's prey with a poison that can prove to be fatal.

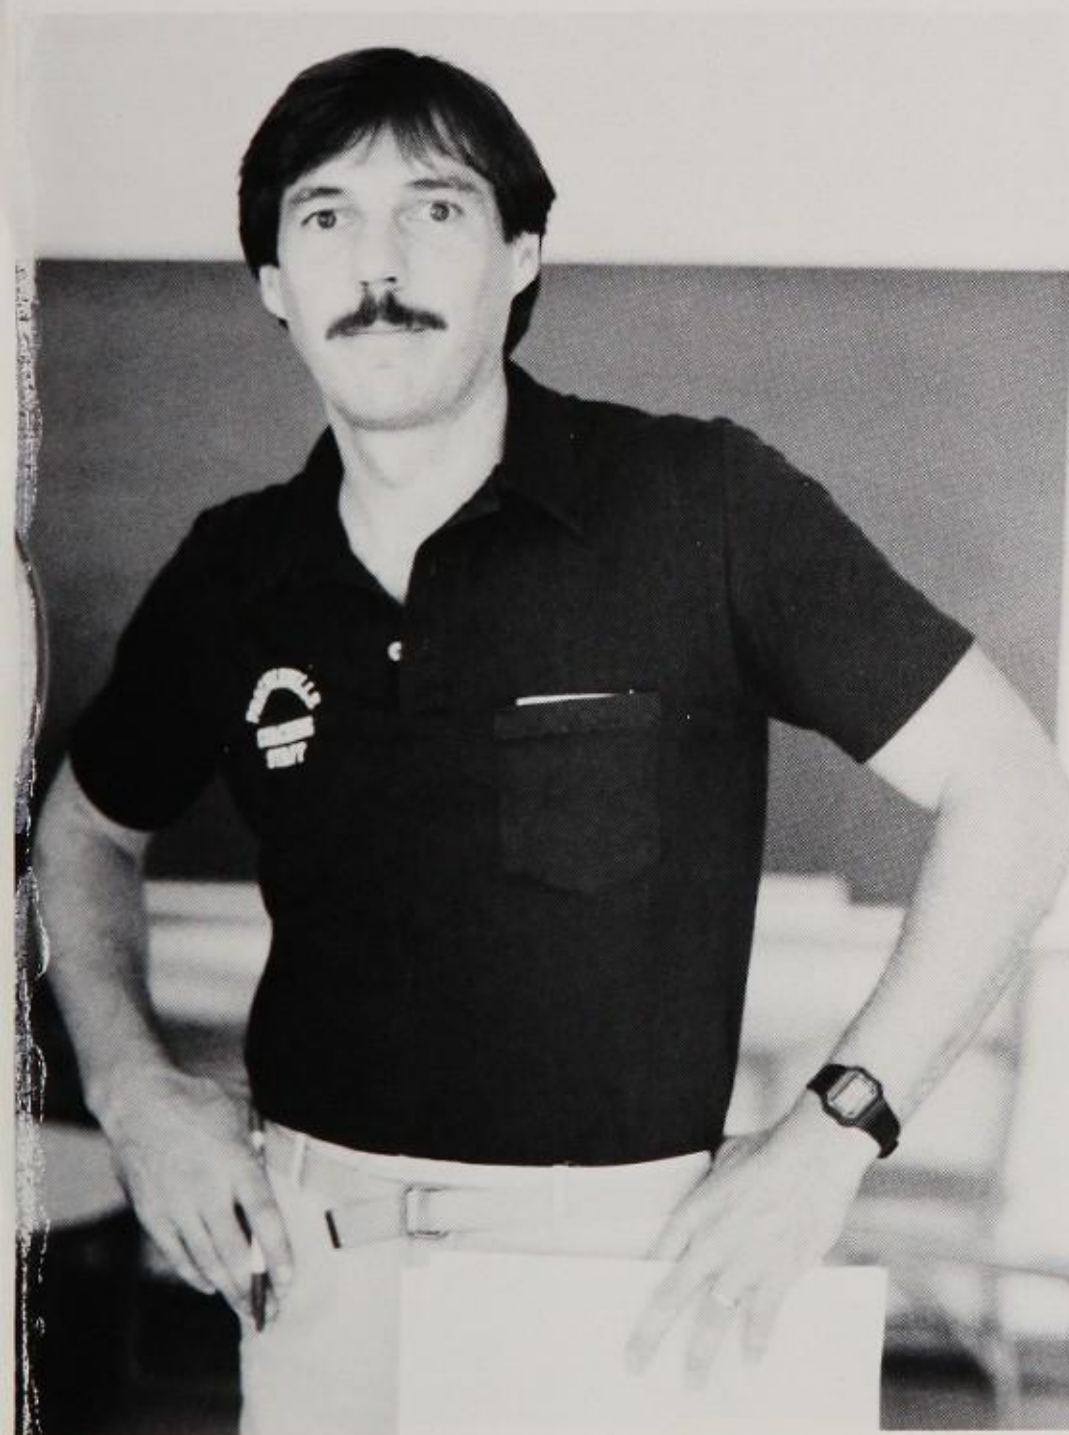

The Scorpio man is very passionate. Not only in the romantic sense, but also to passionate intensity about politics, work, friendship, religion, food, children, clothing, life, death and any other categories you can think of. He is both a master of intellect, and emotions rule him equally. Their explosive temper can strike a life-time wound. When he lashes his deadly tail, the sting bites hard. He not only enjoys winning, he has to win.

The Scorpio woman has a deep mysterious beauty. She is magnetic, proud, and totally confident. Like the man, the Scorpio woman is very passionate. She is drawn to mysterious shadows and takes many chances just for the thrill.

Some famous Scorpions are actor Richard Burton and actresses Katharine Hepburn and Grace Kelly; Comedian Johnny Carson; and Senator Robert Kennedy.

Sagittarius

Nov. 23 - Dec. 21

Sagittarius is a sign particularly associated with success, and fate usually gives the Sagittarian more than one opportunity to achieve it too. Since Sagittarians tend to be so happy-go-lucky they often fail to take the chances that are offered to them. Sagittarians are very talented individuals who are interested in just about everything. They, however, waste their talents in too many fields and become overwhelmingly boastful.

The Sagittarian man has an outspoken and generous attitude toward life, and yet other men tend to pick quarrels with him. He is lovable, but will often resist love that is offered for fear of losing his freedom. He adores animals, but cannot resist the pleasure of hunting. The Sagittarian woman shares the same qualities as the man. Since she regards house-wife duties as being dull, she prefers activities outside the home. Nevertheless, she makes a good mother.

Sagittarians are superb at communication, and will succeed at any skilled task in the fields of journalism, television, advertising, publishing, or consultancy work. They are prepared to tackle anything that leaves them a certain amount of freedom.

Sagittarian types and Sagittarians include Abraham Lincoln, Winston Churchill, Beethoven, writer Mark Twain, Frank Sinatra, Sammy Davis, and moviemaker Walt Disney.

Capricorn

Dec. 22 - Jan. 20

Capricorn, the goat, runs from December 22 to January 20. A Capricorn is introverted, submissive, and self-effacing. Still, they are very ambitious. Capricorn men are intensely competitive with other men, and demand respect rather than affection. The Capricorn woman likes to be in a position of power. She is affectionate, loyal, and astute.

Capricorns do well in occupations that do not require a large amount of imagination, and excel in monotonous tasks.

Famous Capricorns and those like them include Woodrow Wilson, Stalin, The philosopher Kant, Issac Newton, and Louis Pasteur.

**PAHS Congratulates
Alex Gravesen

Finalist**

Now that our high school days are over, many choices face us. Whether we choose higher education, a career, marriage, or the service we can achieve our goals by making good use of everything we learned over the years. I hope that everyone will look back to their experiences at PAHS with fond memories, as I'm sure I will. I would also like thank my fellow classmates for making my stay in the United States a pleasant and memorable one. Good Luck to everyone and Best Wishes in the future.

Jennifer Newman

We'd like to give thanks to the following people for their help and support with the production of the 1986 "Phoenix": Mr. William O'Brien of Jostes Yearbook Company for his patience, advice and terrific ideas, Mr. and Mrs. Orlick and Davor Studios for all the rush orders and fine quality photographs. Thanks also to Mr. Burkhart and Mrs. Brethauer and the senior class for helping fund the high cost of the yearbook by contributing class funds. We would also like to extend our appreciation to Mrs. Minarcik and Mrs. Owens for helping with our many requests, and to Mr. James Calhoun for his constant support. Finally, and most importantly, the Phoenix '86 staff would like to thank Mr. Dr. Nicholas our advisor, for his long hours and continuing patience during the numerous problems that arise in the production of the yearbook. Without his help and support this project could never have been accomplished.

Seniors HO! was a cheer that bonded our class together. We have become an integral part of a new and changing society. The fun and caring times we have shared cushioned the blows that life has dealt us so far. The experiences that we have gained will be with us forever and I hope that all of us can look back on them with joy instead of remorse.

We have given of ourselves to this school and now it is time that we reap our well deserved reward. As we take these experiences with us into the "real world", don't forget where they came from and the hardship and joy we had in making them. Good Luck in everything you do and don't forget the Class of '86. Alumni HO!

well I really
Bill I didn't want to
sign this but since
you are now holding a qu
to my head. But seriously,
thank for all the chem. answers. well
And the laughs. Maybe next year we
be in the same class again. See ya over
the summer. Always remember when I
a 1/2 point on a test to get an A.
Luv
Margaret

Bill,
 To a really nice
 guy I'm glad
 I got to know, even
 if it was in Chem
 study. It amazes
 me how you could
 always get A's even
 though the class was
 too. Have a great summer!

Bill, I am finally
 here signing your yearbook. It's
 been a great year with Ma
 and Chem. Hope to
 see you over the summer. If I
 don't, I have a great one.
 Lots of friendship!

Bill, a great guy I met
 in Chem. I've got
 a great summer and never stop playing
 ping pong! Especially the weekend! Have
 a great summer and never stop playing
 Tyler

Academic Competition was a highlight of my year. You (and the rest of the team) were very good. I want you to study hard over the summer, at least one hour a day. By the way, if we happen to have any practices (which we probably won't) make sure & know!
Jay (935-1165)

Bill,
a hell of an English buddy, who went through all the torture all the men did in that class. Keep up the good work and I can't wait to see you in Miss Dasher's class. Oh Boy!!

Buen

Bill,
To a good friend that's been in my homeroom for a long time. We made it through trig. and English. Have a Great Summer,
Love always,
Kathy

Bill,
You're a great guy and a hell of a lot of fun to talk to. I still envy you and your SAT scores. Have a great summer, keep in touch.

Bill,
To a really great guy that I got to know really well. Remember Tomko's class and especially the plastic hand you had in Gazzelle's class. Have a great summer and see you in class next year!!
Love,
Mary (935-1302)

Bill,
It's been a cool year. English was tough but at least we made it. I hope you have a cool time this summer. I'll see you next year. Have a great time and take it easy. Dave Smith

Bill,
you've become a great friend & thank for
all the help in Chem. And just now I got a great
deal to me. And I hope to see you in BO II. Maybe we'll be
you can't have everything your own way. Thanks again.
next year & I hope to see you in BO II. Maybe we'll be
lab partners. Have a blast this summer.
